Department of Zoology Session 2022-23 Academic Calendar

June:

- **Admission process**
- Syllabus distribution
- Annual teaching plan and workload distribution
- Time table distribution
- Regular classes
- Checking of laboratory material
- Planning for short excursion
- Workshop of Laboratory equipments and protocol for Non-teaching staff members

July

- Admission process
- Commencement of Bridge course
- Result analysis
- Regular classes and practical
- Test/MCQ's examination for Bridge course
- Planning of biological short excursion
- Organize world Zoonoses day
- Inter-collegiate competitions on world Nature Conservation Day

Officiating Principal

- Planning for certificate courses

August

- Announcement of Nature Club (Departmental society for various activities)
- Announcement and display of assignment topics
- Regular classes and practical
- Budget provision for laboratory material
- Requirement of books for central library
- Rechecking of departmental library books
- Organize student centric activities
- Unit test
- Visit to student's home through mentor-mentee scheme

September

- Regular classes and practical
- Planning and organization of workshop and seminar for students in the department
- Unit test
- Submission of assignment
- Short excursion
- Parent teacher Meet
- Remedial classes and contact hours

October

- Regular classes and practical
- Motivational lecture and participatory activity for research
- Test examination/College examination
- Revision test, spotting test
- Question bank
- Planning for EVS classes and assignments
- Celebration of Wild Life week by organizing guest lectures and competitions

November

- Winter Vacation
- Research Activity
- Remedial Classes/ Classes for Competitive exams (JAM)
- Nature walk @seminary Hills and activities related environmental awareness

December

- Visit to different research laboratory and centers
- Regular classes and practical
- Guest lectures based on syllabus
- Workshop
- Exhibition
- Announcement for EVS assignment
- Organization of Guest lectures

January

- Regular classes and practical
- Finalize the requirement and quotation of laboratory material

Department of Biochemistry Report of Educational Tour

Date:24/2/2023

Department of Biochemistry, Dada Ramchand Bakhru Sindhu Mahavidyalaya, has organized a Educational tour to HORIBA India Technical Institute (HITI) in collaboration with Department of Microbiology on 24th Feburary. Total number of students for tour were 51. Three teaching faculty Dr.S.A Mankar, Dr A.M Chandak and Dr.D.R Motwani and two supporting staff Ramesh Madnani and Harshad Baisare were also present for tour. Timing for tour was from 9.am to 2.00pm. HORIBA India Technical Institute (HITI) is an initiative of HORIBA India - a part of the global, multi-billion Japanese Yen HORIBA group of companies. HITI aims to provide various specialized professional courses, a conceptual understanding of different IVD technologies, and best laboratory practices designed for career success. The HITI-Nagpur center is located amidst HORIBA's sprawling 12-acre plot of land which also houses their International Training Centre and state-of-the-art instrument remanufacturing and reagent manufacturing facilities. Students at HITI learn from some of the best faculty in the field, in a truly multinational corporate environment. This tour will definitely helps our students start with a significant advantage in their career and prepares them to take on leadership roles and achieve greater success in their career.

COMMERCE ENHANCEMENT CELL

Report on “Industrial Tour to Govigyan Anusandhan Kendra”

2022-2023

With a motive, to enrich and enhance the knowledge of students and creating awareness about Indian Cow and resurrect the self-sustaining Bhartiya (Indian) way of farming, Commerce Enhancement Cell, Department of Commerce, organised an Industrial Tour was organised to “Govigyan Anusandhan Kendra”

Date: 22nd Nov. 2022 Tuesday

Venue: Govigyan Anusandhan Kendra, Deolapar

Participants: 100 Students and 10 Faculties

Govigyan Anusandhan Kendra is dedicated to creating awareness about Indian Cow and resurrect the self-sustaining Bhartiya (Indian) way of farming. The authorities advocated that the citizens of today need an approach which addresses the problem at fundamental level, resurrects ecology, does not hamper economic well-being and creates new employment opportunities. This is where Bhartiya way of farming is different from all other piece meal solutions as it has a holistic approach. Importantly is not dismissive of knowledge passed from generations to generations. And it uses modern scientific methods to evaluate the age-old wisdom regarding Farming, Indian Cow and it's criticality for sustenance of healthy human life.

The students were informed that 63 acres of land of the Kendra was acquired with financial help from few well-wishers. Few hundreds of cows who were abandoned either due to old age or had stopped producing milk cows were provided with shed and comfortable living conditions. This helped us achieve two basic purposes. First of course, was to protect Cows from getting slaughtered. But the second purpose with which this was done is at the heart of the project. The people running GoVigyan knew that The Cow Urine (GoMutra) and Cow Dung (GoMay) produced by these genteel bovine friends held key to bright future of farmers in distress. Till date this Kendra trained 10000 plus farmers at Deolapar on Organic Farming and on how to manufacture Cow based products. And it has helped many farmers who were in financial distress to start making money again.

The visit proved to be very fruitful and informative, enlightening the students towards saving the ecology and sustaining of human life and rural economy.

COMMERCE ENHANCEMENT CELL

Report on “Model Making Activity”

2022-23

Date: 03/05/2023

Time: 11.00 am

Venue: College Premises

Coordinator: Dr. Bhavna Choudhary

Theme: Lifelines of Indian Economy

As a part of skill-based education, Commerce Enhancement Cell organized Model Making Activity for the students of B. Com Sem IV to encourage students to brainstorm and come up with their own ideas of new models.

The theme of the activity was “Lifelines of Indian Economy.” This event helped to build confidence among the students and develop critical thinking skills in them. The main aim was to check the understanding and concept clarity of the students through a 360-degree knowledge test, where they had to conceptualize idea, design, get involved in resource management and exhibit the models. The students participated with utmost zeal and enthusiasm.

Dada RamchandBakhru SindhuMahavidyalaya Department of Biochemistry

Date:12th January 2023

Report of Visit to Pragati Lab

Department of Biochemistry, Dada Ramchand Bakhru Sindhu Mahavidyalaya, has Visited Pragati Lab, Jaripatka on 11th January 2023 at 11.30am. Mr Purushottam Dembla Explained the working and principle of semi autoanalyser. Minimum quantity of sample requirement, accuracy, and short time duration are advantages of autoanalyser. All students enjoyed a lot, and asked various questions pertaining to standardization & protocol setup to Purushottam Dembla sir. Total 41 students visited the lab. Two faculty members and one non-teaching staff of Biochemistry also visited the lab.

COMMERCE ENHANCEMENT CELL

Report on “The Way, you do it”

2022-2023

With a motive to enrich and enhance the knowledge of students about how positive attitude can help them achieve measurable success in their personal and professional life, Commerce Enhancement Cell, Department of Commerce, in collaboration with Entrepreneurship Development Cell of our college organised a talk on the topic “**The Way, you do it.**”

Resource Person: Mr. Sandeep Darwhekar

Designation: Director, Integrated Customer Service

Date & Time: 17th February, 2023 Friday 10:00 am

Venue: Bapuna Hall.

Participants: 100+ Students and 10+ Faculties

Mr. Sandeep Darwhekar initiated the talk by stating that positive attitude means being optimistic about situations, interactions, and yourself. People with positive attitudes remain hopeful and see the best even in difficult situations.

Darwhekar guided the audience how a positive attitude means allowing yourself to stay optimistic. The benefits of a positive attitude include anticipating happiness, health, success, and opportunities and, in turn, keeping top of mind the positive outcomes that you may want for yourself.

The talk ended with young minds with an urge to understand that our positive attitude towards anything starts with positive thinking and a positive mindset. In fact, we can think of positive thinking as a mental attitude. It helps us to look forward to good and favorable results. Here are some proven benefits of a positive attitude.

Dr V.M. Pendsey, Principal welcomed the guest and Dr. M.L. Vanjari welcomed DR. M>H. Kaushik, Incharge, ED Cell.

Ms. Bhavika Polkamwar and Ms. Ayushi Nandanwar, students of BBA IInd year anchored the programme and proposed a vote of thanks respectively. All the members of faculty and students were inspired by the information and knowledge provided by the speaker.

COMMERCE ENHANCEMENT CELL

Report on “Opportunities Unlimited”

2022-2023

With a motive to enrich and enhance the knowledge of students about help identify market opportunities and how the resources can be allocated in the most effective way possible, Commerce Enhancement Cell, Department of Commerce, in collaboration with Entrepreneurship Development Cell of our college organised a talk on the topic “**Opportunities Unlimited**”

Resource Person: Mr. Tanvir Mirza

Designation: President, Yashodhara NGO & Social Entrepreneur

Date & Time: 17th March, 2023 Friday 10:00 am

Venue: Bapuna Hall.

Participants: 100+ Students and 10+ Faculties

Mr. Tanvir Mirza initiated the talk by stating that entrepreneurs do not just build businesses and grow their personal wealth; they also impact the economy by creating new jobs and opportunities, driving innovation, and developing new markets, products, and services.

Mr. Mirza shared that he works towards aiming to empower rural youth for entrepreneurship.

His organisation is engaged in the process of enhancing the entrepreneurial knowledge and skills via structured training programmes. It deals with the study of entrepreneurial behaviour, dynamics of business, and its development and expansion. The objectives of these entrepreneurship development programmes are to increase the knowledge and skill of existing entrepreneurs and encourage others to become one. Ultimately, it helps in increasing the number of such individuals in an economy.

Mr. Mirza also shared that entrepreneur development programs also focuses on training individuals who are interested in commencing their venture or expanding their existing one. Furthermore, it concentrates more on encouraging innovation and evaluating the growth potential of an enterprise. This development process helps new firms to perform better and achieve their goals and expand their businesses. As a result, the economy of a nation also improves. Moreover, it enables entrepreneurs to develop and manage their business better along with the financial insecurities associated with it.

COMMERCE ENHANCEMENT CELL

Report on “Towering success through Powering Communication”

2022-2023

With a motive, to enrich and enhance the knowledge of students about importance of proper communication Commerce Enhancement Cell, Department of Commerce, organised a Guest Lecture on the topic “**Towering success through Powering Communication**”

Resource Person: Dr Laxmi Mahantare

Designation: Assistant Professor G H Raisoni Institute of Management and Research (Nagpur)

Date & Time: 17th Sep, 2022 Saturday 10.00 am to 11.30 am

Venue: Bapuna Hall.

Participants: 150+ Students and 10+ Faculties

Dr Laxmi Mahantare initiated the talk by emphasis on the significance of proper communication She added that research shows that the vast majority of what we convey through our interactions with others is innate and instinctual, known as nonverbal communication. Nonverbal behaviour like body movements and posture, facial expressions, eye contact, hand gestures and tone of voice all contribute to how we communicate and understand each other.

She discussed that often we are unaware of our participation in interpersonal, nonverbal communication because these actions are inherent to how we converse as humans and ingrained into our daily lives.

The talk ended with young minds with an urge to understand the importance of nonverbal communication which helps increase trust and clarity and add interest or does the exact opposite.

Principal Dr V M Pendsey Sir welcomed the Guest and delivered presidential address, he laid emphasis on clarity of thoughts for communication to be effective. Vice Principals Dr S V Tewani sir, DR A G Thadani sir, HOD Mr G. Rughwani were prominently present.

Mr Rizwan Khan anchored the programme. All the members of faculty and students were benefitted by the information and knowledge provided by the speaker.

Participants: 100+ Students and 10+ Faculties

CA Pawan Sarada initiated the talk by sharing the fact that CAs are foundation base of the economy and utilizing the financial expertise, the nation gets right direction in various financial and economy related measures to enhance the decaying Indian economy and enhance the economy along with industrial growth.

CA Neeraj Batra discussed that Chartered Accountants play eminent role in various fields. The knowledgeable advises of Chartered Accountants are pre requisite in formation of any law relating to commerce, taxation or legal fields. While forming a law or any act Chartered Accountants are one of the most important committee members. They have comprehensive knowledge of various important aspects which is important in formation of any law.

The talk ended with young minds with an urge to understand that Chartered Accountants role is important in nation building is preventing Corruption, malfunctioning, window dressing, detecting frauds in companies etc. A nation will grow only after the end of corruption. Chartered Accountants helps to minimize the corruption by following rules and regulations and by creating awareness in people about wrong practices and its penal consequences.

Dr S V Tewani sir and DR A G Thadani sir, Vice Principals welcomed both the guests respectively. Ms. Nikita Demla anchored the programme and Dr. Seema Achhpila proposed a vote of thanks. All the members of faculty and students were benefitted by the information and knowledge provided by both the speakers.
