“INSECT WALK”

Nature’s walk for “Insect Identification” was organized by Department of Zoology in collaboration with Arranya Foundation at Gorewada Biodiversity park, Nagpur on 6 March 2022 Sunday from 8 am to 10 am. About 20 students along with three teachers Dr. Pinky Sonarghare, Dr. Mangesh Thakare and Ms. Himani Kadbe visited there. The main goal of the walk was to identify the various species of insects and also with that we discover the different native plant species and their further propagation and preservation through the seed collection. During the walk along with members of Arranya foundation and teachers, students capture the photos of various insects. Members of foundation and teachers tells other fun facts about the nature and the flora and fauna of the park. Teachers mentored the students. Students enjoyed a lot and learned more about the importance of insects and other fun fact about the nature which would benefited the students in many ways.

Collaboration with Incubein foundation

Incubein foundation and our institute collaborate for start-ups and research. Research and development cell has taken initiative for this aspect of incubation, innovation, and linkages for start-up and research temperament and has a scheme for students to register with their interest. Research and development cell has collected the responses of students from the science, commerce, and management streams. About 52 students were enrolled in this scheme. The cell has allotted teacher mentors to the students for taking up the work in their interested area. Students were working on various activities regarding subject-specific aspects. Various instruments and equipment were used by the students for their work. Incubein foundation and incubein sub-center Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur had share all the facilities available with their institutes free of cost or with minimal cost. Incubein will provide space to all its sub-center startups for research and development after the personal examination.
