National Online Seminar on Revised Assessment Framework : Understandings & Challenges

Date: 11th February 2022

Venue: Auditorium and Zoom Platform

Report

National Seminar on “**Revised Assessment Framework: Understandings and Challenges**” was Organized by Internal Quality Assurance Cell ,Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur sponsored by NAAC.

We all are a part of the quality movement in Higher Education. We as academicians regularly organize workshops, conferences and seminars related to research and critical analysis on quality sustainability & enhancement at our workplace.

In the present seminar many salient points were discussed that included Internal and External quality evaluation processes, Promotion of quality culture, Development and implementation of quality sustenance initiatives, Promotion of quality in teaching-learning and research and Case studies of implemented quality practices in higher education.

Keeping in mind the quality enhancement in HEI this seminar aimed at providing an open platform for academicians, researchers, and administrative auditors to exchange ideas, understanding, & discuss issues faced during the new process of Revised Accreditation Framework (RAF).

It also aimed to provide a handful of resources for building the confidence & pace in taking up the task of NAAC assessment and quality sustenance in the Non-accredited HEI.

Also, the present seminar has helped in developing a structured process of self-evaluation and introspection for quality enhancement.

In this seminar 157 participants have participated from all across the country. The participants were from Maharashtra, Uttarakhand, Orissa, Andhra Pradesh, Telangana, Delhi to name a few. We have received 10 research papers that will be peer-reviewed & will be incorporated in proceedings in the form of a book with ISBN.

Inaugural Session

The seminar began with the inaugural session with the introductory remarks by Dr. V.M. Pendsey, Officiating Principal, Dada Ramchand Bakhru Sindhu Mahavidyalaya. He showed concern about the quality in HEI and need of such seminars to enhance the quality.

Guest of honour Dr. I.P. Keswani, General Secretary, S.H.V.S shared his views about the quality culture in HEI and role of IQAC in quality sustenance. He gave a brief about the existence and objective of NAAC committee.

Another guest Dr. V.M. Rughwani, Chairman, S.H.V.S spoke about the assessment of HEI and leadership that help in achieving the desired goals. He talked about the importance of Understanding the process of assessment.

In his presidential address Shri H.R. Bakhru, President, S.H.V.S enlightened the audience with his vast experience of running the HEI. He profusely praised the IQAC in

arranging such worthy seminars regarding the RAF. He assured that any such endeavours related to enhancement of quality would be taken up in future too. He congratulated the participants for joining the seminar of immense importance that would help institutions to build and improve their quality. He motivated them for the improvement of quality of the institution.

The inaugural function was conducted by Dr. Jayant Walke. Vote of thanks was proposed by Dr. Yogesh Bhute.

Key-note Address

Dr. Kawday has delivered his key note address on “**Revised Assessment Framework: NAAC Expectations & Reforms**”. He illustrated the purpose of RAF. He told about the goals achieved by NAAC and elaborated the dynamic solution and transformation through SOP. Further he informed about the future of RAF. He talked about the importance of NAAC for the improvement of the quality of educational institutions. He highlighted the revised accreditation framework. He emphasizes on 3Q’s in quality: Quality Assurance, Quality Sustenance, Quality Enhancement. He discussed about Quality Indicators and explained in details about the brief classification of QI’s in 3 parts i.e., 7 criteria, 34 key indicators and 96 metric. He discussed about all the seven criteria and gives some important tips for the improvement. At last, he answered the queries of the participants.

Technical Session I

8th and 9th, April 2022

Report of Conference

Department of Zoology, Botany, Microbiology, Biochemistry and Biotechnology, Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur in collaboration with Technology and Energy park RTM Nagpur University Nagpur and Global Biotech Forum Nagpur successfully hosted two days National Conference on “Basics and Advances in Biological Sciences” on 8th and 9th April 2022 at Dr. A. K. Dorle Auditorium, Department of Pharmaceutical Sciences, R. T. M. Nagpur University, Mahatma Jyotiba Phule Campus, Amravati Road, Nagpur.

The two days conference was commended for a keynote session, four concurrent technical sessions, poster and oral research paper sessions, besides the Inaugural and Valedictory sessions. This conference has without a shade of doubt, made the academic fraternity richer, with the additional literature in form of intellectual works. The event offered opportunities to the participating audiences to interact with academicians, scholars and experts from all over the country who deliberated upon and covered topics around the basics and advances in biological sciences. The two days comprised of incisive and insightful discussions on various facets of biological sciences. All the resource persons conducted very engaging and fruitful sessions.

The **International Conference on New Horizons and Trends in Chemical Sciences (ICNHTCS-2022)** has concluded its work successfully from March 24th to 26th March 2022 on the hybrid mode in Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur, India. The conference was organized by Department of Chemistry, Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur in Association with the Indian Society Of Analytical Scientists (ISAS), Nagpur Chapter. The objective of this conference was to bring together experts from academic institutions, Industries, and Research organizations for sharing their knowledge and research.

The **ICNHTCS-2022** is a forum to bring together researchers, scientists, and industry professionals to discuss innovative ideas and diverse topics on the next generation of chemical sciences and technologies. **ICNHTCS-2022** was joined by

Officiating Principal
Dada Ramchand Bakhru
Sindhu Mahavidyalaya, Nagpur-17

hundreds of delegates from about **7 countries** including **United States, Japan, South Africa, Austria, Israel, India, California** etc. Hundreds of attendees, paper presenters, and students have benefited in many ways from this conference. Nearly **140 scientific papers** were presented by authors. **Six international and four national invited speakers including two keynote speakers** addressed to audience and shared knowledge and rich experiences on **New Horizons and Trends in Chemical Sciences** in their respective universities and countries. The conference program featured a wide variety of invited and contributed lectures from national and international speakers with expertise in the field of chemistry, as well as oral and poster sessions. **ICNHTCS-2022** has become one of the most extensive, spectacular international event in the field of chemical sciences hosted by India for its high level and the large size of participation.

Conference Scope **ICNHTCS-2022** themes include, the following research and development areas (about 22 themes). Major themes were Organic Chemistry, Medicinal/ Pharmaceutical Chemistry, Chemistry of Natural Products, Synthetic Heterocyclic Chemistry, Material Science, Surface Chemistry, Polymer Chemistry, Nano-chemistry and Nano-technology, Green Sustainable Chemistry, Coordination Chemistry, Nuclear and Radiochemistry, Chemical Synthesis, Physical Chemistry, Computational Chemistry, Environmental Chemistry, Analytical Chemistry, Green Energy Technology, Fuel Cell and Batteries, Corrosion Science, Industrial Chemistry, Electrochemistry, Phytochemistry.

Also, we have received sponsorship from industries like **Hitech Polyplast Pvt Ltd** and **Global Marketing**.

The first day of the conference started with an Inaugural Ceremony, followed by release of Abstract book. The Management representatives of Sindhi Hindi Vidya Samiti, as well as the Chief Guest and other dignitaries had addressed to delegates with short welcoming speeches.

The second day of the conference started with keynote speaker **Dr. S. Chandrasekaran**, Former Professor & Shanti Swaroop Bhatnagar Awardee on the topic "Chemistry for Sustainable development in the 21st century" followed by 4

keynote speakers. Dr. B. K. Deshmukh, Prof S. B. Jonnalagadda, Dr. P. P. Wadgaonkar, Dr. Sharayu Kasar.

We have received an overwhelming response from the participant with **106 oral presentations and 40 poster presentations.**

The third day of the conference again started with 4 keynote speakers Dr. K. K. Tadi, Dr. Satish Patil, Dr. Perugu Shyam and Dr. Yeol Sasson.

The valedictory session has started with keynote speaker **Dr. Aruna Korde**, Technical Officer, International Atomic Energy Agency, Austria on the topic "Radiopharmaceuticals: Current status and trends"

2 Young scientist awards sponsored by ISAS were given to Dr. Shakti Pandi K. and Dr. Prashant Borkar.

Selected presentations from Oral lectures as well as Posters were awarded.
