ICT/COMPUTING SKILLS

ICT Report

Session 2021-22

For providing quality education to endow enriched academic experience and to facilitate sophisticated teaching learning process, the college teachers always strive to make effective use of ICT enabled tools in combination with traditional tools. The Learning Management System (LMS) module facilitates an online platform for effective education. Numerous diversified ICT tools enables the college to conduct seminars, guest lectures, workshops, competitions, technical and management events efficiently. The college has vast and enriched ICT enabled resource which comprises Wi-Fi having 100Mbps speed, ICT enabled classrooms, well-equipped Computer Lab, E-Library resource and digitally equipped Smart Classroom and Auditorium. Total 23 LCD's and projectors are installed in Classrooms and Laboratories. Digital language lab, Digital Library, e-books, e-journals, Shodhganga, etc. are available. Faculties are accustomed to use power-point presentations and video clippings in their teaching. Teachers also have recorded lectures and uploaded in YouTube to provide an online learning environment. College website along with Google classrooms optimistically able to communicate students regarding admission, class schedule and examination. Feedback of students is also collected through Google forms.
