#### Minutes of the meeting

1. During Holi festival, we knowingly or unknowingly damage our environment and natural resources. Water wastage and chemical colors harm the skin, apart from impacting our health, the use of chemical colors gets mixed with the soil thus harming the local biodiversity.
2. To make people aware of such issues and impacts and to promote Eco – friendly Holi, it will decide to organize "Safe Holi Campaign" Programme during 4th March to 6th March 2023 collaboration with NGO "Arranya Paryavaran Sanstha".

## SAFE HOLI CAMPAIGN

Holi is one of the most enjoyable and colorful celebrations in India and smearing colours on one another is a tradition. But the colors available in the market contain chemicals that are harmful to nature as well as people. During this festival, we knowingly or unknowingly damage our environment and natural resources. Water wastage and chemical colors harm the skin, Apart from impacting our health, the use of chemical colors gets mixed with the soil thus harming the local biodiversity. To make people aware of such issues and impacts and to promote Eco – friendly Holi, Extension Activity Cell, Dada Ramchand Bakhru Sindhu Mahavidyalaya collaboration with NGO “Arranya Paryavaran Sanstha” organized “Safe Holi Campaign” Programme on the occasion of the Holi Festival during 4th March to 6<sup>th</sup> March 2023. CEO of Arranya Pranay Tijare and his team organized a workshop for the students eco-friendly Holi colors where they taught students how to make natural colors from turmeric, Chandan, green vegetables, and flowers and create many color combinations using their imagination. the best way to have fun is by using natural and eco-friendly Holi colors. After the workshop students, made eco colors in our college and distributed them to nearby society Students enthusiastically Participated in “Safe Holi Campaign”. Dr. Pinky Sonarghare, Dr. Sandip Hate, and Dr. Mangesh Thakre worked hard for the Campaign.

**“INSECT WALK”**

Nature’s walk for “Insect Identification” was organized by Department of Zoology in collaboration with Arranya Foundation at Gorewada Biodiversity park, Nagpur on 6 March 2022 Sunday from 8 am to 10 am. About 20 students along with three teachers Dr. Pinky Sonarghare, Dr. Mangesh Thakare and Ms. Himani Kadbe visited there. The main goal of the walk was to identify the various species of insects and also with that we discover the different native plant species and their further propagation and preservation through the seed collection. During the walk along with members of Arranya foundation and teachers, students capture the photos of various insects. Members of foundation and teachers tells other fun facts about the nature and the flora and fauna of the park. Teachers mentored the students. Students enjoyed a lot and learned more about the importance of insects and other fun fact about the nature which would benefited the students in many ways.

**Memorandum of Understanding (MoU) with Bhivapur College, Bhivapur**

A formal agreement was signed by Principal of our Institute and Bhivapur College, Bhivapur for quality enhancement of higher educational institutions. The main objective of these agreements is to establish collaboration for training, student exchange and research activities. A workshop on vermicomposting and aquaculture was organized at Bhivapur College on September 2018. Dr. M.M. Shinkhede and Dr. Y. V. Bhute was delivered a lecture on Vermiculture and Aquaculture respectively. Students were aware practically about the installation of portable Pit and fish culture and their byproducts. About 48 students were participated in this workshop at Bhivapur College.

Subject: Letter of Appreciation

Respected Sir,

I wish to inform you that we offer post-graduation in Zoology at our college. You must be aware of the fact that the students are supposed to complete a dissertation work for fulfillment of their MSc degree. For completing their work they are required to use multiple techniques. In the field of Zoology, the photomicrography forms an important aspect of the student's work. Any laboratory work, especially the kind of work that we do, is not complete without the presentation of the results in the form of photomicrographs. Unfortunately, this year, we had some technical issues just before the completion of project work of my students. We could not take good quality photomicrographs.

In such testing times, I had asked to Dr. Milind Shinkhede, Head, Department of Zoology of your college for helping us with photomicrography. I am grateful to you, to him and the entire staff of your Zoology department for helping three of my students of post-graduation by allowing them to use the facility in your college. Without this help, my students would not have submitted their dissertation within the stipulated time.

I wish to acknowledge the help extended by the staff members of your college and I hope to continue this association in the future as well. We will be happy to help you in any academic collaboration that may form in the future.

Thanking you,  
With warm regards,

Yours faithfully,

**Dr. Nikhil V. Palande**
