Suggestions towards Curriculum, Teaching-learning process, Infrastructure and its Implementation

Curriculum should be upgraded and TL method like experiential learning, practical based curriculum shall implement.	Some of faculty members of science and commerce are in BoS, RTMNU. NEP2020 shall implemented from session 2024-25 at undergraduate level. BoS members has made changes and framed the curriculum according toNEP-2020.
ICT tools should upgrade	Institute has installed Projector in classrooms, laboratories, also more projectors will purchase in newsessions.
Syllabus and teaching learning methods should more fruitful to students	Institute has taken initiative for pedagogical methods by teacherstraining sponsored by MSFDA.
Departmental practices/Best practices	Vermiculture, Mushroom Cultivation, Microscale analysis, Wall magazine, Students' chapter, Research laboratory are some of the modules proposed by faculty members. Vermiculture is one of the modules has regulating properly. Institute has decided to initiate others in next sessions.

Feedback Analysis Report submitted by Feedback Committee to IQAC
Session 2018-2019

Online feedback was collected by the students during the session 2018-19. During this session, 950 students gave their responses which were classified into threesections namely, Academic, Curriculum and Infrastructure facility. Under Academic orteaching quality section, 949 students gave their feedback regarding sincerity of teachers for which 75.7% completely agreed towards this and 23.4% said that it was satisfactory. 950 students gave feedback regarding class preparation of teachers; outof which 63.9% students said that teachers are thorough with the subject and 34.2% said that they are satisfied. Out of 933 responses, 98.3% students agreed that fundamental concepts were clear whereas, 1.8% said it was not done. Out of 928 students, 97.7% said that unit test and exams are conducted but 2.5% denied. Out of 941 students, 86% said that communication by teachers is very effective and 14% saidit is sometimes effective. Regarding assignments, out of 944 students, 97.4% said that periodical assignments are given but 2.6% say they are not given, Regarding Curriculum, 947 students gave feedback for selection of course. Out of these 59% opted the course for degree requirement and 39% opted for the time offered. Out of 944 students, 78.2% agreed that syllabus of course is adequate but 17.5% think that it is inadequate. Out of 935, 97.8% students are satisfied with the curriculum but 3.2% are not. Out of 947, 81.3 % students said that 85-100% syllabus is covered in the curriculum whereas 15.2% said that only 70-85% is covered.

CELEBRATING GOLDEN JUBILEE YEAR

Regarding the infrastructure facility, out of 943 students, 80% agreed that PPT are used by teachers for teaching but 20 % denied to this fact. Out of 945, 50.4 % said that the physical infrastructure of the college is excellent and 28%, 16.7% and 6.2% students were of the view that it is very good, good and average respectively. Out of 935, 95% students said they get the library facility whereas 5% said they do not get the books from the library. Out of 935, 90.7% students said there are modern learning resources in college like internet & computers but 9.3% said there are no such facilities.

Along with above feedback, suggestions were also taken from the students to make necessary improvement and accordingly, action were taken. The curriculum should be upgraded to enrich it. New certificate courses have started in the session 2019-20. Another suggestion was for the beautification of Botanical Garden and concerned authorities have taken initiation for its purpose. Students also wanted that internet facility should be upgraded. So FTTH broad band internet connection was upgraded to 100 mbps and wi-fi routers are also installed. Students suggested that they should receive proper and timely notices for this. Decision has been taken to sendall the notices to each cell and every classroom which were earlier, only displayed onthe notice- board of the college. Another suggestion was that there should be a playground in the college. Our college does not have a playground but in this session, MOU has been channelized by Physical Education department to provide appropriate facilities to the students. Students also suggested that more classes must be conducted through PPT and other ICT tools. For this, more use of ICT tools like Interactive Board, Moodle Site, Google classroom and other modules have been designed by the teachers for the students. Students suggested for upgradation of other Physical facilities. So, facilities like drinking water, Washrooms, Restrooms are successfully upgraded. Students also demanded for more parking space, accordingly, parking area has also been renovated and made spacious.
