NIDM/GIDRR/108/IUINDRR-MEMBERSHIP/2021

Date: 27.7.2021

*Dear Sir/maam.*

Greetings from IUINDRR-National Institute of Disaster Management, Ministry of Home Affairs!

As you all are aware that the National Institute of Disaster Management (NIDM) was constituted under an Act of Parliament with a vision to play the role of a premier institute for capacity development in India and the region. The efforts in this direction that began with the formation of the National Centre for Disaster Management (NCDM) in 1995 gained impetus with its re designation as the National Institute of Disaster Management (NIDM) for training and capacity development. Under the Disaster Management Act 2005, NIDM has been assigned nodal responsibilities for human resource development, capacity building, training, research, documentation and policy advocacy in the field of disaster management. Hence, pursuant to Government of India

directions and more specifically Agenda 6 of the 10 point Agenda for DRR given by Honourable Prime Minister of India, Global issues on Climate Change Adaptation (CCA), Sendai Framework for Disaster Risk Reduction (2015-2030), and Sustainable Development Goals (SDG), for promoting education, innovative technology and research, facilitate capacity development, and contribute to decision-making for addressing local risks and the needs of the most vulnerable IUINDRR-NIDM got established by NIDM.

2. Both as a national Centre and then as the national Institute, NIDM has performed a crucial role in bringing disaster risk reduction to the forefront of the national agenda. Therefore, the IUINDRR-NIDM vision is to create a Disaster Resilient India by building the capacity at all levels of higher education system for disaster prevention and preparedness.

3. Keeping the view of all above, IUINDRR-NIDM welcome your university/ institute as a member of network (please refer your membership ID as per attached list at Annexure - II) to work upon the areas as annexed to promote and build the capacity of various stakeholders at National and International level in the field of Disaster Management & Disaster Risk Reduction:

4. As a member of IUINDRR-NIDM, you are invited to send proposals on [iuindrr.nidm@gmail.com](mailto:iuindrr.nidm@gmail.com) and [iuindrr.nidm@mha.gov.in](mailto:iuindrr.nidm@mha.gov.in). The Modalities of the Programme may be discussed once agreed in principle.

Best regards

  
(Manoj Kumar Bindal)

**आपदा प्रबंधन महाविचार: पूरा भारत भागीदार**

**Suggestive programmes for collaboration:**

<b>Capacity Building Programme:</b>
IUINDRR-NIDM may conduct a 3-4 days programmes/webinar on mutually accepted topics and time. <ol style="list-style-type: none"> <li>1. Capacity Building workshops for faculty members</li> <li>2. Capacity Building workshops for students</li> <li>3. Capacity building programme for community and other stakeholder</li> <li>4. National &amp; International Seminars/Symposium/ conferences</li> </ol>
<b>Awareness Generation</b>
One Day Sensitization programmes/webinar (2-3 Hours online) on mutually accepted topics and time. <ol style="list-style-type: none"> <li>1. Sensitization and orientation programmes for youth on disaster risk reduction</li> <li>2. Sensitization of faculty members and Research scholars</li> <li>3. Sensitization of Community / elected members</li> <li>4. Sensitization of various stakeholders of Government and non-Government organisations</li> <li>5. National &amp; International Seminars/Symposium/ conferences</li> </ol>
<b>Development of Resource Materials and strengthen the Data Base</b>
<ol style="list-style-type: none"> <li>1. Development of Training Module</li> <li>2. Development of guidebooks</li> <li>3. Compilation of Best Practices</li> <li>4. Compendium of initiatives of higher education</li> <li>5. Sharing of information regarding programmes and research in the field of DRR/DM for promotion and knowledge creation through IUINDRR-NIDM portal and social media platform</li> </ol>
<b>Promotion of Research &amp; publications</b>
<ol style="list-style-type: none"> <li>1. Book Publications</li> <li>2. Research &amp; Review papers publications</li> <li>3. National &amp; International Seminars/Symposium/Congress</li> </ol>
<b>Development of IEC Materials</b>
<ol style="list-style-type: none"> <li>1. Development of IEC materials in regional /local languages</li> <li>2. IEC material for awareness generation at different level</li> <li>3. National and Regional programmes for development of IEC material in the field of DRR.</li> </ol>
<b>Development &amp; Strengthening of Curriculum</b>
<ol style="list-style-type: none"> <li>1. Curriculum development at different levels and subjects of higher education</li> <li>2. Policy advocacy for strengthening the curriculum on DRR/DM in India</li> </ol>
<b>Signing of Memorandum of Understanding</b>
University / Institute may send proposal for signing the MOU with NIDM to strengthen the field of Disaster Management

**MEMORANDUM OF ASSOCIATION**

(Version 1)

---

**Contents**

- Preamble to IUIN-DRR Memorandum of Association
  - Memorandum of Association
- 

**PREAMBLE TO IUIN-DRR MEMORANDUM OF ASSOCIATION**

Despite continued efforts in reducing disaster risk, economic losses from disasters are rising globally. It is estimated that it has increased from US\$50 billion each year in the 1980s, to just under \$200 billion each year in the last decade (World Bank and GFDRR 2013). India is also experiencing a similar trend with an average annual estimated economic loss of \$9.8 billion out of

which more than \$7 billion is due to floods (GAR 2015<sup>1</sup>) which is a recurring phenomenon in most of the states in the country. One of the key drivers behind such increasing economic loss due to disasters is lack of knowledge about hazards and access to risk information, which is essential to undertake any risk reduction action. Also there is a continuous accumulation of newer risks due to increasing exposure to hazards resulting from risk insensitive planning mechanism, ecosystem degradation, population growth and poverty. The risks induced by climate change are adding a further new dimension to the existing disaster risk profile of India.

Although there is uncertainty regarding the impacts of climate change, change in average climate conditions and variability are visible, and extreme climate events are being experienced annually in recent past resulting in huge economic loss and devastation. The growing economy in India also results in high investment for infrastructure development, industries and other revenue generating sectors and businesses. Rarely these investment decisions take hazard exposure into account thereby increasing the exposure of economic assets to various kinds of natural and human induced hazards.

Building on the **Hyogo Framework for Action**<sup>2</sup>, which featured ‘knowledge, innovation and education to build a culture of safety and resilience as a key priority, the **Sendai Framework for Disaster Risk Reduction 2015-2030**<sup>3</sup> identifies “Understanding Disaster Risk” as its first Priority for Action. Enhancing awareness including through formal and non-formal education, research, civic and professional education and training at all levels have been identified as some critical means to achieve this.

### **The Sendai Framework: Priorities for Action**

**Priority1. Understanding disaster risk:** Disaster risk management should be based on an understanding of disaster risk in all its dimensions of vulnerability, capacity, exposure of persons and assets, hazard characteristics

<sup>1</sup> [www.unisdr.org/we/inform/publications/42809](http://www.unisdr.org/we/inform/publications/42809)

<sup>2</sup> <https://www.unisdr.org/we/coordinate/hfa>

<sup>3</sup> <https://www.unisdr.org/we/coordinate/sendai-framework>

and the environment. Such knowledge can be used for risk assessment, prevention, mitigation, preparedness and response.

**Priority2. Strengthening disaster risk governance to manage disaster risk:** Disaster risk governance at the national, regional and global levels is very important for prevention, mitigation, preparedness, response, recovery, and rehabilitation. It fosters collaboration and partnership.

**Priority3. Investing in disaster risk reduction for resilience:** Public and private investment in disaster risk prevention and reduction through structural and non-structural measures are essential to enhance the economic, social, health and cultural resilience of persons, communities, countries and their assets, as well as the environment.

**Priority4. Enhancing disaster preparedness for effective response and to “Build Back Better” in recovery, rehabilitation and reconstruction:** The growth of disaster risk means there is a need to strengthen disaster preparedness for response, take action in anticipation of events, and ensure capacities are in place for effective response and recovery at all levels. The recovery, rehabilitation and reconstruction phase is a critical opportunity to build back better, including through integrating disaster risk reduction into development measures.

The **Disaster Management Act of India 2005** and the **National Disaster Management Policy (2009)** also articulate the need to conduct detailed hazard risk and vulnerability analysis for preparation of effective disaster management plans at various levels. Importantly, the **National Disaster Management Plan (2016)**, one of the first national DRR plans globally to be aligned with the Sendai Framework, highlights the vital role of education and the integration of DRR into curricula at various levels, besides outlining the role of universities as technical resource centres.

The **2018 Asian Ministerial Conference on Disaster Risk Reduction**<sup>4</sup> in Ulaanbaatar reiterated the need to incorporate disaster risk reduction education

## Annexure-I

at primary, secondary and tertiary levels and professional training. Partnering with Higher Education Institutions (HEI), universities and other science and technology communities have been envisioned for promoting innovative technology and research, facilitate capacity development, and contribute to decision-making for addressing local risks and the needs of the most vulnerable. Honourable Prime Minister of India has given 10 point agenda on disaster management.

1. All development sectors must imbibe the principles of disaster risk management.
2. Work towards risk coverage for all-starting from poor households to SMEs to multi-national corporations to nation states.
3. Encourage greater involvement and leadership of women in disaster risk management.
4. Invest in risk mapping globally. For mapping risks related to hazards like earthquakes we have accepted standards and parameters.
5. Leverage technology to enhance the efficiency of our disaster risk management efforts.
6. Develop a network of universities to work on disaster issues.
7. Utilise the opportunities provided by social media and mobile technologies.
8. Build on local capacity and initiative.
9. Opportunity to learn from a disaster must not be wasted. After every disaster there are papers on lessons that are rarely applied.
10. Bring about greater cohesion in international response to disasters.

In order to address capacity, skill and knowledge gap, the Agenda 6 stresses on the need to “*Develop a network of universities to work on disaster issues in India*”. Furthermore, the Agenda 6 envisions enhancing global & regional level actions under Priority 1 (d) in order “*To promote common efforts in partnership with the scientific and technological community, academia and*

*the private sector to establish, disseminate and share good practices internationally”.*

To address this, **India University and Institute Network for Disaster Risk reduction (IUIN-DRR)** is established with several esteemed universities in India, which come together to share knowledge resources related to disaster risk management amongst themselves and beyond to the larger group of stakeholders working on DRR.

IUIN-DRR members work in close collaboration to conduct education and research, share findings and find ways forward in a country that is increasingly at threat due to climate change impacts and disaster risks. The university members work closely with governments, international agencies and corporate and civil society organizations to establish collaborations that eventually lead to resilient communities and robust policies towards this goal. IUIN-DRR reflects each member’s commitment to implementation-oriented education and research in the field of disaster risk reduction.

This document is the operational framework of IUIN-DRR, which is discussed by the focal persons of member universities, and does not entail any legal obligations to its member universities.

### **MEMORANDUM OF ASSOCIATION**

- For first two years of MOA, network will be considered in incubation period (in the process of setting up) therefore, the proposed organization structure will be flexible and ED, NIDM will be Executive Head.
- ED, NIDM would be Chairperson of this network with final authority over all matters pertaining to the Network.
- Initial Funding would be taken care of by NIDM/ MHA/ UNISDR subject to approval of the competent authority.

- The Network will run as part of NIDM project.
- Version 2 of MOA would be drafted at later stage based on the two year experience of its implementation.

### **PART A: India University and Institute Network for Disaster Risk Reduction**

#### **Article 1. Name, Vision**

##### **1.1 Name**

**India University and Institute Network for Disaster Risk reduction (IUN-DRR)** is a network of universities and institutions undertaking education and research in the fields related to disaster risk reduction.

IUN-DRR is non-partisan and operates without discrimination in regard to race, gender, political or religious conviction and social and economic background.

##### **1.2 Vision**

Vision of the IUN-DRR is to build nation and communities safe and resilient to disasters, through education, knowledge creation, research, technology and dissemination.

#### **Article 2. Objectives**

1. To enhance recognition of the vital role of universities in implementation-oriented education and research in disaster risk reduction and related field
2. To provide a platform for interface between academia and policy across the country in different states.
3. To enhance the growth of young professionals and practitioners in disaster risk reduction

4. To document, develop and disseminate knowledge products in the field of disaster risk reduction
5. To share and work together (bilaterally or multilaterally) in promoting disaster risk reduction in higher education (focusing on, but not restricted to, post-graduate education)
6. To collaborate on field-based and policy oriented research focusing on different aspects of disaster risk reduction and related fields
7. To broaden the scope of education and learning in disaster risk reduction field through collaboration with diverse stakeholders including NGOs, private sectors, media and local governments
8. To provide a forum for consultation, information sharing and cooperation among universities on matters and themes of common interest

### **Article 3. Activities**

The activities of IUIN-DRR are:

1. To promote effective partnerships among universities across the country, in specific, and all regions of the world, in general, through education, research, dialogue, forum, project implementation, conferences and publications
2. To generate, collect, coordinate and disseminate information to people, governments, intergovernmental and non-government organizations and international and bilateral agencies
3. To facilitate and coordinate national and international advocacy on issues of major concern to IUN-DRR and its member organizations
4. To facilitate the establishment and strengthening of national professional councils and societies or other groupings of universities and research organizations with views similar to that of IUN-DRR
5. To maintain liaison with the national, state and local level designated body engaged in DRR

6. To organize meetings, forums and conferences to meet the objectives of the network

### **Article 4. Resources**

- IUIN-DRR shall obtain the funds and /or other forms of support necessary for its work through contributions, donations, grants, provided that these are not subject to conditions which are contrary to the vision and objectives of the network.
- All financial auditing will be done by the auditor appointed by NIDM.
- UNISDR's or other donors/ funder's role and their funding support should be clearly defined by Executive Committee/ NIDM/ MHA.
- The Secretarial support will be provided by NIDM.

### **Article 5. Structure**

IUIN-DRR shall have the following structure:

1. An Executive Committee will have a maximum of 15 members. It will be headed by ED, NIDM. One Faculty member from NIDM will be part of this committee. Other members will include one each of sufficient seniority from UGC, AICTE and AIU. The remaining two to four members of high credentials and established professionals and academia will be nominated/ invited. The Committee will also have one member each, from amongst the members of the Network, representing 5 different regions of the country.
2. General body of Member Universities/ Institutions (hereinafter referred to as General Assembly).
3. Other need-based committees, bodies and initiatives to be decided by the Executive Committee.
4. Coordinating NIDM Faculty would be Member Secretary of this network.
5. NIDM will house the secretariat which will be supported by consultant and secretariat staff.

## Article 6. Membership

### 6.1 Membership

The following organizations can be members of the IUN-DRR:

- National and International Universities / institutes conducting education/research and extension programs in disaster risk reduction and climate change.
- Individual- (to be opened at later stage)
- The membership will be initially open to selected/ select organizations as determined by the Executive Committee.
- Universities/ Institutions engaged in disaster risk reduction and climate change activities based on the criteria to be decided separately.
- Member universities retain their autonomy, including the right of withdrawal from the network. The Executive Committee shall decide the membership of the network. Each member university needs to submit a signed membership note with a validity of three years, along with the name of the focal person for the network. The Executive Committee can invite universities to become members.

### 6.2 New Membership

A university seeking membership of IUN-DRR shall submit its request letter to the NIDM/ Executive Committee, IUN-DRR Secretariat with information on its activities related to the network objectives. The Executive Committee will decide on the inclusion of new members.

### 6.3 Observers

1. A university or research organization that wishes to participate in, or benefit from, IUN-DRR activities, but because of constitutional constraints or reasons of principles cannot be a member, may apply for an Observer Status. The Executive Committee shall decide on the

application based on a recommendation from the NIDM/ Executive Committee.

2. Governments, intergovernmental organizations, UN, civil societies, NGO networks and other official bodies similarly interested may be invited by the Secretariat to send official observers to the General Assembly after due deliberation by the Executive Committee.

### **6.4 Membership Fees**

At present, there is no membership fee. Fees, if any, will be reviewed at later stage (after one year).

### **6.5 Termination of Membership**

The membership of a university/ institute may be suspended for good and sufficient reasons by a decision of Executive committee.

## **Part B. IUN-DRR General Assembly**

### **Article 7. Functions of the General Assembly**

The General body is the supreme body of IUN-DRR with responsibility for formulation and review of policy and programs and report on their network related initiatives. Its functions are:

1. To discuss issues and concerns of the universities in education and research on disaster risk reduction across member universities;
2. To establish and review guidelines;
3. To review past programs;
4. To suggest, adopt future programs through presentation of proposals;
5. To receive and review reports from the Executive Committee;
6. To inform, through a brief report to the Secretariat, all the network-related and proposed activities at the beginning and end of each financial/ calendar year;

7. To receive audited financial statements, as and when applicable;
8. To consider such resolutions as may be submitted by member universities;
9. To establish and mandate working groups and other ad-hoc and standing bodies;
10. To review membership and contributions/ participation of members periodically.

### **PART C. Other Structures**

#### **Article 8. Composition of the Executive Committee**

1. An Executive Committee will have a maximum of 15 members. It will be headed by ED, NIDM. One Faculty member and Secretary (Programme Director) of the Secretariat from NIDM will be part of this committee. Other members will include one each of sufficient seniority from UGC, AICTE and AIU. The remaining two to three members of high credentials and established professionals and academia will be nominated/ invited. The Committee will also have one member each, from amongst the members of the Network, representing 6 different regions of the country.
2. Members of the Executive Committee shall serve for a maximum period of two consecutive terms, each term consists of 2 years. Every two years not more than one-third of the members of the Committee could change so as to ensure continuity.
3. The Executive Committee shall meet at least once in every quarter, which may be held face to face or through appropriate communication media.
4. The Executive Committee is free to co-opt members and also may utilize the services of specialists and advisors and may participate in an advisory capacity in the meetings of the Executive Committee, without vote.
5. In the event that a member university elected to the Executive Committee by the General body decides not to serve on it, or subsequently resigns, the

Executive Committee has the power to co-opt an additional member university/ Institute to fill such vacancy.

### **Article 9. Functions of the Executive Committee**

The Executive Committee is the policy, oversight and coordinating body on behalf of the General Assembly and other bodies mentioned in these Memorandum of Association. Its functions are:

1. To establish any necessary by-laws in accordance with the Memorandum of Association;
2. To raise funds and resources for the functioning of IUIN-DRR.
3. To pass upon applications, memberships to IUIN-DRR;
4. As and when required, to determine an annual budget and exercise control thereof, as well as to receive contributions, donations and legacies, and raise funds from such sources as it deems appropriate;
5. As and when required, to establish a committee on finance and administration to review all matters pertaining to financial resources, financial management and administration;
6. To establish terms of reference, composition and time limits for any other necessary committees, working groups or task forces;
7. To suspend or terminate agencies from membership for other good and sufficient reason, as established by the Executive Committee;
8. To apply for consultative or other status, as appropriate, with intergovernmental organizations and bodies;
9. To maintain relations with national or international bodies, groups or councils of voluntary agencies;
10. To prepare the meetings of the General Assembly, including the establishment of a nominations committee for the purpose of preparing the election by the General Assembly of the Executive Committee (Valid for version 2);
11. To formulate and implement policy in line with the general guidelines adopted by the General Assembly.

## Article 10. Functions of the Secretariat

The Secretariat will be housed at NIDM and supported by NIDM. The Secretariat works under the direction of the Executive Committee. It is led and managed by the Secretary, who is directly responsible to the Executive Committee.

The roles and responsibilities of the Secretariat are:

1. To work with the Executive Committee and member agencies to achieve the purposes of the network.
2. To facilitate organizing the General Assembly.
3. To facilitate the formulation of and implement with the authorization of the Executive Committee, policies, programmes and priorities identified by the General Assembly, the Executive Committee and other IUIN-DRR bodies, where appropriate.
4. To help define issues and recommend priorities in consultation with the membership on concerns that may warrant the attention/action of network's constituent bodies;
5. To propose specific activities to the Executive Committee;
6. As and when applicable, to manage the programs and finance of the network and report regularly to the Committee on Finance and Administration and Executive Committee;
7. To liaise and, when authorized by the Executive Committee, represent the Council with relevant governmental, intergovernmental and non-governmental organizations as appropriate in achieving network goals;
8. To facilitate and service the constituent IUIN-DRR bodies and other network meetings;
9. To provide services to members and other organizations as authorized by the Executive Committee;
10. To develop publications and outreach materials with its member universities;

- 11.To host the website and update the information contained therein; and
- 12.To promote membership of the network

### **PART D. GENERAL**

#### **Article 11. Language**

The working language of IUIN-DRR shall be English.

#### **Article 12. Amendments of Statutes (No voting for first two years)**

The Statutes may be amended in accordance with the following procedure:

1. A proposal for amendment may be submitted in writing to the Secretariat, either by a member of IUIN-DRR or by the Executive Committee, not later than thirty days prior to the opening of any meeting of the General Assembly. General Assembly will be announced with at least 60 days prior notice.
2. Any such proposal shall be submitted in writing to all IUIN-DRR members at least thirty days prior to the General Assembly;
3. Proposed amendments shall be accepted upon its adoption by the members present and voting;
4. Amendments so adopted enter into effect at the close of that General Assembly.

#### **Article 13. Review**

The performance of network will be reviewed after two year and accordingly version 2 would be submitted to the MHA and General Assembly.

# Post-COVID Transitioning of Children from Home to Schools: A Psycho-Social Perspective

**TUESDAY, 31 MAY 2022**  
**03:00 PM - 05:30 PM**

## PATRONS

**Shri Taj Hassan, IPS**  
Executive Director  
NIDM, MHA, GoI

**Shri H R Bakhru**  
President, Sindhi Hindi  
Vidya Samiti

**Dr. Vinky Rughwani**  
Chairman, Sindhi Hindi  
Vidya Samiti

**Dr. I P Keswani**  
General Secretary, Sindhi  
Hindi Vidya Samiti

## SUPERVISION & GUIDANCE

**Prof. Santosh Kumar**  
Project Director, CCDRR  
NIDM, MHA, GoI

**Shri Neeraj Bakhru**  
Secretary (College Affairs),  
Sindhi Hindi Vidya Samiti

**Dr. V M Pendsey**  
Officiating Principal,  
DRB Sindhu Mahavidyalaya

## SPEAKERS

**Dr. Kumar Raka**  
Program Officer  
CCDRR, NIDM

**Ms. Namrata Sharma**  
JRO, CCDRR  
NIDM

**Ms. Mansi Sharma,**  
Rehabilitation and  
Child & Adolescent Psychologist

## COORDINATORS

**Mr. Ranjan Kumar**  
Project Associate, CCDRR,  
NIDM

**Mr. N M Agrawal**  
Registrar, D. R. B. Sindhu  
Mahavidyalaya

**Register here:**

Sindhu Mahavidyalaya, Nagpur-47

## Workshop Report

1. **Name of the Programme** – Post-COVID Transitioning of Children from Home to Schools: A Psycho-Social Perspective
2. **Date and Time-** 31-05-2022 (03:00 pm- 05:30 pm)
3. **Brochure & Banner:** Attached
4. **No. of Participants:** 293
5. **Background:**

Children under the age of 18 years make up for a huge part of the population in this entire world. Children are often the first and most affected when environmental, technological or biological hazards strike. All children, of all ages, and in all countries, are being affected, in particular by the socio-economic impacts and, in some cases, by mitigation measures that may inadvertently do more harm than good. Moreover, the harmful effects of this pandemic will not be distributed equally. They are expected to be most damaging for children in the poorest countries, and in the poorest neighborhoods, and for those in already disadvantaged or vulnerable situations. Disasters disproportionately impact them their physical and mental health; nutritional needs to grow and thrive; access to education and decent work; economic opportunities; exposure to violence or trafficking; and choices of where they can safely live, study, play, grow and build community. One of the major areas of a child's life that is impacted is education. During disasters it becomes evident that education becomes the secondary requirement for any family. Food, water and shelter being the primary and most vital aspects to survive during disasters. Psychological as well as physical impacts in children became visible after the initial months of lockdown during the pandemic. The sedentary lifestyle began causing major mood swings, physical lethargy, lack of interest in activities and withdrawn behavior in many children. With decreasing number of case it has now become extremely important for children to resume their life routine which involves returning back to schools. Returning to school is important because children need in-person learning and social interactions for their overall development and their social and emotional wellbeing. Just as there are multiple channels through which the pandemic is affecting children, so there are multiple dimensions to its impact on the young. The effects could be grouped into four parts: 1) falling into poverty; 2) learning; 3) survival and health; and 4) safety.

  
Officialing Principal  
Dada Ramchand Bakhru  
Sindhu Mahavidyalaya, Nagpur-47

The programme was focussed on sharing impact of Post-COVID Transitioning of Children from Home to Schools among participants and enhance capacity building for better preparedness, planning and mitigation measure for well being of children to cure from mental issues.

## 6. Objectives

- To introduce drawbacks and mental health issues caused due to difficulties in adjusting to new environments.
- To understand the concerns faced by children going through adjustment from homes to schools..
- To learn how to manage stressors and faulty adjustment patterns using techniques shared by therapists.
- To describe the role of teachers and parents in smoother transition to schools of children from home to schools.

## 7. Eminent Experts:

- Ms. Mansi Sharma, Rehabilitation and Child & Adolescent Psychologist
- Ms. Namrata Sharma, JRO, CCDRR, NIDM

## 8. Key Takeaways

- Experts stated some major challenges associated with back to school behaviour such as socio-emotional support, fear and anxiety(major symptoms), parent adjustment, adjusting to the environment and restoring the routine of children.
- Psychological and social Consequences might follow after the schools reopen such as unstable self image, disturbed interpersonal relationships, mood instability, sense of perfectionism, attachment/ abandonment concerns and recurring behavioural problems in school.
- Experts also pointed towards another side of this issue, which is the challenges faced by parents. These may be becoming over possessive, hyper vigilance and fear of sending the child to school, worries about bullying and detachment from group of friends because of long distance since covid.

  
Officialing Principal  
Dada Ramchand Bakhru  
Sindhu Mahavidyalaya, Nagpur-47

- Some expert coping methods were introduced by the speaker that may contribute in positive transitioning as well. Having open discussions and communication, exploring the worry areas, understanding emotions, facing the fears and listening to validate and solve their problems.
- She also laid emphasis on the role of teachers in a smoother transitioning of the children from homes to schools. She mentioned the significance of preparation of teachers by conducting some rapport building activities. She also talked about noting some warning signs that may further lead to psychological concerns.
- The changes in classroom or school policies also play an important role in making this transition easier. Strengthening committees ( counselling committees etc), availability of professional help, peer support, developing new rules, initiating creative channels to vent and being good role models were some key points mentioned by experts.

## 9. Programme Schedule

Time	Topic	Resource Person
03:00-03:25	Welcome Address (03 Minutes)	Dr. V.M. Pemdsey Officiating Principal Dada Ramchand Bakhru Sindhu Mahavidyalaya

**BACKGROUND**

Children under the age of 18 years make up for a large part of the population in the world. Children are often the first and most affected when environmental, technological or biological hazards strike. All children, of all ages and in all situations, are being affected, in particular by the socio-economic impact and, in some cases, by adaptive measures that may inadvertently do more harm than good. Moreover, the harmful effects of the pandemic will not be distributed equally. They are expected to be most damaging for children in the extreme situation, and in the poorest neighbourhoods, and for those who are already disadvantaged or vulnerable situations. Disaster disproportionately impact those that are physically and socially disadvantaged, especially those in poor and their access to education and disaster work, economic opportunities, exposure to violence or trafficking, and choices of where they can safely live, study, play, grow and build community. One of the major areas of a child's life that is impacted is education. During pandemic, it becomes evident that

education between the extraordinary requirements for any family. From, school and during during, the process and most vital aspects to survive during disaster. Psychological as well as physical impact on children become more after the actual growth of children during the pandemic. The children's lifestyle began changing, the school started, physical and mental health of children in various and children's behavior in many children. With increasing number of cases has now become extremely important for children to ensure that life continues which involves returning back to schools. Remaining in school is important because children need to pursue learning and social interaction for

**Objectives**

- To introduce disaster risk and mental health issues related to the difficulties in adjusting to new environments.
- To understand the common threat by children, from through adjustment from disaster in schools.
- To have how to manage stressors and daily adjustment patterns using techniques shared by disaster.

To discuss the role of teachers and parents in smoother transition to schools of children from home to schools.

(Ministry of Home Affairs Govt. of India)

# Online Training Programme on Child Centric Disaster Risk Reduction

**Date: November 28-30, 2020**

**Time: 11:00 AM - 1:00 PM**

## BACKGROUND OF THE PROGRAMME

National Institute of Disaster Management (NIDM), New Delhi and Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra) successfully organized a **03 Days online training programme on, "Child Centric Disaster Risk Reduction"** on 28th to 30th November 2020 (1100-1300Hrs). **Shri Ranjan Kumar**, CCDRR, NIDM was the **Course Coordinator** and **Mr. Naveen Maheshkumar Agrawal**, Registrar, Dada Ramchand Bakhru Sindhu Mahavidyalaya was the **Convenor** for the event.

Recently the Ministry of Ministry of Home Affairs, Govt. of India has issued guidelines for re-opening of school from 15 October 2020, keeping in background the Disaster Management Act, 2005. At this time of COVID 19, children are the biggest victims affected by the global pandemic. Shreds of evidence posit that a range of health and psychological risks engendered due to closures of school and children related services. Moreover, the impacts of harmful effects of COVID 19 are most damaging for children belonging to the marginalised sections who are already in a vulnerable situation. Children and their families are experiencing a range of ordeals due to the lockdown of the economy, closure of institutions meant for children and limited or no access to healthcare and other essential services required for children. The available evidence indicates the direct impact of COVID-19 on child and adolescent mortality to be very limited, but the indirect effects on child survival stemming from strained health systems, household income loss, and disruptions to care-seeking and preventative interventions like vaccination may be substantial and widespread across the world (UNISEF, 2020). In India, to contain the upcoming exigencies during this unlocking procedure a proper training and capacity building related to Child Centric Disaster Risk Reduction is the need of the hour.

COVID-19 has put a huge challenge in training and capacity building in terms of constraints related to social distancing. Training and awareness-building during new normal situations require an alternative and effective arrangement for timely COVID-19 response. Training at the time of pandemic is widely considered to be a powerful instrument for building the capacities of functionaries by enhancing and upgrading their knowledge, skills and competencies on a regular and periodic basis. At this crucial time, training through

online modules can be a liberator for building capacities of stakeholders serving the children directly or indirectly.

Keeping in view the increasing vulnerability of children to disasters, **Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra)** in collaboration with the **National Institute of Disaster Management** (Ministry of Home Affairs, Government of India) is organised an **Online Training Programme on 'Child Centric Disaster Risk Reduction' (CCDRR)** during 28 to 30 November 2020.

### **NAME OF THE PROGRAMME**

Three Day Online Training Programme on 'Child Centric Disaster Risk Reduction' (CCDRR).

### **DATE AND TIME**

28-30, November 2020 (Three Day) 11 AM to 01 PM

### **AIM OF THE TRAINING**

This 3 Days Training Programme on Child Centric Disaster Risk Reduction is intended for Teachers, officials of State level sectoral departments, Administrative Training Institutions and civil society practitioners to help build their knowledge, skills and perspectives towards child centric disaster risk reduction. This will help officials understand and prepare for risk informed planning, sectoral readiness and preparedness for emergencies so as children are not deprived of basic amenities.

### **OBJECTIVES OF THE PROGRAMME**

The objectives of the three-day online programme were to sensitize and expand knowledge among the participants. The salient objectives were to:

- Explain the impacts of disaster on children
- Can identify and list children rights- national and international for the protection of the children
- Explain the process of mainstreaming child-centric risk management
- Describe the life cycle approach and risk-informed approach for child-centric risk reduction
- Draft and apply strategies for school safety with the engagement of children
- Explain the Disaster impact on mental health of the Children

## **PROGRAMME COURSE CONTENTS**

This Online Course has two modules and contents the following aspects related to Child Centric Disaster Risk Reduction

### **Module -1: Children and Disaster**

- Basic Concepts of Disaster Risk Management
- Do's and Don'ts for covid-19
- Hazard, Risk and Vulnerability Profile of India
- Disaster Impact on Children: Sectorial Overview
- Protecting Child Rights in Disaster
- International Commitments to CCDRR

### **Module -2: Understanding Child Centric Disaster Risk Reduction**

- Introduction to CCDRR
- Reducing Vulnerabilities & Enhancing Capacities of Children: Group Exercise
- Life Cycle Approach
- Risk Informed Programming
- Protecting Children In Emergency
- Mental Health Issues in Emergencies
- Child Participation in DRR
- School Safety

## Programme Schedule

Date: 28<sup>th</sup> - 30<sup>th</sup> November 2020  
Hrs.

Time: 11.00am-13.00pm

S.NO	Time	Subject	Facilitator
<b>Day-1</b>			
1	11.00-11.05	Inaugural Address	Shri H.R. Bakhru President, Sindhi Hindi Vidya Samiti
2	11.05-11.10	Opening remarks	Prof. Santosh Kumar Prof.& Head, CCDRR, NIDM
3	11.10-11.20	Keynote Address	Major General Manoj Kumar Bindal, VSM Executive Director, NIDM
4	11.20-11.25	Special Address	Dr. Vinky Rughwani, Chairman, Sindhi Hindi Vidya Samiti
5	11.25-11.30	Special Address	Dr. I.P. Keswani General Secretary, Sindhi Hindi Vidya Samiti
6	11.30-12.00	Do's and Don'ts of Covid-19	Dr. Kumar Raka CCDRR, NIDM
7	12.00-13.00	Basic Concepts of Disaster Risk Management	Ranjan Kumar CCDRR, NIDM
<b>Day-2</b>			
8	11.00-12.00	Introduction to CCDRR	Ranjan kumar CCDRR, NIDM

<b>Day-3</b>			
10	11.00-12.00	Home to Home School Safety with Special Focus COVID-19	Dr Kumar Raka
11	12.00-12.40	Disaster Impact and Life Cycle of Children	Dr Balu I

12	12:40-12:55	Valedictory Session	DRBSMV Prof. Santosh Kumar, NIDM Shri Ranjan Kumar, NIDM
----	-------------	---------------------	--

13	12:55-1:00	Vote of Thanks	Shri Naveen Agrawal
----	------------	----------------	---------------------

#### METHODOLOGY

The training was organised in English and Hindi language using the online platform ZOOM & YOU Tube. The Methodology is participatory in nature and used interpersonal communication techniques to help make the training more interactive. For a better conceptual understanding of Disaster Risk Reduction, the resource persons used the Power Point presentation and case studies of disaster mitigation. Every discussion session was followed by a question-answer session and the questions raised by the participants were discussed by the resource persons.

#### PROCEEDING OF THE PROGRAMME (28 to 30 November, 2020)

On the first day of the training programme, we had three sessions, inaugural and two technical sessions. While inaugurating the training program organized under the guidance of NIDM's Executive Director **Major General Shri. Manoj Kumar Bindal**, the President of Sindhi Hindi Vidya Samiti **Shri H.R. Bakhru** said that the Covid 19 pandemic has adversely affected the education system of the entire world, including India. Schools have been closed for a long time, so the dropout rate has increased. That is why the CCDRR topic is very relevant all over the world in the current situation.

Head of GIDRR Department, NIDM **Prof. Santosh Kumar** in his opening remark said that children have their own specific needs and challenges. They should also be given the opportunity to express what they want in times of disaster, they should be allowed to express themselves. Special attention needs to be paid to how children can reduce any risk on their own.

Sindhi Hindi Vidya Samiti Chairman **Dr. Vinki Rughwani** explained the

adverse effects of Covid on the mental state of children.

General Secretary of Sindhi Hindi Vidya Samiti **Dr. I.P. Keswani** said "Prevention is better than cure,". Therefore, it is necessary to work on what measures can be taken to prevent future disasters.

The introductory speech was delivered by **Mr. Ranjan Kumar**, NIDM Program Coordinator. **Dr. Santosh V. Kasbekar**, Officiating Principal of DRB Sindhu Mahavidyalaya and **Dr. Kumar Raka**, Program Officer of NIDM, **Dr. Satish Tewani**, **Dr. A.G. Thadani** & **Mr. V.B. Patil**, Vice Principals of DRB Sindhu Mahavidyalaya were present in prominence.

A total of 6 technical sessions were conducted in this three-day training program in which subject expert **Shri. Ranjan Kumar** and **Dr. I. Balu** from NIDM and Counseling Psychologist **Ms. Namrata Sharma** from YWCA of Delhi gave Guidance on important topics such as the Do's and Don'ts of Covid-19, basic concepts of disaster risk management, introduction of CCDRR, mental health of children in the time of disaster, Home to Home School Safety with Special Focus COVID-19, Disaster impact and life cycle of children, protection of children's rights in disaster, Disaster Impact on Children: Sectorial Overview, International Commitment to CCDRR, participation of children in disaster risk reduction.

The participants actively participated in all the sessions. This was followed by a Q & A session; where in queries of participants were handling by technical experts. The participants gave an excellent feedback about the contents of the programme and the way of explaining and interaction.

The program was moderated by **Dr. Jayant Walke**, Assistant Professor, DRB Sindhu Mahavidyalaya, while **Mr. Naveen Maheshkumar Agrawal**, **Registrar of college and Convenor**, proposed the vote of thanks.

## KEY TAKE AWAYS FROM THE PROGRAMME

It is learned from this CCDRR training that, disaster risk reduction required a basic understanding of mitigation, preparedness, prevention during any disaster planning and it is most necessary during a biological disaster like COVID-19.

The discussion during the CCDRR programme provided necessary ways for reconstruction, recovery, resilience approach to fighting a post-disaster situation. Participants have gained knowledge, how to recover from COVID 19 with an orientation of CCDRR.

The presentation during the CCDRR programme highlighted the different essential behaviour for containment of the spread of COVID 19 (i) norms for physical distancing (ii) hand washing (iii) avoidance of crowded places (iv) wearing of a mask (v) healthy hygiene behaviour during COVID 19 spread.

The discussion during the programme highlighted that children should (i) maintain safe distance during meeting with outsider (ii) practice regular hand washing (iii) Involve in indoor games and (iv) avoid socializing with other to contain the COVID 19 spread.

To CCDRR training programme highlighted that the loss of lives for children has been higher than adults, therefore adequate preparedness activities should be there in places delivering services to children especially while reopening of schools.

Children's health is more vulnerable in a disaster for biophysical reasons and careful planning is needed to reduce casualties during a disaster. During COVID 19 period every institution should re-plan their disaster response plan according to the government directives.

It is also highlighted that disaster risk can be best addressed if situation analysis for development-programme formulation considers age and gender-related needs.

It discussed during the programme that social norms/practices such as gender discrimination, child marriages, child labour, etc. get accentuated during disasters and effects different life-phases of children. The allied institution should prepare a detailed plan of

action to contain these social vices.

Discussion during the programme highlighted that updating or developing revised school emergency and contingency plans for the opening of school during this post- COVID 19 period are necessary.

Discussions on school reopening underlined that to restore the physical, social, and temporal environment of schools, a different plan of action can be implemented with the discussions with stakeholders of the schools. i.e., administration, staff, children, and parents.

The training programme highlighted the need for the installation of hand washing stations with soap and water in each classroom, at entrances and exits, and near lunchrooms and toilets before the opening of schools.

It is also learned by the participants that sharing of information with staff, caregivers, and students, providing updated information on the disease situation, including prevention and control efforts at school for trust building among stakeholders.

It is also learned by the participants that trust can be built upon with re-structuring of roles and mobilization among the stakeholders with the learning ecosystem of the schools.

## **PARTICIPANTS**

During this three-day online training programme 1200 participants registered for the programme. **1030 distinguished dignitaries, delegates and participants attended the programme on zoom platform & live Youtube streaming.** However, **544 participants have given a certificate for participating** in the three-day programme. **Participants from almost all states of India as well as from 20 countries**, including Philippines, Sri Lanka, Uzbekistan, Nepal, Bangladesh, Bhutan, Pakistan, Nigeria, Malaysia, Myanmar, Iraq, Egypt, Hong Kong, Ethiopia, Cambodia, Rwanda, Mozambique, Saudi Arabia, Gambia and Morocco, **made the training program as an international level.**

## 3-day training on 'Child Centric Disaster Risk Reduction' held

■ "The COVID-19 pandemic has adversely affected the education system across the world," says H R Bakhru

■ Staff Reporter

NATIONAL Disaster Management Institute and Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur jointly conducted a three-day training programme on Child Centric Disaster Risk Reduction (CCDRR) recently.

H R Bakhru, President of Sindhi Hindi Vidya Samiti said, "The COVID-19 pan-

demis has adversely affected the education system of the entire world. The dropout rates has increased. Therefore, the CCDRR topic is very relevant all over the world in the current situation."

Major General Manoj Kumar Bindal, Executive Director, NIDM presided over the inaugural function.

Prof Santosh Kumar, Head of GIDRR Department, NIDM said, "Children have their own specific needs and challenges. They should also be given the opportunity to express what they want in times of disaster."

Dr Vinky Rughwani, Chairman, Sindhi Hindi Vidya Samiti also shared his views

during the event. Dr I P Keswani, General Secretary, Sindhi Hindi Vidya Samiti; Ranjan Kumar, Programme Coordinator, NIDM; Dr Santosh Kasbekar and Dr Kumar Raka also shared the dais during the event.

A large number of people participated from different countries like Philippines, Sri Lanka, Uzbekistan, Nepal, Bangladesh, Bhutan, Pakistan, Nigeria, Malaysia, Iraq, Egypt, Hong Kong, Ethiopia, Cambodia, Rwanda, etc.

A total of six teaching sessions were conducted in this three-day training programme. Ranjan Kumar, Dr I Balu, Namrata Sharma provided guidance on

important topics. Dr Jayant Walke, Assistant Professor, DRB Sindhu Mahavidyalaya conducted the programme. Naveen Agrawal proposed a vote of thanks. Dr V M Pendsey, Dr Anuradha Poddar, Dr Sangita Rughwani, Ajay Mundhra, Dr A A Qureshi, Dr G G Rughwani, Dr M M Shinkhede, Dr Y V Bhute, Dr R R Khapekar, Dr Ratna Sarkar, Dr Sujata Mankar, Dr Leena Chandnani, Dr R L Meshram, Dr M H Kaushik, Dr S L Dahire, Dr M L Wanjari, Dr Sudhanshu Kharkate, Dr Sapna Tiwari, Dr Suman Keswani, Dr Zeenat Kashmiri, Dr Pinky Sonarghare and others worked hard for the success of the event.

कोरोना का असर

## दुनियाभर में शैक्षणिक प्रणाली को प्रभावित किया

■ 3 दिवसीय प्रशिक्षण कार्यक्रम में बाखरू ने कहा

नगर प्रतिनिधि | नागपुर. कोरोना महामारी का दुनियाभर की शैक्षणिक प्रणाली पर बहुत अधिक विपरीत प्रभाव पड़ा है। पाठशालाओं को बहुत लंबे समय के लिए स्थगित कर दिया गया। इस वजह से बच्चों के स्कूल छोड़ने का प्रमाण बढ़ा है। इसलिए वर्तमान परिदृश्य में पूरी दुनिया में सीसीडीआरआर विषय बहुत प्रासंगिक है। यह बात सिंधी हिंदी विद्या समिति के अध्यक्ष एच.आर. बाखरू ने कही। वह बाल केंद्रित आपदा जोखिम न्यूनीकरण पर आयोजित 3 दिवसीय प्रशिक्षण

कार्यक्रम में बोल रहे थे। इसमें 20 देश के एक हजार से अधिक लोगों ने भाग लिया। इस अवसर पर एनआईडीएम के जीआईडीआरआर विभाग प्रमुख प्रो. संतोष कुमार ने कहा कि बच्चों की अपनी विशिष्ट जरूरतें और चुनौतियां होती हैं उन्हें खुद को व्यक्त करने की अनुमति देनी चाहिए। सिंधी हिंदी विद्या समिति के चेयरमैन डॉ. विंकी रुघवानी ने कोविड के बाद बच्चों की मानसिक स्थिति पर होने वाले विपरीत प्रभावों को उदाहरण के माध्यम से समझाया। इसके अलावा डॉ.आई.पी.केसवानी, रंजन कुमार, डॉ.संतोष वी. कसबेकर, डॉ.कुमार रका प्रमुख रूप से उपस्थित थे।

## मुलांनाही व्यक्त होण्याची संधी द्या : संतोषकुमार

### राष्ट्रीय आपत्ती व्यवस्थापन संस्थेतर्फे प्रशिक्षण

#### पुण्य नगरी / प्रतिनिधी

नागपूर : मुलांना त्यांच्या स्वतःच्या विशिष्ट गरजा व आव्हाने असतात. त्यांनाही आपत्तीच्या वेळी जे हवे ते व्यक्त करण्याची संधी दिली पाहिजे. त्यांना स्वतःला व्यक्त करण्याची परवानगी दिली पाहिजे. मुले स्वतःहून कोणताही धोका कसा कमी करू शकतात, यावर विशेष लक्ष देणे आवश्यक आहे, असे आवाहन एनआयडीएमचे प्रमुख संतोष कुमार यांनी केले.

राष्ट्रीय आपत्ती व्यवस्थापन संस्था, गृह मंत्रालय, भारत सरकार (नवी दिल्ली) व दादा रामचंद्रबाखरू सिंधू महाविद्यालय यांच्या संयुक्त विद्यमाने बाल-केंद्रीत आपत्ती जोखिम कमी (सीसीडीआरआर) विषयावरील तीनदिवसीय आवोजित प्रशिक्षण कार्यक्रमात ते बोलत होते. एनआयडीएमचे कार्यकारी संचालक मेजर जनरल मनोजकुमार बिंदल यांच्या उपस्थितीत उद्घाटन करण्यात आले. वाघसंगी एच. आर.

बाखरू म्हणाले, लॉकडाउनमुळे शाळा सोडल्याचे प्रमाण वाढले आहे. म्हणूनच सध्याच्या परिस्थितीत 'सीसीडीआरआर' विषय संपूर्ण जगात अतिशय संबंधित आहे. डॉ. विकी रूघवानी यांनी कोविडनंतर मुलांच्या मानसिक स्थितीवर होणारे दुष्परिणाम उदाहरण देऊन स्पष्ट केले.

डॉ. आय. पी. केसवानी म्हणाले, उपचार करण्यापेक्षा बचाव करणे चांगले. म्हणूनच भविष्यातील आपत्ती टाळण्यासाठी काय उपाययोजना करता येतील, यावर कार्य करणे आवश्यक आहे.

रंजनकुमार, डॉ. आय. बाळू, नम्रता शर्मा यांनीही मार्गदर्शन केले. यावेळी डॉ. संतोष कसबेकर, डॉ. कुमार राका उपस्थित होते.

प्रास्ताविक रंजन कुमार यांनी केले. संचालन डॉ. जयंत वाळुंके यांनी केले तर आभार नवीन महेशकुमार अग्रवाल यांनी मानले. यशस्वितेसाठी व्ही. बी. पाटील, डॉ. व्ही. एम. पेंडसे, डॉ. अनुराधा पोद्दार, अजय मुंदडा, डॉ. एम. एम. शिनखेडे, डॉ. वाई. व्ही. भुते, डॉ. आर. आर. खापेकर, डॉ. रत्ना सरकार, डॉ. सुजाता मानकर आदींनी परिश्रम घेतले.

कोविड-19 : बार केंद्रित आपदा जोखिम विषय पर आयोजन

# बाल केंद्रित आपत्ती व्यवस्थापन प्रशिक्षणाला प्रतिसाद

केंद्रीय गृहमंत्रालय व सिंधू महाविद्यालयाचे आयोजन

देशोन्नती वृत्तसंकलन...

नागपूर ■ केंद्रीय गृहमंत्रालयाअंतर्गत राष्ट्रीय आपत्ती व्यवस्थापन संस्था आणि दादा रामचंद्र बाखरूसिंधू महाविद्यालय यांच्या संयुक्त विद्यमाने बाल केंद्रित आपत्ती जोखीम कमी करण्याबाबत तीन दिवसांचे प्रशिक्षण शिबिर आयोजित करण्यात आले होते. या शिबिराला भारतासह २० देशांचे एक हजारपेक्षा अधिक प्रतिनिधी उपस्थित होते.

या प्रशिक्षणाचे आयोजन एनआयडीएमचे कार्यकारी संचालक मेजर जनरल मनोजकुमार बिंदल यांच्या मार्गदर्शनात करण्यात आले होते. त्याचे उद्घाटन सिंधी हिंदी विद्या समितीचे अध्यक्ष एच. आर. बाखरू यांच्या हस्ते करण्यात आले. यावेळी डीआरबी सिंधू महाविद्यालयाचे कार्यकारी प्राचार्य डॉ. संतोष व्ही. कसबेकर व एनआयडीएमचे प्रोग्रॅम अधिकारी डॉ. कुमार राका उपस्थित होते.

यावेळी अध्यक्ष बाखरू म्हणाले की, कोविडच्या साथीमुळे भारतासह संपूर्ण जगात शैक्षणिक क्षेत्रावर व्यापक परिणाम झाला. खूप दिवसांपासून शाळा- महाविद्यालये बंद आहेत. त्यामुळे शाळा सोडणाऱ्या मुलांचे प्रमाण वाढले आहे. या परिस्थितीत सीसीडीआरआरबाबत

संपूर्ण जगात जनजागृती करण्याची गरज निर्माण झाली आहे. यावेळी प्रा. संतोष कुमार यांनीही मार्गदर्शन केले. प्रशिक्षणाचे संयोजक व महाविद्यालयाचे अधीक्षक नवीन महेशकुमार अग्रवाल यांनी कार्यक्रमाची भूमिका मांडली. तीन दिवसांच्या प्रशिक्षणात सहा तांत्रिक सत्रे झाली. त्यामध्ये एनआयडीएमचे रंजन कुमार व डॉ. आय बाबू आणि मनोविकास सल्लागार नम्रता शर्मा यांनी मुलांच्या मानसिक व शारीरिक आरोग्याबाबत मार्गदर्शन केले. संचालन प्रा. जयंत वाळके यांनी तर आभार कार्यक्रम समन्वयक नवीन अग्रवाल यांनी मानले.

यावेळी देशातील सर्व राज्यांचे प्रतिनिधी, फिलिपाईन्स, उझबेकिस्तान, नेपाळ, बांग्लादेश, भूतान, पाकिस्तान, नायजेरिया, मलेशिया, म्यानमार, इराक, इजिप्त, श्रीलंका, कंबोडिया, रवांडा, मोझांबिक, सीदी अरेबिया आदींसह २० देशांचे प्रतिनिधी उपस्थित होते.

## बालकेंद्रित आपत्ती जोखीम कमी करण्यावर प्रशिक्षण

◆ नागपूर, ३ डिसेंबर

राष्ट्रीय आपत्ती व्यवस्थापन संस्था, गृह मंत्रालय, भारत सरकार आणि दादा रामचंद्र बाखरू सिंधू महाविद्यालय यांच्या संयुक्त विद्यमाने बाल केंद्रित आपत्ती जोखीम कमी करण्याच्या विषयावर तीन दिवसीय प्रशिक्षण कार्यक्रम नुकताच पार पडला.

कार्यक्रमाचे उद्घाटन एनआयडीएमचे कार्यकारी संचालक मेजर जनरल मनोजकुमार बिंदल यांच्या मार्गदर्शनात सिंधी हिंदी विद्या समितीचे अध्यक्ष एच. आर. बाखरू यांच्या हस्ते झाले. कोविड १९ साथीचा भारतासह संपूर्ण विश्वातील शैक्षणिक व्यवस्थेवर खूप प्रतिकूल परिणाम झाला आहे. शाळा बऱ्याच काळासाठी बंद आहेत. त्यामुळे शाळा सोडण्याचे मुलांचे प्रमाण वाढले आहे. म्हणूनच सध्याच्या स्थितीत सीसीडीआरआर विषय संपूर्ण जगात अतिशय महत्त्वाचा असल्याचे बाखरू यांनी सांगितले.

जीआयडीआरआर विभाग एनआयडीएमचे प्रमुख प्रा. संतोषकुमार यांनी सांगितले की, मुलांच्या त्यांच्या विशिष्ट गरजा आणि आव्हाने असतात. त्यांनाही आपत्तीच्या वेळी जे हवे ते व्यक्त करण्याची संधी दिली पाहिजे. त्यांना

स्वतःला व्यक्त करण्याची परवानगी दिली पाहिजे. मुले स्वतःहून कोणताही धोका कसा कमी करू शकतात यावर विशेष लक्ष देणे आवश्यक असल्याचे त्यांनी सांगितले. यावेळी समितीचे सरचिटणीस डॉ. आय. पी. केसरवानी यांनी देखील मार्गदर्शन केले.

तीन दिवस चाललेल्या प्रशिक्षण कार्यक्रमात एकूण सहा तांत्रिक सत्रे झालीत. ज्यात तज्ज्ञ वक्ते रंजन कुमार, डॉ. आय. बाळू, नम्रता शर्मा यांनी विचार व्यक्त केले. प्रशिक्षण कार्यक्रमाचे संयोजक व सिंधू महाविद्यालयाचे रजिस्ट्रार नवीन महेशकुमार अग्रवाल यांनी झूम व्यासपीठावरील प्रतिष्ठित मान्यवर आभासी पद्धतीने या कार्यक्रमास जुळणाऱ्यांबाबत त्यांनी माहिती दिली. एनआयडीएम कार्यक्रमाचे समन्वयक रंजन कुमार यांनी प्रास्ताविक केले. यावेळी सिंधू महाविद्यालयाचे प्राचार्य डॉ. संतोष कसबेकर, एनआयडीएम कार्यक्रमाचे अधिकारी डॉ. कुमार राका उपस्थित होते. भारतासह फिलिपिन्स, श्रीलंका, नेपाळ, बांगलादेश, भूतान, मलेशिया, म्यानमार, इराक आदी देशातील प्रतिनिधी कार्यक्रमास आभासी पद्धतीने सहभागी झाले आहे.

# Three Days Online Training Programme on Child Centric Disaster Risk Reduction

28<sup>th</sup> - 30<sup>th</sup> Nov. 2020  
11.00-13.00 Hrs

## Patron

**Maj. Gen. Manoj Kr. Bindal**  
Executive Director, NIDM

**Shri H.R. Bakhru**, President  
Sindhi Hindi Vidya Samiti

**Dr. Vinky Rughwani**, Chairman  
Sindhi Hindi Vidya Samiti

**Dr. I.P. Keswani**, General Secretary  
Sindhi Hindi Vidya Samiti

## Guidance

**Prof. Santosh Kumar**  
Prof & Head, GiDRR NIDM

**Dr. Santosh Kasbekar**  
Officiating Principal,  
DRBSMV

**Dr. Kumar Raka**  
Programme Officer,  
CCDRR, NIDM

## Team Leader

## Course Coordinator

**Shri Ranjan Kumar**  
CCDRR, NIDM

**Shri Naveen Maheshkumar Agrawal**  
Registrar, DRBSMV

## Convenor

## Organized by:

Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra)

## In Association With:

CCDRR Centre, National Institute of Disaster Management  
Ministry of Home Affairs, Government of India

## PROGRAMME DETAILS

This training programme is scheduled for 3 days. It is based on e-learning module covering 2 hours each day during the programme.

## REGISTRATION

Participants will have to fill up and submit the on line registration google form for the course. The registration link will be provide by Convenor

## LEARNING METHODS

Zoom/ You Tube Online E-platform will be used for this programme. All the participants are requested to install “Zoom”. Meeting application in your mobile or desktop. The webinar would be conducted through power point presentation by the speaker/experts

## EVALUATION OF THE PROGRAMME

Before end of the programme, the participants will be provided with online evaluation form in a group. Evaluation form is mandatory for all the participants to be filled

## CERTIFICATE

E-certificate will be issued to the participants after completion of programme.

## VENUE OF THE PROGRAMME

E-Training Platform: Zoom/ You Tube Live

## COURSE COORDINATOR

Shri Ranjan Kumar, CCDRR NIDM

## CONVENOR

Shri Naveen Maheshkumar Agrawal  
Registrar,  
Dada Ramchand Bakhru Sindhu Mahavidyalaya  
Email: smv.registrar@gmail.com, Ph: 9273301557

## ABOUT NIDM

National Institute of Disaster Management (NIDM), Ministry of Home Affairs, and Government of India is a premier institute and a Statutory Body (under Disaster Management Act, 2005) for training, research, documentation, awareness and human resources and capacity development in the field of disaster mitigation and management in India and in the region.

## ABOUT D.R. B. Sindhu Mahavidyalaya

Dada Ramchand Bakhru Sindhu Mahavidyalaya made its existence in July 1971 by the vision & dedication of Sindhi Hindi Vidya Samiti in the most remote part of Nagpur city i.e. Panchpaoli where most socioeconomically backward community inhabits. It had given a commendable uplift to the society around and still it functions as a source of hope to these people of Nagpur. Sindhi Hindi Vidya Samiti's selfless work for the minorities and weaker sections were imparting commendable social service in the field of education with the main theme as “Live to Serve”. It had contributed in all areas of the need of the society since its inception 1971 by imparting knowledge, including human values.

## PATRONS

Major General Manoj Kumar Bindal,  
VSM Executive Director, NIDM

Shri H.R. Bakhru  
President, Sindhi Hindi Vidya Samiti

Dr. Vinky Rughwani  
Chairman, Sindhi Hindi Vidya Samiti

Dr. I.P. Keswani  
General Secretary, Sindhi Hindi Vidya Samiti

## GUIDANCE

# 3 Days Training On Child Centric Disaster Risk Reduction

28<sup>th</sup> – 30<sup>th</sup> November 2020

National Institute of Disaster  
Management

(Government of India, Ministry of Home Affairs)

&

Dada Ramchand Bakhru Sindhu  
Mahavidyalaya  
(Nagpur, Maharashtra)

## BACKGROUND

Disasters threaten the lives, constitutional rights and needs of the children worldwide. In past two decades India have faced devastating disasters such as Latur Earthquake (1993), Odisha Super Cyclone (1999), Bhuj Earthquake (2001), Indian Tsunami (2004), Jammu & Kashmir Earthquake (2005), Bihar Floods (2008), Uttarakhand Floods (2013), Cyclone Phailin (2013), Chennai Flood (2015), Kerala Flood (2018), and Cyclone Fani (2019).

Droughts are slow onset disasters, adversely affecting children and women alike. Karnataka (16 districts) and Andhra Pradesh (4 districts) experienced at least 10 droughts between 2001-2015. During these emergencies, children are especially vulnerable to diseases, malnutrition, and violence and trafficking. Measles, diarrhoea, acute respiratory infections, malaria and malnutrition are the major killers of children during humanitarian crises. In future, vulnerability of children is expected to increase as the intensity and frequency of natural disasters rises.

Keeping in view the increasing vulnerability of children from climate change and natural disasters, National Institute of Disaster Management (NIDM), Ministry of Home Affairs, Government of India has established “**Child Centric Disaster Risk Reduction (CCDRR) Centre**” to mainstream child centric DRR activities through Training, Research, Advocacy and Consultancy.

## AIM OF TRAINING

This **3 Days Training Programme on Child Centric Disaster Risk Reduction** is intended for Teachers, officials of State level sectoral departments, Administrative Training Institutions and civil society practitioners to help build their knowledge, skills and perspectives towards child centric disaster risk reduction. This will help officials understand and prepare for risk informed planning, sectoral readiness and preparedness for emergencies so as children are not deprived of basic amenities.

## OBJECTIVES

*At the end of this course, participants will be able to:*

- Explain the impacts of disaster on children
- Can identify and list children rights-national and international for the protection of the children
- Explain the process of mainstreaming child-centric risk management
- Describe the life cycle approach and risk-informed approach for child-centric risk reduction
- Draft and apply strategies for school safety with the engagement of children
- Explain the Disaster impact on mental health of the Children

### Registration Link

<https://forms.gle/ijDBneVwbTUgVLGYA>

After successful Registration please join the Telegram Group:-

### Telegram Group Link

<https://t.me/joinchat/Q5HwJh1EcW4V9jdEckaYBw>

## COURSE MODULE

This Course has two modules and contents of the course would touch upon the following aspects, to achieve the objectives:

### Module -1: Children and Disaster

- Basic Concepts of Disaster Risk Management
- Do's and Don'ts for covid-19
- Hazard, Risk and Vulnerability Profile of India
- Disaster Impact on Children: Sectorial Overview
- Protecting Child Rights in Disaster
- International Commitments to CCDRR

### Module -2: Understanding Child Centric Disaster Risk Reduction

- Introduction to CCDRR
- Reducing Vulnerabilities & Enhancing Capacities of Children: Group Exercise
- Life Cycle Approach
- Risk Informed Programming
- Protecting Children In Emergency
- Mental Health Issues in Emergencies
- Child Participation in DRR
- School Safety

## TARGET GROUP

This 3-days' Online Training Programme on Child Centric Disaster Risk Reduction is intended for Teachers, middle level officials of various Departments, Civil Society Practitioners, Community and Social workers and Students to help build their knowledge, skills and perspectives towards child centric disaster risk reduction. This will help attendees understand and prepare for risk informed planning, sectoral readiness and preparedness for emergencies so as children are not deprived of basic amenities.

**‘Child Centric Disaster  
Risk Reduction’**

# PROGRAMME REPORT

## *National Webinar* on **Biodiversity Conservation**

Date: March 17, 2021

Time: 11:00 AM - 01:30 PM

*Jointly organized by*

**National Institute of Disaster Management**  
(Ministry of Home Affairs Govt. of India)

&

**Dada Ramchand Bakhru Sindhu Mahavidyalaya,**  
**Nagpur (Maharashtra)**

**National Webinar on Biodiversity Conservation**

## **Introduction:-**

National Institute of Disaster Management (NIDM), New Delhi and Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra) successfully organized a National Webinar on, “Biodiversity Conservation” on 17th March 2021 (1100-1330Hrs). Shri Ashish Kumar Panda, Consultant and Faculty Member, NIDM was the Programme Coordinator and Shri Naveen Maheshkumar Agrawal, Registrar, Dada Ramchand Bakhru Sindhu Mahavidyalaya was the Convenor for the event.

We all are aware that, Biodiversity conservation refers to the protection, upliftment, and management of biodiversity in order to derive sustainable benefits for present and future generations.

### **Biodiversity conservation has three main objectives**

- Maintain crucial ecological processes as well as life support systems.
- Preserve the variety of species.
- Make sustainable exploitation of ecosystems and species.

Biodiversity conservation is about saving life on Earth in all its forms and keeping natural ecosystems functioning and healthy. Biodiversity conservation, the practice of protecting and preserving the wealth and variety of species, habitats, ecosystems, and genetic diversity on the planet, is important for our health, wealth, food, fuel, and services we depend on. It plays an integral role in supporting many sectors of development.

Over the past decade, conservation of biological diversity has been understood as an essential aspect of sustainable development worldwide. Biodiversity is a fundamental determinant of the structure and function of all ecosystems and provides the foundation on which the future of human society rests well. This topic needs to be widely disseminated to improve the understanding of biodiversity, its conservation and its role in building a sustainable human society.

Conservation of biodiversity is a global responsibility. Each nation has an important role in finding new ways to manage biological resources and new ways of maintaining commitment. As part of this responsibility, we need to recognize

what we do not know about biodiversity and such programs are needed to increase and disseminate our knowledge. In which awareness of biodiversity conservation can be spread by providing information to people about biodiversity conservation through experts of this subject.

Keeping all these things in mind, a National Webinar on Biodiversity Conservation was organized under the joint aegis of National Institute of Disaster Management, Ministry of Home Affairs, Government of India and Dada Ramchand Bakhru Sindhu Mahavidyalaya on 17<sup>th</sup> March 2021.

### **Objective**

- Awareness generation among the participants about the importance of biodiversity, its loss pattern and human existence dependent upon it;
- Information dissemination with respect to international and national conventions with respect to biodiversity conservation;
- To Discuss India's role, achievements in biodiversity conservation and Way Forward in this regard;

### **Methodology**

The training was organised in English and Hindi language using the online platform ZOOM & YOU Tube. The Methodology was participatory in nature and used interpersonal communication techniques to help make the webinar more interactive. For a better conceptual understanding of Biodiversity Conservation, the resource persons used the Power Point presentation and case studies of Biodiversity Conservation. Every discussion session was followed by a question-answer session and the questions raised by the participants were discussed by the resource persons.

### **Program Initiation**

**Shri Ashish Kumar Panda, NIDM Consultant and Faculty Member** initiated the programme by mentioning March 3 – World wildlife day 2021 – theme – forests and livelihoods: sustaining people and planet. He said that it is time that we highlight the importance of forests with all their living residents and learn about how they support the livelihoods of millions of people across

the world. There is no way to avoid depending on wildlife in urban or rural area. Large scale conversion of land for agriculture, which increases interactions between wildlife, livestock and human beings. Wildlife conservation needs to be prioritized and development plans at country, state and district levels and need to take cognizance of wildlife needs. We should not forget the fact that wildlife and natural resources are mostly irreplaceable and can not be bought. Pandemic 2020 suggests that we need to reduce the risk of zoonotic diseases. He outlined the programme details for the benefit of the participants.

### **Introductory Remarks**

**Dr. Santosh Kasbekar, Officiating Principal, DRB Sindhu Mahavidyalaya** in his introductory speech said that the very important issue is pollution whatever the things happening today it is because of as everybody know instead of exploration people they are exploiting it. From the Covid 19 situation we hardly got 4 to 5 months and within the 4-5 months the Mother Earth

restored most of the parameters which were disturbed. We are exploiting the mother earth for centuries, so it is easily possible that if we limit our need and our greed rather than the biodiversity will take care and again the mother earth will be as it is as it was few centuries back.

### **Inaugural Address**

While inaugurating the training program, the **President of Sindhi Hindi Vidya Samiti Shri H.R. Bakhru** said that Biodiversity conservation is necessary to obtain sustainable benefit for future generation. It can be achieved by preventing cutting of tree, putting ban on hunting of animals, efficient utilization of natural resources, protecting national parks, wildlife sanctuaries, Biodiversity hotspots & gene sanctuaries. He further said that the present society should develop conservation strategy that meet their needs without compromising that our future generation.

## Keynote Address

**Prof. Anil K. Gupta, Head of ECDRM Department, NIDM** in his key note speech said, most of the areas including some villages are going to convert into cities. The natural forests are going under pressure day by day. This will be greater challenging to air quality and water resources. The only solution to that is, "If cities are entering into forests, let the forest should enter into cities". That is the reason the new concept of urban forest and urban diversity has come. And that is the reason new city development protocol says that within the city now let us have forest. This is the new planning approach globally.

## Special Address

**Dr. Vinki Rughwani, Chairman, Sindhi Hindi Vidya Samiti** said economic growth is very important but then we have to maintain a balance between the development & Biodiversity, because ultimately this balance will only make us to have a good life style in a human being.

## Special Address

**Dr. I.P. Keswani, General Secretary, Sindhi Hindi Vidya Samiti** said each component of this universe has to be protected in its original form, so if any kind of development takes place somewhere and other species are affected, naturally it will be our duty to see that they are protected.

## Technical Session 1

**Shri Ashish Kumar Panda, NIDM Consultant and Faculty Member** delivered a lecture on **"Environment Degradation and Biodiversity Conservation"**. He defined the earth overshoot day and informed that we are using the natural resources with such speed that this day falls in the month of August only and challenges the

Earth's regenerating capacity. He cited various anthropogenic reasons which are disturbing our ecological balances and this may be detrimental to our own existence in times to come. He showcased global convention of AICHI and its 20 targets, India's own 12 Nationalized targets and achievements with respect to that, in-city and ex-city conservation of various species in our country viz crocodiles, ridley turtles, pigmy hog deer, one horned rhino etc. He described the Project Tiger and Project Elephant in our country. How climate change affects the habitats of various biodiversity species. How biodiversity is interconnected with our health system and WWF's project of Vulnerability Assessment of Endangered species (i.e. Green Sea Turtle, African Elephant, Gorilla, Asian Elephant, Cheetah etc.). He concluded by showing pathways for biodiversity conservation viz. Low carbon pathways, Make climate crisis people campaign, Involve Young population, Deepening awareness among all stakeholders, Conservation and protection of animals, Lessons learnt from Pandemic etc.

A screenshot of a YouTube video player. The video content is a presentation slide titled "BIOLOGICAL DIVERSITY ACT, 2002". The slide features a tree icon on the left and a list of six key provisions. A small inset video in the top right corner shows the speaker, Ashish Panda. The YouTube interface includes the search bar, the channel name "DADA RAMCHAND BAKHRU SINDHU MAHAVIDYALAYA", the video title "National Webinar on Biodiversity Conservation", and engagement metrics: 1,478 views, 98 likes, and 2 comments. The video was streamed live on Mar 17, 2021.

## Technical Session 2

**Shri Awdhesh Kumar, Assistant Professor, INVERTIS University, Bareilly, Uttarpradesh** delivered a talk on "**S & T Innovations for Biodiversity Conservation**". He discussed the significance of biodiversity conservation in accordance with Global Disaster resilience frameworks i.e HYOGO & SENDAI

Framework & SDGs. He further mentioned the role of science & technology in community development in community development by quoting the policies from NDMP 2019 & Hon'ble PM's 10 Point agenda. He briefed about various Biodiversity Conservation tools & techniques, State of the Art technologies such as drones & machine learning, Mobile App based Wetland health assessment etc. He further threw light on application of Camera Trapping, Remote Sensing with LIDAR, Acoustics Monitoring, Aerial Photography, Robots, Airborne Laser Terrain Mapping(ALT M) etc. He also discussed Forest Fire technologies such as fire urgency estimator in geosynchronous orbit (FUELGO), forest fire fighting robots & drones, Virtual Reality, Internet of Things(IoT), Fire suppression munition(FSM) etc. He concluded by presenting a case study from Australian bush fire & use of Thermal Imaging cameras, mobile monitoring with drones, radio tracking devices for conservation of biodiversity from forest fire.

A screenshot of a YouTube video player. The video title is "BUT WHAT ABOUT WILDLIFE: CHARTING THE WORLD'S SIXTH MASS EXTINCTION". The video content includes two charts: "EXTINCT VERTEBRATES, 1500 TO PRESENT" and "VERTEBRATE SPECIES EXTINCTION RATES". The first chart shows a bar graph of extinct vertebrates from 1500 to present, categorized by groups like Reptiles, Amphibians, Fish, and Mammals. The second chart is a line graph showing vertebrate species extinction rates from 1800 to 2019, with a sharp increase starting around 1950. The video also includes a quote from the IUCN: "The IUCN says at least 50 animals move closer to disappearing each year. Currently, around 41 per cent of all amphibians and 25 per cent of all mammals are threatened with extinction." The video is from the channel "DADA RAMCHAND BAKHRI SINDHU MAHAVIDYALAYA National Webinar on Biodiversity Conservation" and has 1,478 views.

### Technical Session 3

**Dr. Milind Shinkhede, Assistant Professor, D.R.B. Sindhu Mahavidyalaya** has delivered a talk on **“Diversity and conservation of honey bees”**. Honey bees are utmost important for pollination and other by-products like honey, Riyal jelly, propolis and bee venom. He explained the Eco friendly technique used for

harvesting the honey which will be fruitful to conserve the bees for future. Various regions of world were using various techniques and inculcate value addition in this culture and conservation of bees and bee biology. Dr. Shinkhede explained a culture of stingless bee, *Tetragonula* in Nagpur and central India regions. This stingless bee have more potential for pollination and produce propolis, used for medicinal purpose. Ultimately, when we conserve the bees, it will a support to survive ecosystem, mankind and nature.

## Technical Session 4

**Dr. Yogesh Bhute Assistant Professor, D.R.B. Sindhu Mahavidyalaya** delivered a talk on

**"Biodiversity in India: Threats and Conservation strategies"**. India has mere 2.4% of the world's geographical area but India has 7 to 8% of all recorded species, including over 47,807 species of plants and

1,01,167 species of animals. About 33% of the countries described Flora are endemic to the country. India's record in agro-biodiversity is equally impressive. Due to over exploitation about 15,000 medicinal plant species maybe threatened with extinction worldwide. Due to conservation strategies in India the tiger population in the country has grown from 1,400 in 2014 to 2,967 in 2019.

A screenshot of a YouTube video titled "Biodiversity". The video content includes a slide with a tree and text. The slide text reads: "Watermeal (Wolffia spp.)", "The General Sherman Tree is the largest in the world at 52,508 cubic feet", and a list of bullet points: "Biodiversity can include everything from la...", "Tropical region, area that are warm year round, have the most diversity.", "Temperate region, which have warm summer and cold winter, have less biodiversity.", "Regions with cold or dry conditions have very less diversity.", "Example: Mountain top or Desert", "Generally closer region to equator have grater biodiversity.", "Example: Amazon rain forest have 40,000 plant species", "Warm water of western pacific and Indian Ocean have most diverse marine diversity.", "Example: Seacape in Indonesia 1200 species of fishes and 600 species of coral." The video is from the channel "DADA RAMCHAND BAKHRI SINDHU MAHAVIDYALAYA" and has 1,478 views.

## Valedictory Session:-

**Dr. Satish Tewani, Vice Principal, DRB Sindhu Mahavidyalaya** said “Conserve the nature, we should not restrict ourselves to only to listen to the esteemed speaker but we also have to act upon what they have told us and conservation of nature is the essential thing which every one of us to do.

**Dr. Jayant Walke, Assistant Professor, DRB Sindhu Mahavidyalaya**, moderated the programme so nicely and in his own unique style. At the end of the speech of every speaker, he would put the views stated by the speakers in front of the participants in a simple narrating summary form covering the crux of the issues discussed.

**Mr. Naveen Maheshkumar Agrawal, Registrar, DRB Sindhu Mahavidyalaya and Program Convenor**, proposed the vote of thanks at the end of the webinar. He thanked the patrons, eminent speakers, and the participants from India and Abroad for making this webinar successful with their kind presence. He said that NIDM and Dada

Ramchand Bakhru Sindhu Mahavidyalaya will keep organizing such knowledge sharing programs in future also. The program came to an end with the slogan:- “करे प्रण अब जीव ोंकरक्षित, ह गी धरती तभी सुरक्षित”.

## **Participants**

In this National Webinar 857 participants registered for the programme. The event was a huge success with the presence of 100 distinguished dignitaries and delegates on the Zoom platform and over 1000 participants on live YouTube streaming. It included representatives from almost all the states of India as well as representatives from foreign countries. However, 362 eligible participants shall be given a certificate for participating in the webinar.

**Target Audience:-** Academia, Research Scholars, Students, Government officials working in the area and representatives of non-government organisations in the field.

## **Take Aways:-**

- Awareness generation among the participants about the importance of biodiversity, its loss pattern and human existence dependent upon it;
- Information dissemination with respect to international and national conventions for biodiversity conservation;
- India’s role, achievements in biodiversity conservation and way forward in this regard;

- Carrying Capacity of an Ecosystem - Size of population that can be supported indefinitely with available resources and services and Sustainable development - Maximum use of resources without damaging system's regenerative capacity.
- Need for ensuring that our economy and society continues to exist without destroying natural environment. For this, women sensitization and education toward reproductive choices can also play a dominant role in controlling pollution.
- Nature Based solutions, projects being undertaken at different parts of our country in this regard and how we need to associate the economic values to such NBS for the benefit of policy makers and local community;
- Increase ecosystem productivity; each species in an ecosystem has a specific niche—a role to play. Need to support a larger number of plant species and, therefore, a greater variety of crops.
- Protect freshwater resources, Promote soils formation and protection, Provide for nutrient storage and recycling.
- Air pollution, Water pollution, Land pollution and Aid in breaking down pollutants, Contribute to climate stability, Speed recovery from natural disasters.
- Provide more food resources, Provide more medicinal resources and pharmaceutical drugs, Offer environments for recreation and tourism
- Threats to biodiversity viz; Human Activities, Nature degradation and Loss of Habitat, Deforestation, Desertification, Marine Environment, Increasing Wildlife Trade, Climate Change, Overexploitation etc;
- Invasive species and its role in destroying the biodiversity habitats;
- Conservation of Biodiversity through; Preventing the cutting of trees. Putting a ban on hunting of animals. Efficient utilisation of natural resources. Protected areas should be developed for animals where no human activities are allowed, Awareness Generation and Capacity Building.
- Concept of Earth overshoot day coming sooner every year, Earth's capacity of regeneration of natural resources, impact of increasing population, competition among species for want of natural resources;
- Man-animal conflict and role of unscientific development, urbanization and development without giving due prudence to local ecology and needs;
- DRBSM, Nagpur expressed their desire to sign an MoU with NIDM to further academic and training programmes between the two agencies. They have invited NIDM to organize face to face programme in their Nagpur campus at the earliest.

## 'Biodiversity conservation is necessary for future generation'

■ National webinar on 'Biodiversity Conservation' organised jointly by National Institute of Disaster Management, Ministry of Home Affairs, Government of India and Dada Ramchand Bakhru Sindhu Mahavidyalaya

■ Staff Reporter

A ONE-DAY national webinar on biodiversity conservation was jointly organised by National Disaster Management Institute, Ministry of Home Affairs, Government of India, New Delhi and Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur.

The training programme was organised under the guidance of NIDM's Executive Director Major General Manoj Kumar Bindal. President of Sindhi Hindi Vidya Samiti H R Bakhru said, "Biodiversity conservation is necessary to

obtain sustainable benefit for future generation. It can be achieved by preventing cutting of tree, putting ban on hunting of animals, efficient utilisation of natural resources, protecting national parks, wildlife sanctuaries, biodiversity hotspots and gene sanctuaries."

Bakhru further said that the present society should develop conservation strategy that meet their needs without compromising that our future generation.

Head of ECDRM Department, NIDM Prof Anil K Gupta in his key note speech said, "Most of the areas including some villages are going to convert into cities. The natural forests are going to under pressure day by day. This will be a greater challenge to air quality and water resources. The only solution to that is, if cities are entering forests, let the forests enter the cities too. That is the reason the new concept of urban forest and urban diversity has come. And that is the reason new city development proto-

col says that within the city now let us have a forest. This is the new planning approach globally."

Sindhi Hindi Vidya Samiti Chairman Dr Vinki Rughwani said, "Economic growth is very important but then we have to maintain a balance between the development and biodiversity, because ultimately this balance will only make us to have a good life style in a human being.

General Secretary of Sindhi Hindi Vidya Samiti Dr I.P. Keswani said, "Each component of this universe has to be protected in its original form, so if any kind of development takes place somewhere and other species are affected, naturally it will to become our duty to see that they are protected."

Programme initiation was done by NIDM Consultant and Faculty Member Ashish Kumar Panda. The introductory speech was delivered by Dr Santosh V Kasbekar, Officiating Principal of DRB Sindhu Mahavidyalaya. Dr Satish Tewani, Vice-Principal

delivered a valedictory speech.

Naveen Maheshkumar Agrawal, Convenor of the webinar and Registrar also spoke.

A total of 4 technical sessions were conducted in the webinar in which Ashish Kumar Panda delivered a lecture on 'Environment Degradation and Biodiversity Conservation', Awdhesh Kumar, Assistant Professor, INVERTIS University, Bareilly, Uttarpradesh on 'S&T Innovations for Biodiversity Conservation', Dr Milind Shinkhede, Assistant Professor, DRB Sindhu Mahavidyalaya on 'Diversity and conservation of honey bees' and Dr Yogesh Bhute, Assistant Professor, DRB Sindhu Mahavidyalaya on 'Biodiversity in India: Threats and Conservation strategies'.

The programme was moderated by Dr Jayant Walke, Assistant Professor, DRB Sindhu Mahavidyalaya, while Naveen Maheshkumar Agrawal, proposed a vote of thanks.

## **Introduction:-**

National Institute of Disaster Management (NIDM), New Delhi and Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra) successfully organized a **Three days Training cum Faculty Development Program on Basics of Disaster Management and Disaster Risk Reduction** on 26<sup>th</sup> to 28<sup>th</sup> May 2021 (1030-1330Hrs). **Shri Ashish Kumar Panda**, Consultant and Faculty Member, NIDM was the **Programme Coordinator** and **Shri Naveen Maheshkumar Agrawal**, Registrar, Dada Ramchand Bakhru Sindhu Mahavidyalaya was the **Programme Convenor**.

Disasters have always been a result of human interaction with nature, technology and other living entities. Sometimes unpredictable and sudden, sometimes slow and lingering, various types of disasters continually affect the way in which we live our daily lives. The Indian subcontinent is among the world's most disaster prone areas. Almost 85% of India's area is vulnerable to one or multiple hazard. Of the 28 states and 7 union territories, 22 are disaster-prone. It is vulnerable to wind storms spawned in the Bay of Bengal and the Arabian Sea, earthquakes caused by active crustal movement in the Himalayan mountains, floods brought by monsoons, and droughts in the country's arid and semi-arid areas. Almost 57% of the land is vulnerable to earthquake (high seismic zones III–V), 68% to drought, 8% to cyclones and 12% to Floods. India has also become much more vulnerable to tsunamis since the 2004 Indian Ocean Tsunami. Currently the Country is facing COVID19 induced challenges. However, while we can't prevent a hazard from occurring, we can use disaster risk reduction and management to understand risk and vulnerability, prevent a hazard from becoming a disaster, and mitigate its impact by making people more resilient.

Modern times is a time of multi hazard scenario where one agency or authority cannot facilitate each and every body with needed support in a pre-during-post disaster scenario. All the stakeholders will have to come forward to share their portion of responsibilities in cohesive manner so as to reach the desired DRM goals.

Further, every disaster is different from its past version and it teaches us all new lessons. We learn from it and equip ourselves in a better fashion for future onslaught of disasters. Disasters can never be eradicated but yes with better preparedness, its impact can very well be reduced. Holistic approach of dealing with disasters teaches us many mechanisms in this regard.

These are extraordinary times and by holding such program the process of knowledge gathering, sharing of information and training, keeps getting due momentum. It also sensitizes the participants/delegates about the due importance about Disaster Risk Reduction (DRR). Keeping this in view,

**Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra)** and **National Institute of Disaster Management** jointly organized a three days Training cum Faculty Development Program (FDP) on Basics of Disaster Management and Disaster Risk Reduction to disseminate information with respect to disasters and also create a vast and multi - disciplinary understanding of the issues pertaining to managing such disasters among the participants. The main outcome of this programme is the knowledge up-gradation of Students, Researchers, Faculty Community of Educational Institutes with respect to Disaster Management, sharing of informational updates with respect to how the DRR measures can and need to be mainstreamed with developmental policy/plans and most importantly bringing in the continuity of propagating the idea of education and training delivery during the tough times of COVID 19.

### **Objective:-**

- To impart knowledge about basics of disaster management and Disaster Risk Reduction among the participants;
- To discuss various natural and man-made disasters, their impacts and safety guidelines;
- Learning about existing institutional mechanism for DM in our country and how a DDMP is prepared/used.
- To provide a platform to participants for experience sharing and shared learning;
- Develop understanding about various disaster related policies and strategic Management tools for disaster resilience.;

### **Methodology:-**

The training was organized in English and Hindi language using the online platform ZOOM & You Tube Live Streaming. The Methodology is participatory in nature and used interpersonal communication techniques to help make the training more interactive. For a better conceptual understanding of Disaster Risk Reduction, the resource persons used the Power Point presentation and case studies of disaster mitigation. Every discussion session was followed by a question-answer session and the questions raised by the participants were discussed by the resource persons .

## **Target Group:-**

The target audience for this programme were participants from across India comprising of Faculties of Universities, Educational Institutions, Research Scholars, Students as well as Senior & Middle Management level officials from departments viz. Environment, Forest, Revenue, National Parks, Wildlife Sanctuary, Climate Change, Rural Development, Urban Development, Municipalities, Panchayats, Disaster Management etc. During these three-day More than 1000 distinguished dignitaries, delegates and participants attended the programme on zoom platform & live Youtube streaming from almost all states of India. However, 940 participants have been given a certificate through NIDM Training Portal for participating in the three-day programme. List of participants is attached with the Report.

## **Inaugural Session:-**

**Program Initiation:-** Initiating the Programme **Mr. Ashish Kumar Panda, Consultant and Faculty Member, NIDM** welcomed all the dignitaries and participants attending the session by sparing their valuable time. He said that Disasters are not evenly distributed among geographical location. As we all know globally it is the Asian continent

and in Asia this is India that we face most of the brunt of disaster more often and frequently. Emphasizing on the need to work together for disaster management and disaster risk reduction, he said that if we work together, we will surely emerge as a force.

**Introductory Remarks:-** **Dr. Santosh Kasbekar, Officiating Principal, Dada Ramchand Bakhru Sindhu Mahavidyalaya,** in his introductory speech said, “Training of disaster management should be introduced in the academic and that to in the early age of the students where there is a less percentage of dropping out from the schools”, because such type of awareness and training they are essential for everybody to save their own precious life and life of others.

**Inaugural Address:-** **Shri H.R. Bakhru, President, Sindhi Hindi Vidya Samiti,** President of Sindhi Hindi Vidya Samiti in his inaugural speech said, “The Basics of Disaster Management is the occurrence of a sudden misfortune which disturbs the normal functioning of a society. It may be natural or man-made. We cannot reduce the severity of natural hazards, but we can reduce the

vulnerability and exposure for reducing disaster risk. We can avoid new risk, address pre-existing risk, share and spread risk to prevent disaster losses.

**Keynote Address:- Prof. Anil K. Gupta, Head of ECDRM Department, NIDM,** in his key note speech said, “We cannot zero the risk, we have to live with risk. That is why we have to prepare such a design so that we can live with it and we will not be harmed. Just like a river, a pond, we cannot dry them, because we need it very much. But by staying near them, our risk also increases, if there is flood, then we are also at risk. Similarly, cities will grow, we cannot stop them, we can reduce the pace of urbanization, we have to bring such models so that we can conserve nature within the city itself. Nagpur has given a good message about nature conservation within the city.”

**Special Address:- Dr. Vinki Rughwani, Chairman, Sindhi Hindi Vidya Samiti,** said, "Disaster management is not a subject that should be learned by only a selected few people, but every person on this earth should know how to manage a disaster. One disaster teaches us so many things, we have to face disaster, we shall learn from disaster and we should act accordingly to protect our self from the next wrong doing which will be happening in our future."

**Special Address:- Dr. I.P. Keswani, General Secretary, Sindhi Hindi Vidya Samiti,** said, "We are not prepared for disaster in advance, we do not know how the disaster will come, who will be responsible for it, but one thing is sure that once in a century such type of incidents happen. This program will definitely create awareness and will be useful for life, because such a situation can come at any time."

## **Day I: Technical Session 1**

**“Basics of Disaster Management and Institutional Mechanism in India” by Shri Ashish Kumar Panda, Consultant & Faculty Member, NIDM –** He talked about the details about increasing disaster scenario, cycles of DM, terms of hazards, risks, vulnerability and capacity building. He elaborated about the policy changes and paradigm shift in

disaster management approaches, Sendai Framework for Disaster Risk Reduction, Sustainable Development Goal, Paris Climate Agreement, SDGs, DM Act, 2005, National Policy on DM, 2009, NDMP 2016 (revised on 2019). He further explained about the existing Institutional Mechanisms in India with respect to the Disaster Management and the need for Disaster Risk Mitigation and Disaster Risk Reduction approach for a disaster resilient society. He briefly mentioned about Hon'ble PM's 10 point agenda on Disaster Risk Mitigation. He spoke about the Institutional Mechanism of DRM prevailing in our country, National Executive Council, National Disaster Management Authority, State Disaster Management Authority, District Disaster Management Authority, National Institute of Disaster Management, National Disaster Response Force etc. He also covered the financial mechanism for DRM, National Disaster Risk Mitigation Fund and State Disaster Risk Mitigation Fund and finally the Strategic Emergency Management Plan framework. Thus in his presentation on the **Basics of Disaster Management and Institutional Mechanism** he touched upon all the aspects related to Disaster Management which gave a widens the vision of the participants.

## Technical Session 2

**“Civil Engineering and Disaster Management” by Prof. Chandan Ghosh, NIDM, New Delhi** - He spoke about the disasters like the earthquake, cyclone and heavy rainfall and their resilient measures. He discussed about the recent earthquake that occurred at Sonipat, Asam. The earthquake was not so big, but it caused a great damage as there was no preparation to fight the earthquake. He

DADA RAMCHAND BAKHRU SINDHU MAHA...  
 DAY 01 - Online Training Program cum FDP  
 on "Basics of Disaster Management and DR...  
 1.4K views · Streamed 3 weeks ago

showcased many instances like how technology and civil engineering helped in mitigation and reducing the disaster losses. Quoting an example he told that in Japan the level of resilience is much above so the people did not get affected so much by earthquakes. In India, while making buildings people compromise with quality making the structure unorganized, vulnerable and fragile. It is a very painful scenario to see when life and property damages are unimaginable. Taking into consideration the factors that harm the human lives he told the audience that the effects of earthquake can be reduced by identifying vulnerable places by adopting the policy of no compromise with quality, thus ensuring safety

for our future generation. He also talked about cyclone resilience and various resilience

DADA RAMCHAND BAKHRU SINDHU MAHA...  
 DAY 01 - Online Training Program cum FDP  
 on "Basics of Disaster Management and DR...  
 1.4K views · Streamed 3 weeks ago

methods. The infrastructure should be resilient and have minimum loss during cyclone. In this regard he discussed about various UN organizations working for changing climate. He discussed about various hazards identification ways. He further mentioned that we should use Internet of Things for information collection and its dissemination timely for DRR. He has given information about rainfall viewer App. It gives information about rainfall, drain system and water accumulation. It helps in rescue the people and provides protection against flood. He outlined how android and Google is using these as a smart technology-based tracker for emergency assistance and discussed about how this technology can be used at crowded places to monitor foot falls and subsequent disaster management in crisis situations. He also mentioned that necessity is the mother of all inventions and that is why, a country like India, we get to see lots of jugad techniques, solving day to day local problems of mankind.

### Technical Session 3

**“Role of Media during Disaster Management”** by **Shri Nakul Tarun, Director, Zone4Solution, New Delhi** – He said that the role of the media is to convey exactly what has been told and that it should reach the people in the right form. He talked in detail about the 7 main functions of

**media which** included Information, Education, Entertainment, Persuasion, Surveillance, Interpretation, Linkage, and Socialization. The presentation covered- **Trend in Reporting:**

Casualty– Front Page, Response – Second/third page, Relief – third/fourth page, Recovery – no news, Mitigation – No News, VIP Visit – Front page; **Area where Media should make impact:** This point covered the subpoints like, Prioritization of DRR issues, Facilitate in early warning system,

Increase international donation, Improve coordination;

**Negative impact of Media:** He spoke about the negative impact of the media and elaborated how it creates Unnecessary Panic. The media portrays inaccurate human behavior, Political Manipulation, Sensationalism, Congestion in affected area; **Cases where media criticized officially:** Nepal earthquake 2014, J&K flood, Gurugram Flood, Mumbai Flood, Covid Second wave;

**What is required to do:** Lastly he has told that media persons also have to be given training in disaster management so that they present their report accurately which can then reduce the after effects of the disaster. They must be trained in Domain Knowledge and self-regulation. Describing the advantages and disadvantages of social media, he said that social media is real time media, if it is used properly at the time of disaster,

then necessary information can be conveyed to the affected and the concerned agency immediately. Without media we cannot take prevention measures from door to door.

## Day II: Technical Session 1

**“Science and Technological Innovations for DRR” by Shri Awdhesh Kumar, Assistant Professor, INVERTIS University, Bareilly, Uttar Pradesh** - He

explained the need of early warning systems for timely dissemination of risk information, Artificial Intelligence, drones, GIS/RS, Disaster Mapping, Aerial photography, HAM radios, and many other emerging technologies. He said that lab to land transfer of technology and community participation is needed for better Disaster Risk Management. He emphasized upon the role of technology in knowledge dissemination of S&T Innovations in local language, getting maximum benefit out of first golden hour in a post disaster scenario, need of S&T Innovations for effective DRR etc. Further, he gave the example of aviation

DADA RAMCHAND BAKHRU SINDHU MAHA...  
DAY 02 - Online Training Program cum FDP  
on "Basics of Disaster Management and DR..."  
1K views · Streamed 3 weeks ago

industry during initial stages and explained that the lessons learnt and the aero planes we see nowadays are examples of many lessons learnt and build back better. He quoted the researchers of IIT Kharagpur as saying that most cities in the country are turning into 'Urban Heat Islands' in all seasons during day & night, researchers showed that most big cities in the country with population more than one million have recorded rise in mercury level during day

time while showing an increasing trends in the night hours. Explaining the importance of technology in the emergency support function, he said that Emergency Support Functions are the essentials of emergency management comprising of various coordinating agencies, which manage & coordinate specific kinds of assistance common to all. He also talked about earthquake resistant building, High wind & hurricane resistant building, blast resistant building, Built environment Green building and said that 1 billion sq.ft. Environment green buildings are capable to reducing 12 million tons of carbon emissions. Due to which 15,000 gig watts of energy and 45 million water can be saved. Along with this, he also provided information on subjects like Pandemic & education sector, S & T for school resilience, Coastal area adaptation technologies, S & T Covid 19 emerging technologies and Coalition for Disaster Resilient Infrastructure (CDRI) etc.

## Technical Session 2

**“Man-Animal Conflict and its Management” by Dr. Arun A. Sha, Wildlife SOS, Bangalore, Karnataka** - He covered various topics like Introduction to rescuing wildlife in distress in India. Bear, Leopard & Elephant rescuing and their rehabilitation at various parts of India was discussed. He informed regarding conservation and care centers for animals and animal hospitals. He spoke about Human wildlife

interface and its reason, need for rescue and rehabilitation of wildlife and various mitigation measure resources. If human behave properly and have balanced between eco-centrism and anthropocentrism than human animal conflict can be reduced to great extent. Forest fire also causes the major distraction; it makes lots of disturbances not only to animals and their foods but also it spoils soil nutrients, micro nutrients and many more problems. Weed invasion is also the threats for animals, it disturbs their natural process of living habits, so it should be avoided and mono culture is also not friendly for forest.

Similarly, encroachment of forest lands is also the reason for human animal conflict. By understanding the basic behavior of each animal, animal casualty and animal casualty can be reduced. Various mitigation measures are available but conflict between human animal cannot be avoided but it can be managed. The coordination is very important to take appropriate measure based on behavior of

animal for the safety purposes. He informed that only 5% of India’s geographical area is in the protected area category. This space is not enough to have a full-fledged habitat for wild animals. The territorial animals do not have enough space within reserves and their prey does not have enough fodder to thrive on. Building community participation in conservation is a better idea than just having protected areas.

DADA RAMCHAND BAKHRU SINDHU MAHA...  
DAY 02 - Online Training Program cum FDP  
on "Basics of Disaster Management and DR..."  
1K views · Streamed 3 weeks ago

## Technical Session 3

**“Environment Protection: Issues and Challenges in COVID Era” by Dr. Rajkumar Khapekar, Head, Dept. of Botany, Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra)** – He explained the adverse & disastrous effects of Global Warming like melting of polar ice, frequent hurricanes, habitat destruction

and explains its possible solutions. Further he explained as to how human hyper mobility is responsible for spread of corona virus and how the environment was

clean, less polluted during Lockdown period throughout the world. He gave emphasis on water conservation and judicious use of water. He also spoke on Eco restoration technologies of water conservation and public awareness for overall environment protection.

## Technical Session 4

**“Covid 19 and Stress Management” by Dr. Rajlaxmi, Professor, Management Department, SRM University, Lucknow (Uttar Pradesh) –** She started with the saying "Keep your inner child alive always because too much understanding makes life colorless". She said that there are two types of stress, positive and negative. 78% of the people in India are under some kind of stress. Stress is

a feeling of emotional or physical tension, stress is our body's reaction to a challenge, Stress is our perception, our reaction. We have to improve our mental health at some point or the other, and those who do good work for their mental health will win. Describing about warning signals of poor mental health/stress, she said that if the answer to 50 percent of the following 8 questions is yes, then you are living under certain stress : **1. Do you have wide fluctuations in your mood, 2. Do you continually dislike to be with people, 3. Are you upset if the routine of your life is disturbed, 4. Do your children consistently get on your nerves, 5. Are you constantly bitter, 6. Are you afraid without real cause, 7. Are you always right and other person always wrong, 8. Do you have numerous aches & pains for which no doctor can find a physical cause.** According to research by the American Mental Health Association, in August 2020, 11 to 17 year old children had the highest suicide rate. Young people in August have more depression than the normal one & the depression and anxiety high in the 11 to 17 years teenagers. More than 40000 people committed suicide or self-harm in August 2020. She also told coping strategies during lockdown and 09 ways to manage stress, which included the following: Exercise & meditation regularly, enjoy your hobby like dancing, cooking, singing, painting etc., spend a quality time with family members, start writing a diary which keeps all your aspiration, Write experiences which are good & bad in your life, talk to your friends regularly, do some online certification courses and enhance your academic achievement, make your plan of action for self-development. She cited the deteriorating sleep cycle during the lockdown as a major reason for stress. She

and anxiety high in the 11 to 17 years teenagers. More than 40000 people committed suicide or self-harm in August 2020. She also told coping strategies during lockdown and 09 ways to manage stress, which included the following: Exercise & meditation regularly, enjoy your hobby like dancing, cooking, singing, painting etc., spend a quality time with family members, start writing a diary which keeps all your aspiration, Write experiences which are good & bad in your life, talk to your friends regularly, do some online certification courses and enhance your academic achievement, make your plan of action for self-development. She cited the deteriorating sleep cycle during the lockdown as a major reason for stress. She

emphasized on immediate planning to improve the sleep cycle and said that early sleep and early rise are very important in relieving stress. She also told some tips on how to improve mental health, which included the following important things: start saying NO when things are not in your hand, never compare yourself with anyone because everyone has a unique personality, never expect from anyone this will give you maximum satisfaction, never underestimate yourself, believe in yourself, value your time because time will never come back, priorities your work, live every moment of present time, don't be panic for future only.

## **Day III: Technical Session 1**

### **Technical Session 1**

**“Psycho Social Care in a post disaster situation – Issues and Challenges in India” by Shri Ashish Kumar Panda, Consultant & Faculty Member** – He explained various related issues and challenges we have been confronting today. He elaborated about the necessary measures and actions that one has to take in the post disaster scenario. In his scholarly presentation

he brilliantly explained the psychological impact of disaster, other ancillary effects, psychological reactions, post disaster psychological interventions, need to care, stages of interventions, types of psychological support, psychological first aid, Post-Traumatic Stress Disorder (PTSD) etc. He further emphasized upon the fact that already disadvantaged social groups like women, children, and elderly people, mentally sick, medically critical cases are more vulnerable to the disasters. Further he gave much importance to the need for re-strengthening and policy matters to be properly implemented at ground level for better results. Awareness, preparedness with a view to disseminate in providing help and assistance to the individual, society to be alert from falling with mental agony, psychological misbalances have to be done with more emphasis. He emphasized that all the stakeholders, especially the educational institutions, should be given training, instructions and education to handle the issues arising out of disasters,

### **Technical Session 2**

**“Women and DRR” by Prof. Girish Chandra, O.P. Jindal University, Raigarh (Chhattisgarh)** - He spoke elaborately about the “Women's leadership and greater involvement in Disaster Risk Management”. In his presentation he focused his talk on mobilizing women's leadership in Disaster Risk Reduction - Stock taking,

Overview and way forward. He considered the Role of women in DRR - Traditional system, Religious beliefs, Family structure, Household work, Education and Attitude, Background and rationale - Leadership, Present day happenings, adequate capacity building measures and General recommendations. He spoke about different aspects in Women's leadership - Role of women, Social restrictions, Leadership, Proper management, Capacity, Skills, Preparedness and response, Need of the hour is for greater involvement of women. Moving forward he spoke about the role of leadership

by women Around world the world, Scenarios of covid 19 pandemic, Decision making qualities, Importance of women leadership. His talk covered the points like, Role of women in DRR - Past and Present scenarios, Women leadership - Disaster risk management & Role, activities in combating the disaster, Problems faced by the women for effectiveness of their disaster risk management – Shortcomings and gap areas, Caregivers’ roles by women- Supplement income and household security, Greater responsibility as a protector, Special health needs/support, psychological support to handle emotional matters. Through his power point presentation he touched upon the Disaster risk Management in current scenario - Different states, plans, new policies and missions. He spoke about the need to work towards risk coverage for all - Financial aspects, Insurance regulatory body, Safety and resilience of the infrastructure. Leverage technology to enhance the efficiency of disaster risk management efforts. How important a women’s role can be in DRR. His talk was an eye opener for the audience who realized how important it is to educate the women for combating with the disaster and how we should be empathetic to her when the disaster strikes.

### **Technical Session 3**

**“The Power of Meditation” by Shri Niraj Agrawal, Senior Art of Living Faculty & Renowned Motivational Speaker, Amravati, (Maharashtra) - He**

said that whenever we see small children, they do not have many words, but only their presence tells what love, innocence, affection, enthusiasm and smile are. Children's body is flexible, our body is not flexible. Our body is stable but the mind keeps jumping like a monkey, many thoughts surround the mind. On the contrary, children keep jumping like monkeys, but mentally they remain stable and calm. Exercise is necessary to stay physically healthy, but meditation is necessary for the health and peace of mind. He said that meditation is not just a

DADA RAMCHAND BAKHRU SINDHU MAHA...  
DAY 03 - Online Training Program cum FDP  
on "Basics of Disaster Management and DR..."  
1.2K views · Streamed 3 weeks ago

matter of discussion, meditation cannot be explained in words, it has to be experienced. Describing the benefits of pranayama-meditation, he said that it corrects the speed of breathing, stabilizes the mind, sharpens the intellect, increases memory as well as eliminates unnecessary memory, removes ego. And the most important is the feeling of ecstasy. Keeping in view the current circumstances of Covid, all the participants practically did some important breathing exercises, pranayama and meditation under the guidance of Shri Niraj Agrawal for Pre-Covid prevention, and prevention of effects during and after COVID. He told about the seven chakras of Kundalini awakening and their relation to our emotions. He said that both good and bad emotions are associated with each chakra, in which the first chakra is indifference, inertia - enthusiasm, second chakra fantasy - innovation, creativity, third chakra jealousy, greed - generosity, fourth chakra fear, hate - love, The fifth chakra is sorrow - gratitude, the sixth chakra anger - awareness, and in the seventh chakra there are no two emotions, there is only one and that is ecstasy. He cited the example of buttoning a shirt, if a mistake is made while putting the first button, then all the subsequent buttons will be wrongly placed. Hence it is important to begin with the correct training and practice. Similarly, if we pay proper attention to the first chakra, then the rest of the chakras can also look right and we can attain the seventh chakra, ecstasy. Through which we can also control our emotions. Because only when we are mentally healthy, we can do something good about ourselves, family, society, country and the world to deal with adverse situations like disaster.

## Valedictory Session

### Valedictory Address

**Shri Neeraj Bakhru, Secretary (College Affairs), Sindhi Hindi Vidya Samiti**, in his valedictory speech said, “Every year in Indian subcontinent we witness the significant loss of life and property due to disasters. Although as our government and authorities try to be more vigilant about the upcoming disasters and respond more proactively. But more efforts are needed to further improve the situation.”

DADA RAMCHAND BAKHRU SINDHU MAHA...  
DAY 03 - Online Training Program cum FDP  
on "Basics of Disaster Management and DR..."  
1.2K views · Streamed 3 weeks ago

## Programme Moderation

**Dr. Jayant Walke, Assistant Professor, Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur,** moderated the entire 3 day programme exquisitely in his own unique style. In his simple but elegant way he would lucidly summarise the issues discussed by the eminent speakers thus helping audience get to the crux of the issues elaborated by them.

## Vote of Thanks & Concluding Remarks

**Shri Naveen Maheshkumar Agrawal, Program Convenor and Registrar, Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur,** proposed the vote of thanks at the end of the programme. He thanked the patrons, eminent speakers; dignitaries associated with the media, who gave the program a wide publicity through print and electronic media and television, the participants

from almost all parts of India for making this webinar successful with their kind presence. He said that generally people assume that thanks giving ends the program but this is not the last episode or finale of the program, it is just a small break of time taken for the preparations for bigger programs to be held in the future. The present three day session was like a garland of flowers or pearls, wherein a pearl comes after another pearl. The first pearl in this is a three-day program just organized, then today's vote of thanks is a link or knot that will work to connect the pearl of the next program in it. With a request made to audience to join the upcoming programs, he said that NIDM and Dada Ramchand Bakhru Sindhu Mahavidyalaya will keep organizing such knowledge sharing programs in future also.

## KEY TAKE AWAYS FROM THE PROGRAMME:-

- Information dissemination among the academicians, researchers and stakeholders with respect to basic disaster management concept, institutional mechanism, global commitments of India w.r.t. SFDRR, SDGs, Paris Climate Change Agreement etc. and need for DRR for a disaster resilient society;
- Paradigm shift in our approach for DRM, NDMP 2019 revision, Hon'ble PM's 10 point agenda on DRR and how Pandemics is being governed under the DM Act, 2005;

- Knowledge sharing about various technological interventions, including techniques of Remote Sensing and Geo Informatics, available and in practice for DRR globally;
- Basic learning about the need for DM Plans and how a District Disaster Management Plans are prepared, implemented, monitored and reviewed from time to time;
- Message to the society for having a clear cut understanding and making a fine balance between development and nature conservation for sustainable inclusive growth.
- Women's leadership important factors - Role of women, Social restrictions, Leadership, Proper management, Capacity, Skills, Preparedness and response, Need of the hour is for greater involvement of women.
- Man-animal Interface, increasing trend of conflicts, safety and avoidance measures, Schemes of Governments to protect such interface, Dos and Dons in this regard, Why we need to safeguard our biodiversity for our own sustenance;
- Animal inclusive DRR; various structural and non structural measures being undertaken by various governments to stop negative man animal interface; Incite and excite conservation of extinct and near extinct biodiversity species, AICHI biodiversity conservation targets and the areas where we need to do more;
- Stress Management, Breathing technique, Sudarshan Kriya, Meditation, Pranayama, seven chakras of Kundalini awakening and their relation to our emotions, role of meditation and Art of Living in times of Covid 19 and methods for sustainable development with respect to physical and mental well being;
- Disaster resilience, gap areas, future pathways with respect to S&T innovations, policy paradigm shifts and measures to be observed by Government, pvt. and corporate sectors as well as the local community, changing educational curriculum and bring in culture of safety against hazards and disasters were key points covered during the programme.
- UN Decade of Ecology Restoration 2021-2030, it needs, where we have failed in the past, concept of giving lands back to the nature, Urban Forests, Stopping Degradation of land and Desertification across the globe, Bonn Convention and India's role and commitment in this regard;
- Need for Psycho Social Care and Mental Health Services in India, its evolving nature, need for collaboration, cooperation and coordination among various stakeholders working in this areas in silos, Need for skilled manpower, to enhance the number of trained professionals vis a vis the increasing population needing such services and need for change in course

curriculum for such courses at MBBS and PG Psychology/Social Service sector;

- Role of Media during and post disasters, dissemination of right kind of information to the common public to reduce the stress level, training and skill development of media personnel with regard to how much to divulge and how much to hide, rumour mongering and ways to avoid unauthenticated news/information;
- Self analysis with questions:- 1. Do you have wide fluctuations in your mood, 2. Do you continually dislike to be with people, 3. Are you upset if the routine of your life is disturbed, 4. Do your children consistently get on your nerves, 5. Are you constantly bitter, 6. Are you afraid without real cause, 7. Are you always right and other person always wrong, 8. Do you have numerous aches & pains for which no doctor can find a physical cause;
- Lessons learnt from Covid 19, how to deal with biological disasters, how to keep hygiene and follow safety guidelines issued from time to time by respective governments, role of vaccination, need to strengthen our Health Care Services, PHCs and Telemedicine facilities/digital health services, last mile connectivity in any kind of disaster etc.;
- Need to bring safety culture in our Industrial set up, reduce man made disasters, on site and off site emergency plans from infrastructural set ups, school safety plans, Mock Drills and regular monitoring of existing assets, emergency rescue set up and preparedness of man power for crisis situation;

**20<sup>th</sup> JULY 2021**  
**10:30 AM – 01:00 PM**

### PATRONS

Maj Gen M K Bindal  
Executive Director,  
NIDM

Shri H R Bakhr  
President, Sindhi Hindi  
Vidya Samiti

Dr I P Keswani  
General Secretary, Sindhi Hindi  
Vidya Samiti

### GUIDANCE

Prof Santosh Kumar  
Project Director,  
CCDRR, NIDM

Dr V M Pendsey  
Officiating Principal, DRB  
Sindhu Mahavidyalaya

Dr Kumar Raka  
Program Officer,  
CCDRR, NIDM

### CONVENOR

### SPEAKERS

Dr Vinky Rughwani  
Vice President, Maharashtra  
Medical Council, Mumbai,  
Govt of Maharashtra

Shri Niraj Agrawal  
Senior Art of Living Faculty &  
Renowned Motivational Speaker,  
Amravati, (Maharashtra)

### COORDINATOR

Shri Naveen Mahesh Kumar Agrawal,  
Registrar, D. R. B. Sindhu Mahavidyalaya

For Joining:- Platform: Cisco Webex | Event ID: 184 840 6716 | Password: 2021 | URL: <https://qr.go.page.link/SN3GX>

#### Organized by :

Child Centric Disaster Risk Reduction (CCDRR) Centre  
**National Institute of Disaster Management (NIDM)**  
Ministry of Home Affairs, Govt. of India

Vaccinated

## Workshop Report

**1. Name of the Programme** – Physical and Mental Health of Children in Covid-19

**2. Date and Time:** Date: 20th July 2021; Time: 10:30 am to 1:00 pm

**3. Brochure & Banner:** Attached

**4. No. of Participants:** 620

### **5. Background:**

Pandemics have a severe impact on physical and mental health of children. It has also been directly and indirectly exposed to children and their families. The direct and indirect factors have created stress and emotional disturbance among children and their families. The mental health of millions of children worldwide has been put at risk, with at least one in seven forced to remain at home under nationwide public health orders or recommendations during the COVID-19 pandemic. More than 330 million youngsters have been stuck at home, till March 2021, for at least nine months, since the virus spread uncontrollably last year. During the pandemic, many parents and caregivers were forced to work from home and lost their financial independence due to job losses. The pandemic brought a complex array of challenges which had mental health repercussions for everyone, including children and adolescents. Grief, fear, uncertainty, social isolation, increased screen time, and parental fatigue have negatively affected the mental health of children. Friendships and family support are strong stabilizing forces for children, but the COVID-19 pandemic has also disrupted them. The pandemic has created fear among children and they are also felt physical and mental stress due to job losses of their parents because most of the parents are unable to feed their children, as many of them were dependent on midday meal school programmed. It has become difficult for parents to calm their children's anxieties because of the uncertainty and stress in their own lives. The occupational or emotional challenges parents face is interfering with their usual ability to address their children's needs and worries. Children especially of rural and migrant labourers have been severely affected during pandemics. School closures have also exacerbated their physical and mental health of children, reinforced to transform into online /digital mode of learning. It is not unusual for children to experience negative emotions such as fear, disappointment, sadness, anxiety, anger, loss etc. But it is the prolonged, restrictive, and widespread nature of the COVID-19 pandemic that has exacerbated the situation. Increased screen time, strained family relations or sedentary lifestyle at home pose

additional challenges.(SourceUNICEF).Education and learnings of 67.6% of students are impacted globally due to coronavirus in 143 countries. The transition away from physical classes has significantly disrupted the lives of students and their families, posing a potential risk to the mental well-being of children. The pandemic leaves a negative impact on children's mental health, and can lead to higher rates of depression, anxiety, and post-traumatic stress disorder. This causes fear in children because the virus threatens not just them but also their families and surroundings, especially as they see their parents working from home, leading to fear and shock.An abrupt change in the learning environment and limited social interactions and activities poses an unusual situation for children's developing brains. It is essential for the scientific community and healthcare workers to assess and analyze the psychological impact caused by the coronavirus pandemic on children and adolescents, as several mental health disorders begin during childhood. This needs to identify the risk factors to mental health and propose possible solutions to avoid the detrimental consequence of this crisis on the psychology of our future adult generations.(Shah Kaushal et al 2020)

## 6. Objectives

- To highlight physical and mental health issues of children in times of pandemic.
- To analyze the psychological impact caused by pandemic on children and adolescents, as several mental health disorders
- To identify the risk factors to mental health and find out possible solutions to avoid the detrimental consequence of this crisis on the psychology of our future adult generations

## 7. Eminent Experts:

- **Dr.VinkyRughwani**,Vice President, Maharashtra Medical Council, Government of Maharashtra
- **Shri Niraj Agarwal**,Senior Art of Living Faculty & Renowned Motivational,Speaker,(Maharashtra)

## 8. Key Takeaways

- To be calm and proactive in your conversations with children check in with them to see how they are doing.
- To engage children in creative activities, such as playing and drawing, to help them express and communicate any negative feelings and find positive ways to express difficult feelings such as anger, fear or sadness.

- To encourage Children and adolescents to talk about their feelings and reach out to a trusted friend or family member.
- To support early intervention for preventing long term mental health consequences from pandemic.
- To detect and deal with early signs of mental health problems among children as they are the first to notice changes in child's emotions or behaviour.
- To notice a sudden significant difference in their child's behaviour for more than a week and provide them professional clinical help.
- To create an environment of positivity at home to try to make children feel happy and relax.
- To investigate and identify the risk factors to mental health and propose possible solutions to avoid the detrimental consequence of this crisis on the psychology of our future adult generations.
- To protect and guard the mental health of children consistently through open communication and facilitate professional counseling to address stressors.
- Need to give additional attention to the children those who are more susceptible to the mental health crisis through a collaborative approach by involving their parents, educators, school administrators, counselors, psychologists, and psychiatrists.
- To include physical exercise yoga and meditation in daily routine for reducing the mental stress.

## 9. Programme Schedule

S.NO	Time	Subject	Facilitator
1	10.30-10.35	Introductory Remarks	Dr. Kumar Raka
2	10.35-10.40	Inaugural Address	Shri H.R. Bakhru, President, Sindhi Hindi VidyaSamiti
3	10.40-10.50	Keynote Address	Prof. Santosh Kumar, Project Director, CCDRR, NIDM
4	10.50-10.55	Special Address	Dr. VinkyRughwani, Chairman, Sindhi Hindi VidyaSamiti
5	10.55-11.00	Special Address	Dr. I.P. Keswani, General Secretary, Sindhi Hindi VidyaSamiti
<u>Session 1</u>			
6	11.00-11.40	COVID 19 & Physical Health of Children	Dr. VinkyRughwani, Vice President, Maharashtra Medical Council, Government of Maharashtra
<u>Session 2</u>			

7	11.40-12.20	Skills for Parents to dealing with Behavioural & Emotional Issues of Teens	ShriNirajAgrawal, Senior Art of Living Faculty & Renowned Motivational Speaker, Maharashtra
8	12.20-12.45	Question Answer	
9	12.45-12.55	Valedictory Address	Dr. V. M. Pendsey, Officiating Principal DRB Sindhu Mahavidyalaya
10	12.55-13.00	Vote of Thanks & Concluding Remarks	Shri Naveen Agrawal, Coordinator of the Program & Registrar, DRB Sindhu Mahavidyalaya
		Programme Moderator	Dr. Kumar Raka Convenor of the Program & Program Officer, CCDRR, NIDM

## 10. List of participants

## About the Institute

As the premier national institute focusing its work in disaster mitigation and management, the National Institute of Disaster Management (NIDM) came into existence on 16<sup>th</sup> October 2003, through a Government of India. The said order upgraded the National Centre for Disaster Management (NCDM), which was established by the Ministry of Agriculture, Department of Agriculture and Cooperation, Government of India, in March 1995. The NIDM functions under the Ministry of Home Affairs. It primarily works as a think for the Government of India, providing assistance in disaster-related policy formulation.

## Genesis and Function

Donning the motto- Resilient India, Disaster Free India, the following are the significant aims of the NIDM:

- To work as consulting agency for the Government by providing assistance in policy formulation; and
- To facilitate in reducing the impact of disasters through its technological innovations

In order to realize these aims, the NIDM functions with the following objectives in focus:

1. To undertake quality research covering both natural and human induced disasters, with a multi-hazard approach
2. To work as a national resource center for the Central and State Governments in the country, through effective knowledge management and sharing of best practices.
3. To professionalize disaster risk reduction (DRR) and emergency management in India and other neighbouring countries by developing an independent cadre of professionally trained emergency and mitigation managers.
4. To promote formal training and education for Disaster Management in India and in the region.
5. To build working partnerships with the Government, universities, NGOs, corporate bodies and other national and international institutes of eminence.
6. To link learning and action by building a synergy between institutions and professionals in the sector.

## Brochure:

Basics of Disaster Management elaborates the need for understanding the concept of disaster and how people can prepare and manage disasters at micro and macro level, focusing more on people's participation Both at urban and rural level.

Disaster Management deals with management of assets and information for a disastrous occurrence is concerned and also how effectively and impeccably one coordinates and mitigates these calamities. Disaster management, at the institutional arrangements level, deals with issues of planning, coordinating, communication and hazard management.

Traditionally, even in the legal framework, the meaning of disaster has been taken narrowly. Enforcement of Public Safety Regulations is not effective. Low income and Poverty creates problems in matters of preparedness. Professional skills for field machinery in matters of disaster management still lack.

Disaster management aims to reduce, or avoid, the potential losses from hazards, assure prompt and appropriate assistance to victims of disaster, and achieve rapid and effective recovery. Disaster Risk Management includes sum total of all activities, programmes and measures which can be taken up before, during and after a disaster with the purpose to avoid a disaster, reduce its impact or recover from its losses

Much of the gap exists between disaster research and community capacity building. There are instances of policy makers lacking the Disaster Management experience. Potential of ex-servicemen available between countries is not used well. International or bilateral cooperation in Disaster management is not up to the mark.

## Objectives of the webinar:

- To understand the concept of Disasters and the causes and consequences
- Develop skills to analyze factors contributing to Disasters.
- Develop skills to respond and participate in Disaster management.
- To provide training on First aid and disaster management techniques
- To explore the possibilities of private and non-government organization's role in this area
- To find out the role of new management policies and advanced technology in this regard to make a healthy society.

## Schedule:

**Date: 8-10-2021**

**Time 11:30am- 01:15 pm**

Time	Topic	Resource Person
11:30- 11:33	<b>Welcome Address</b>	Dr. V.M. Pemdsey Officiating Principal Dada Ramchand Bakhru Sindhu Mahavidyalaya
11:33- 11:37	<b>Inaugural Address</b>	Shri H.R. Bakhru President Sindhi Hindi Vidya Samiti
11:37-11:42	<b>Key note Address</b>	Prof Anil K Gupta Head of ECDRM, NIDM
11:42-11:46	<b>Special Address</b>	Dr. Vinky Rughwani Chairman Sindhi Hindi Vidya Samiti
11:46-11:50	<b>Special Address</b>	Dr. I.P. Keswani General Secretary Sindhi Hindi Vidya Samiti
11:50-12:15	<b>Institutional framework</b>	Shri Shekher Chaturvedi (Assistant Professor, NIDM)
12:15- 12:45	<b>Basics of Disaster Management</b>	Dr. Sushma Guleria, Assistant Professor, NIDM
12:45-12: 55	<b>Understanding Disaster Risk Mitigation measures</b>	Aradhna YP, NIDM
12:55- 01:00	<b>Q/A</b>	Participants
01:00- 01:05	<b>Concluding Remark</b>	Aradhna YP, NIDM
1:05	<b>Vote of Thanks</b>	Naveen Maheshkumar Agrawal Program Convenor & Registrar Dada Ramchand Bakhru Sindhu Mahavidyalaya

## Inaugural Session

**Welcome Address:** The program was announced open with the welcome address by **Dr. V.M. Pemdsey (Officiating Principal) Dada Ramchand Bakhru Sindhu Mahavidyalaya**. With words of appreciation for this program, he emphasized on the value of different sorts of ‘Basics of Disaster Management’, wherein experiences from the field could be shared by the eminent speakers via the virtual platform.

**Inaugural Address:** **Shri H.R. Bakhru, President, Sindhi Hindi Vidya Samiti** shared his hopefulness about the program especially for the case studies that were going to be presented in the sessions, for relatable and effective understanding of the participants. His emphasis on the requirement of disaster studies marked a motivating beginning of the program.

**Keynote Address:** **Prof Anil K Gupta Head of ECDRM, NIDM** addressed the key note of the session . He clarified that disasters are not natural, he shed light on the contemporary concerns of the professionals in mitigating disasters. Explaining how NIDM is set-up and its functions. Duly acknowledging the limitations during COVID-19 pandemic, Prof Anil K Gupta Head of ECDRM, NIDM expressed that this online webinar program organized in collaboration with **Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur (Maharashtra)** is an effort to democratize Disaster Risk Reduction, highlighting that DRR is a collective responsibility of various stakeholders in a society

**Special Address:** **Dr. Vinky Rughwani Chairman, Sindhi Hindi Vidya Samiti** began the session by extending his hearty greetings and welcoming all the esteemed dignitaries, key speakers, and participants of the training programme. He expressed great pleasure on behalf of NIDM in collaboratively working with **National Institute of Disaster Management (Ministry of Home Affairs, Government of India)**

## Speakers:

**Shri Shekher Chaturvedi (Assistant Professor, NIDM)** shared a presentation on Institutional Framework. Sir spoke on Disaster Management Act on grounds of institutional, legal, financial and coordination mechanisms at the National, State, District and Local levels. These institutions are not parallel structures and will work in close harmony. The new institutional framework is expected to usher in a paradigm shift in DM from a relief-centric approach to a proactive

regime that lays greater emphasis on preparedness, prevention and mitigation. The NIDM, in partnership with other research institutions, has capacity development as one of its major responsibilities, along with training, research, documentation and development of a National level information base. It will network with other knowledge-based institutions and function within the broad policies and guidelines laid down by the NDMA. It will organise training of trainers, DM officials and other stakeholders. The NIDM will strive to emerge as a ‘Centre of Excellence’ in the field of Disaster Management.

**Dr. Sushma Guleria (Assistant Professor, NIDM)** shared details on the basics of Disaster Management. With the help of a few figures and photographs, she explained the physical vulnerabilities of different types of buildings. She brought to light the problems that concern a system which need to be improved upon while implementing DRM, especially while planning CBDRM. Her presentation informed the participants of the officially recognized disasters by the High Powered

Commission (HPC). She rightly emphasized on the need of looking and understanding the different institutional set-ups of DRM. In context of CBDRM and institutional implementation of the same, Dr. Guleria spoke about the requirement of local-level planning via the Gram Panchayat Development Plans which talk about the integration of Disaster Management in development planning.

**Aradhna Muktan (YP,NIDM)** lectured on Mitigating Risk and Awareness and shared a case study on Mendha Lekha Village on Forest Rights Act. She shared how major disasters such as earthquakes, landslides, storms, cyclone floods have something very unique, it offers a unique chance for settlement to turn their disaster vulnerability into disaster Resilience. Thus risk reduction and mitigation measures should be integral or prime parts for Raising of public awareness, bringing changes in structural and non-structural risk reduction elements, and the need to educate the public concerning their own behavior. Risk reduction also needs to be mainstreamed into the central flow of government policies and planning and whenever we talk about planning and policy making the role of communities and its participation plays a very important role.

### **Key Takeaways:**

- There is an important practical application of the definition of disaster in the realm of disaster management. Such definition helps provide a common concept and theme throughout disaster management activities. Thus, the chosen definition is valuable for purposes of policy, organization, planning, and legislation.
- Natural phenomena such as earthquakes, cyclones, volcanic eruptions, tsunamis, wildfires, floods, landslides, and drought still persist. So, does their basic man-made counterparts such as major accidents. These disasters continue to cause grievous human casualties, economic and social loss, and damage to the environment.
- The primary responsibility for dealing with disasters must rest with the national government. In addition, an important disaster management concept is to ensure optimum use of existing resources, the majority of which tend to be under government direction.
- Awareness of the youth on the importance of skill training and education and strategy to be adopted would be through skit, group work interventions. Mobilizing and networking with NGOs and government sectors to enhance their quality of life through various skill training programmes.
- In framing a national disaster management policy, these organizational aspects must be carefully considered and included in the relevant policy statement. In this regard, it is usually prudent to frame the policy so that minor adjustments to organizational arrangements can be made without having to amend the policy itself.
- Any disaster management organization must therefore cater to appropriate community involvement and participation. This applies particularly to relevant aspects of preparedness, response, and recovery action. In fact, in framing and/or checking organizational effectiveness, it is advisable to consider requirements at community level first.
- Strengthening young people's capacities to be effective humanitarian actors, and support local youth-led initiatives and organizations in humanitarian response. Increasing resources to address the needs and priorities of adolescents and youth affected by humanitarian crises and use the new gender and age marker for better tracking and reporting.

**National Webinar on  
Role of Higher Education in Disaster Risk Reduction  
October 27, 2021**

**About National Institute of Disaster Management (NIDM)**

NIDM, Ministry of Home Affairs, is a statutory body responsible for planning and promoting training and research in the area of disaster management, documentation and development of national level information base relating to disaster management policies, prevention mechanisms and mitigation measures. NIDM is thus required to design, develop and implement training programmes, undertake research, formulate and implement a comprehensive human resource development plan, provide assistance in national policy formulation, assist other research and training institutes, state governments and other organizations for successfully discharging their responsibilities, develop educational materials for dissemination and promote awareness among stakeholders in addition to undertake any other function as assigned to it by the Central Government. Thus, NIDM is envisioned to be a center of excellence and learning in the field of disaster management. NIDM works towards effective implementation of disaster risk mitigation and management in India and also at a regional level by providing technical assistance for capacity building and developing disaster management systems and institutional framework in the sector.

Key areas of NIDM's involvement include:

**Training:** On campus and off-campus training programmes, workshops, conferences and seminars, training of trainers' programmes for officials at the national, state and district levels to prepare them to tackle natural disasters.

**Research:** Issues, concerns and lacunae in management of disaster events, lessons learnt from past disasters.

**Documentation:** Best practices in disaster management, impact of disasters, situational analysis of relief and response measures, creation of database, preparation and dissemination of awareness materials, IEC materials etc.

**About Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur Maharashtra**

Dada Ramchand Bakhru Sindhu Mahavidyalaya, celebrates the golden jubilee of dedication & commitment towards Nation Building. A Higher Educational Institute evolved from stage wise progress of imparting modern knowledge with classical values in North Nagpur. Students and Parents with non-academic background, has transformed the service into a mission. Since its inception in 1971, Dada Ramchand Bakhru Sindhu Mahavidyalaya has explored & progressed in Science and Commerce faculties. The institute has played the lead role in initiating UG courses in Microbiology, Biochemistry, Electronics, and Biotechnology at RTM Nagpur University. M.Com. & M.Sc. Programs have ensured academic progression inclusive of girl students as an affordable and practical solution. The

Ph.D. Program in commerce has added attainment in the field of education. Dada Ramchand Bakhru Sindhu Mahavidyalaya has been known for its contribution in Handball, Chess, football, Cricket, and Fencing. Our institute has passed the hurdle of a spacious playground and contributed in the form of University, National, and International sportsmen. Dada Ramchand Bakhru Sindhu Mahavidyalaya is also dedicating advanced sports facilities to the people of North Nagpur.

### **Context**

India, due to its geographical location, is vulnerable to a variety of natural and man-made disasters that impact the growth of the country and various developmental activities also are put to stand still. Its impact includes vast destruction to infrastructure and it also leaves people in distress with shaken inner strength. This largely depends on the degree of dent which is created by the impact on one's life. Along with relief, rehabilitation and care of physical health and injuries, psycho-social and mental health issues are also important that needs to be addressed on priority.

The role of the university span through all phases of disaster cycle. Universities, by virtue of their placement and proximity to the society, are instrumental in contributing towards betterment of society. However, presently universities are involved majorly in academic contribution such as providing education and conducting research. Action research and social work are other major areas where universities and institutions of higher educations are involved. Their role in disaster management till now has been very limited. However, with the directions/ notification issued by University Grants Commission (UGC), universities and other higher educational institutions have been requested to take up disaster management courses as a separate discipline or mainstream it in running courses. Voluntary aids and contributory activities are part of university and other higher education institutions' regular activities.

Generally, students at University/college level are the capacities and at the same time vulnerable group also in all disasters. Universities have their role cut out in not only making the life of students convenient but also providing continuum in education during emergency times as well. Keeping the fact that institutions of higher education have to play a crucial role in continuation of education with added responsibility of disaster management education, NIDM conducted a National Webinar on Role of Higher Education in Disaster Risk Reduction in collaboration with Dada Ramchand Bakhru Sindhu Mahavidyalaya (DRBSMV), Nagpur Maharashtra on October 27, 2021 from 1100 hrs. to 1300 hrs.

### **Programme Objectives**

Programme has been designed with following objectives:

1. To elaborate the role of higher education institutions in various phases of disaster
2. To apprise participants about utilizing the youth force in activities related to capacity building of community at large.
3. To explain the participants on process of mainstreaming disaster risk reduction in the higher education stream.

## Schedule

<b>Date &amp; Time</b>	<b>Topic</b>	<b>Faculty</b>
1100 to 1120 hrs	Inaugural Session <ul style="list-style-type: none"> <li>• Welcome Address</li> <li>• About the Programme</li> <li>• Inaugural Address</li> <li>• Special Address</li> <li>• Special Address</li> <li>• Keynote Address</li> </ul>	<b>Shri Naveen M Agarwal</b> , Program Convenor & Registrar, DRBSMV <b>Mr. Shekher Chaturvedi</b> , Asstt. 1245 to 1255 hrs	Q & A session	Panelists Participants
1255 to 1300 hrs	Valedictory Address  Vote of Thanks	<b>Dr. V.M. Pendsey</b> , Officiating Principal, DRBSMV <b>Shri Arun Verma</b> , Young Professional, NIDM

### Programme Details

Programme started with welcome address by Dr. Naveen Kumar Agarwal, Registrar DRBSMV. Dr. Agarwal thanked NIDM for collaborating with DRBSMV to conduct the webinar. He also welcomed the participants and the panelists for attending the webinar. After Dr. Agarwal's welcome address, Shri Shekher Chaturvedi, briefed the participants about the details of the programme and need of the subject. He also conveyed the good wishes of ED NIDM for the success of the webinar. He then informed the participants about the role which NIDM has been mandated under DM Act and how the Institute is progressing to achieve it. Then Shri H R Bakhru, President Sindhi Hindi Vidya Samiti (SHVS) shared his experiences during his inaugural address. He said that disasters are everywhere and timely intervention by all concerned can reduce its impact. He thanked NIDM for choosing Sindhu Mahavidyalaya for reaching out to masses. After the inaugural address of Dr. Vinky Rughwani, Director SHVS

addressed the participants. He also thanked ED NIDM for collaborating with Sindhu Mahavidyalaya for deliberating upon such an important topic. Then Dr. I P Keswani, General Secretary, SHVS addressed the participants and shared his experiences. He congratulated the organising team of both the institutions for conducting webinar on involvement of institutions of higher education in DRR activities. Dr. V M Pendsey, Officiating Principal of Sindhu Mahavidyalaya also addressed the participants during the inaugural session. He said that the webinar has given many, a learning opportunity for making contributions in reducing the risk of disasters.

After the inaugural session, the technical session began with Shri Shekher Chaturvedi, Assistant Professor, NIDM making a presentation on Role of Higher Education in Disaster Risk reduction. During his presentation, Shri Chaturvedi, said that the New Education Policy 2020 has thrown open many dimensions about higher education such as flexibility in completing the courses, practical involvement during courses, Single point of governance of higher education management etc. He also explained the issues which will emerge when mainstreaming of DRR into higher education takes place. This will include extension of roles of faculty, provisions of new areas of research with less available data, lack of trained personnel etc. He also shared the roles which higher educational institutions will have to play through their administration, faculty and students. He also highlighted the initiatives taken by NIDM for mainstreaming DRR into Higher Educational Institutions through India Universities and Institutions Network for DRR under the Agenda 6 of Hon'ble PM's ten-point agenda for DRR.

The last session of the programme was focussed on building resilience and empathy through higher education. During this session, Dr. Sushma Guleria, Assistant Professor, NIDM discussed about problems pertaining to mental health, its well-being being faced by students, faculty and administration of the higher education. She said that such problems have been aggravated by the pandemic. Students are worried about their future, technical streams have been undergoing studies without being exposed to practicals, etc. faculties and administration also are short of replies to many queries of students related to their future. There has been huge impact on mental well-being of students with all this prevailing. She also talked about stress, PTSD and psychological trauma which is gaining its grounds in terms of its impact. She said that release of pressure is the best way to calm the needy and subsequent to this bringing him/her back to society with dignity helps him/her regain normalcy and start contributing to the society. She discussed various tools which can help in releasing pressure and regain normalcy.

The programme ended with valedictory address by Dr. V M Pendsey, Officiating Principal of Sindhu Mahavidyalaya. During his address, Dr. Pendsey reiterated the importance of the contents of the programme and thanked NIDM faculty for delivering the topics with ease of making understand. He thanked organising team for their contributions. Shri Arun Verma, Young Professional NIDM then presented a formal vote of thanks.

## Key Takeaways:

1. Every stakeholder has a role to play for contributing for reducing the disaster risk.
2. Higher Education Institutions, being learning hub for future generations, must come forward to contribute in work of capacitating youth DRR related activities.
3. Faculty, as torch bearers, must guide youth for constructive contributions in the field of management of disasters.
4. Coordination in terms of research and awareness activities, with other stakeholders is must.
5. As the number of higher education institutions is large, their outreach is also large. Hence, they must take up responsibility to reach out to community for making them aware for DRR.
6. Higher Education Institutions must take up advocacy role for making DRR as actionable point in every stream.
7. They have a clear role of channelizing youth energy towards disaster risk reduction.
8. Higher education institutions have an advantage of having many streams under one roof, they can utilize this advantage for enhanced contributions for management of disasters.
9. Policy oriented research must be undertaken by such institutions.
10. Guiding and assisting other stakeholders for smooth disaster management must be agenda of higher education institutions.

## Dada Ramchand Bakhru Sindhu Mahavidyalaya Extension Activity Cell Session 2022-2023

### Minutes of Meeting

A meeting of Extension Activity cell was held on dated 27/03/2023 at 2.00 pm in the department of Sports.

#### Agenda of the meeting

- "Safe Holi Campaign" Programme on the occasion of the Holi Festival

#### Following members were present

Incharge:

Dr. Pinky Sonarghare

Members:

1. Dr. Sunil Dahire
2. Dr. Sandeep Hate
3. Dr. S. Rughwani
4. Dr. G. R. Rao
5. Mr. Rakesh Naktode
6. Dr. Suman Keswani
7. Dr. Prachi Lambat
8. Dr. Damini Motwani
9. Ms. Babita Yadao

#### Minutes of the meeting

1. During Holi festival, we knowingly or unknowingly damage our environment and natural resources. Water wastage and chemical colors harm the skin, apart from impacting our health, the use of chemical colors gets mixed with the soil thus harming the local biodiversity.
2. To make people aware of such issues and impacts and to promote Eco – friendly Holi, it will decide to organize "Safe Holi Campaign" Programme during 4th March to 6th March 2023 collaboration with NGO "Arranya Paryavaran Sanstha".

## SAFE HOLI CAMPAIGN

Holi is one of the most enjoyable and colorful celebrations in India and smearing colours on one another is a tradition. But the colors available in the market contain chemicals that are harmful to nature as well as people. During this festival, we knowingly or unknowingly damage our environment and natural resources. Water wastage and chemical colors harm the skin, Apart from impacting our health, the use of chemical colors gets mixed with the soil thus harming the local biodiversity. To make people aware of such issues and impacts and to promote Eco – friendly Holi, Extension Activity Cell, Dada Ramchand Bakhru Sindhu Mahavidyalaya collaboration with NGO “Arranya Paryavaran Sanstha” organized “Safe Holi Campaign” Programme on the occasion of the Holi Festival during 4th March to 6<sup>th</sup> March 2023. CEO of Arranya Pranay Tijare and his team organized a workshop for the students eco-friendly Holi colors where they taught students how to make natural colors from turmeric, Chandan, green vegetables, and flowers and create many color combinations using their imagination. the best way to have fun is by using natural and eco-friendly Holi colors. After the workshop students, made eco colors in our college and distributed them to nearby society Students enthusiastically Participated in “Safe Holi Campaign”. Dr. Pinky Sonarghare, Dr. Sandip Hate, and Dr. Mangesh Thakre worked hard for the Campaign.

**Memorandum of Understanding (MoU) with Bhivapur College, Bhivapur**

A formal agreement was signed by Principal of our Institute and Bhivapur College, Bhivapur for quality enhancement of higher educational institutions. The main objective of these agreements is to establish collaboration for training, student exchange and research activities. A workshop on vermicomposting and aquaculture was organized at Bhivapur College on September 2018. Dr. M.M. Shinkhede and Dr. Y. V. Bhute was delivered a lecture on Vermiculture and Aquaculture respectively. Students were aware practically about the installation of portable Pit and fish culture and their byproducts. About 48 students were participated in this workshop at Bhivapur College.

Subject: Letter of Appreciation

Respected Sir,

I wish to inform you that we offer post-graduation in Zoology at our college. You must be aware of the fact that the students are supposed to complete a dissertation work for fulfillment of their MSc degree. For completing their work they are required to use multiple techniques. In the field of Zoology, the photomicrography forms an important aspect of the student's work. Any laboratory work, especially the kind of work that we do, is not complete without the presentation of the results in the form of photomicrographs. Unfortunately, this year, we had some technical issues just before the completion of project work of my students. We could not take good quality photomicrographs.

In such testing times, I had asked to Dr. Milind Shinkhede, Head, Department of Zoology of your college for helping us with photomicrography. I am grateful to you, to him and the entire staff of your Zoology department for helping three of my students of post-graduation by allowing them to use the facility in your college. Without this help, my students would not have submitted their dissertation within the stipulated time.

I wish to acknowledge the help extended by the staff members of your college and I hope to continue this association in the future as well. We will be happy to help you in any academic collaboration that may form in the future.

Thanking you,  
With warm regards,

Yours faithfully,

**Dr. Nikhil V. Palande**  
Assistant Professor  
Department of Zoology  
B. M. Mohola College of Science

### MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding (MoU) is made on this .....day of the month of .....in the year .....at Delhi.

#### BETWEEN

1. **HORIBA India Pvt. Ltd., through its educational initiative HORIBA India Technical Institute** (hereinafter "HITI"), a company registered under the Registrar of Companies and having its registered office at 246, Okhla Industrial Estate, Phase-III, New Delhi 110020 and having its training facilities at Plot No B-3 & C-32, MIDC Butibori Phase II, Industrial Area, Nagpur, Maharashtra 441122, on the one part.

#### AND

2. Party No. 2 **Dada Ramchand Bakhru Sindhu Mahavidyalaya Kaka Tilokchand Rughwani** Marg, Panchpaoli, Nagpur-440017

Whereas the Party No. 1, a respected leader in the medical devices industry, through its educational initiative HITI is engaged in the activity of providing industry-focused trainings and research facilities to students and working professionals of certain medical and paramedical domains and has the mandate and power to establish linkages with national and international bodies and institutions for the purpose of enhancing and expanding the quality of education and research.

*Rajendra Sarda*

*Pendoley*

AND

**Whereas Party No. 2 is a premier educational institute founded in 1971 and committed to provide quality education to students especially from the economically and socially deprived society.**

The Party no.1 and Party no.2 are seeking collaboration with each other

Now, therefore, this Memorandum of Understanding witness as below:

1. The broad objectives of the MoU shall be as follows:
  - Offer industry-oriented theoretical and practical training to students of Party No. 2, primarily in the domain of Clinical Laboratory Sciences, Laboratory Automation, Accreditation and Quality Management
2. **Geographical area of operation:** India
3. **Scope and Technical Specifications:** Essential and Advanced Courses in Clinical Laboratory Sciences, Laboratory Automation, Quality Management, Accreditation and Interpersonal Skills
4. **Faculty:** Internal & External trainers of HITI & HORIBA Medical.
5. **Validity:** 36 month from date of contract.
6. **Role and Responsibilities of HITI:** To train students of Party No. 2 with a mutually agreed course curriculum at mutually accepted prices before the launch of the particular training program.
7. **Role and Responsibilities of (Party No. 2):** To nominate students who are interested to train with Party No. 1, and, if special needs of any students, verify them and inform it in writing to Party 1 and take a prior acceptance in writing.
8. **Joint Responsibilities:** Joint Responsibilities of Party No. 1 & 2: Safety and security, regular attendance and good behavior of nominated students for the duration of the course.
9. **Financial Arrangements:** Course fees and advance payment terms to be decided prior to acceptance of course between two parties  
**Reasonable time to be given for discussion and closure of fees and other financial terms**
10. **Monitoring Committee:**

For the smooth, effective, and transparent implementation of the project there shall be monitoring committee comprising the following persons:-

- (i) President, HORIBA India Pvt Ltd
- (ii) Principal and/or Project Director, HITI
- (iii) Representative of Party No. 2
- (iv) Head of the institution of Party No. 2 (Member Secretary)

The monitoring committee shall meet physically or digitally at least once in six months and finalize various plans & reports pertaining to implementation of the project. It shall also review the financials and discuss any other item with permission of the monitoring committee. The decision of HORIBA India President will be the deciding factor in the above matters between the two parties.

**11. Publications or other benefits out of MOU**

- All publications in the programs of cooperation will be co-authored by the concerned staff and faculty of HITI and Party 2. The Monitoring Committee shall review the patentability aspect of any research work carried out under this MOU and decide whether an application for patent can be made or not.

*Pragya Paudyal*

*Pendsey*

- HORIBA and Party 2 will be joint holders of the intellectual property rights (IPR) arising out of the joint work. The decisions on ownership, licensing, costs, royalties, etc. shall be discussed and made by the Monitoring committee.

**12. Waiver (if any)**

The waivers by either party of a breach or default of any of the provision of this MoU by the other party shall not be interpreted as:

- A waiver of any succeeding breach of the same or other provisioner shall any delay or omission on the part of either party to exercised; or
- A way to avail itself of any right, power, or privilege that it has may have under this MoU to operate as a waiver of any breach of default by the other party.

**13. Termination of MoU**

1. The MoU can be terminated by either Party giving to the other party a prior written notice of not less than 60 days of its intention to do so but without dishonoring any commitment entered in to prior to the date of termination of the notice.
2. The MoU shall also stand terminated for any reason such as outcome of legal proceedings, act of State, act of GOD or similar such exigencies beyond the normal control of the party concerned and which would disable any of the parties hereto from functioning further.

**14. Amendments to the MoU**

No amendments to this Mou shall be valid unless the same is made in writing jointly by both the parties or their authorized representative and specially stating the same to be amendments to this MoU.

**15. Arbitration**

Any dispute arising out of the violation of term of this MoU are in connection with this MoU between the parties shall be resolved by mutual negotiation. In case of any unresolved dispute, the parties shall refer the said dispute for arbitration by the sole arbitrator appointed by **HORIBA India Pvt. Ltd.** and the decision o the arbitrator shall be final and binding on both the parties.

The provisions of Arbitration and Conciliation Act 1996 shall apply to such arbitration proceeding which shall be held at New Delhi.

**16. Jurisdiction**

Only the competent courts in Delhi shall have jurisdiction to entertain the legal proceeding arising out of this MoU.

The WITNESS WHEREOF both the parties hereto have set their hands, the date and the year herein above mentioned.

### **INDUSTRIAL VISIT TO HORIBA INDIA TECHNICAL INSTITUTE**

A visit to, **HORIBA INDIA TECHNICAL INSTITUTE**, Butibori was organized by department of microbiology on 24 Feb 2023. The HORIBA Group of worldwide companies provides an extensive array of instruments and systems for applications ranging from automotive R&D, process and environmental monitoring, in-vitro medical diagnostics, semiconductor manufacturing and metrology, to a broad range of scientific R&D and QC measurements. Proven quality and trustworthy performance have established widespread confidence in the HORIBA Brand. 51 Students of B.Sc IV semester along with faculties and supporting staff visited the institute.

Mr Jaldeep Bhansali, Project Director HITI gave the brief introduction about the institute and courses at HITI like Post Graduate Diploma in Clinical Lab Sciences (PGDCLS) and Advanced Diploma in Clinical Lab sciences (ADCLS). He also brief the information of biomedical automatic analyser production at HITI. Students learnt about technological aspects of hematology and biochemistry analyzers. They were astonished by seen the demonstration of one of the world most Advanced Hematology Analyzer Automation.

Dr Ruzbeh Mowdawala Principal HITI, inspired and guided the students for the courses and importance of courses for their career development.

Mr Murli Ramchandran, Mr Prajapati, Mr Aniket and Mr Ajay guided the students during their visits to various departments like Chemical production unit, warehouse and laboratories having various automated instruments like microscopes, centrifuge, etc. Students were also taught the technique to withdraw blood using artificial arm.

Dr Sujata Mankar, Dr Anita Chandak, and supporting staff Mr Ramesh Madhani accompanied the students during the visit.

## WHEREAS

- a) The INCUBEIN FOUNDATION has established Incubation Center and utilizing the System and is offering to other institutes to establish Innovation and incubation Sub-Center of INCUBEIN FOUNDATION.
- b) The INCUBEIN is established as section 8 Company (Non-profit Organization) under companies act 2013 and has been funded by Maharashtra State Innovation Society (MSIS), Government of Maharashtra.
- c) The INCUBEIN is desirous to established the connections with all the affiliated colleges of University as well other Institutes to promote the entrepreneurship among students and faculty through its expertise and to conduct the various training modules for upgrading the student.
- d) INCUBEIN is an initiative formed to promote the entrepreneurship, skill development and to create employable human resource in different sectors.
- e) Incubein Sub-Center (Dada Ramchand Bakhru Sindhu Mahavidyalaya) is desirous of participating in Incubation/Innovation Program and has agreed to provide operational support for the various activities conducted by INCUBEIN for the benefit of students and faculty.

## Role and Responsibilities

1. INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER (Dada Ramchand Bakhru Sindhu Mahavidyalaya) will share all the facilities available with their institutes free of cost or with minimal cost.
2. INCUBEIN will provide space to all its SUB-CENTER Startups for the research and development after the personal examination.
3. The final market ready product will be under the joint aegis of INCUBEIN and SUB-CENTER but the patent will be exclusively under the name of the person who has developed the product.
4. All technical support will be provided by the INCUBEIN incubation Center to the incubatee. INCUBEIN will also provide interns as per the project requirements with paid or unpaid internship.
5. A refresher training will be done by the INCUBEIN at the SUB-CENTERS once or twice a year as per the requirement of the Centres.
6. A monthly booklet will be issued for the SUB-CENTERS to let them know about the new MOUs done by the INCUBEIN and vice versa.
7. INCUBEIN will also provide mentors from time to time as per requirements to the SUB-CENTERS on the topics of their choice.
8. Technology sharing will be the key agenda for this agreement.
9. With the mutual understanding between both institutes extended agreement may be signed for the benefit of the students. INCUBEIN will provide all the necessary help and expertise available to SUB-CENTERS for their growth.
10. Sub-Centers will provide the faculty details and their expertise in respective fields to be provided to INCUBEIN.
11. Students information of each year to be share so that the information related to INCUBEIN and SUB-CENTERS circulated so that the information related to all the activities reach to each student.
12. To make INCUBEIN SUB-CENTER In-charge and his team along with active students to cater the need of students.
13. The details of Incubation team and their activities along with their difficulties should be provided to INCUBEIN so as to proper solution to be given to them
14. Various programs, seminars, workshops, Hackathons will be arranged. The SUB-CENTER Team will be responsible for promotion and execution of these programs.

Incubein foundation

  
INCUBEIN FOUNDATION

Institute

15. Ideas nurture in the SUB-CENTERS with prototype may be forwarded to INCUBEIN for their further development and catalysis to make them successful entrepreneurs. In this case the incubate will be co-incubated in INCUBEIN and INCUBEIN SUB-CENTER.
16. Incubatee needs to sign the agreement with INCUBEIN FOUNDATION for coincubation. Without permission of INCUBEIN, Incubatee will not be able to use the name of INCUBEIN FOUNDATION or RTM Nagpur University.
17. Quarterly and yearly report to be submitted to INCUBEIN, failing in submission of reports may terminate this agreement.
18. If the idea is at initial stage and need all the developmental support the terms and conditions will be finalized at that time.
19. In case of any dispute arising in connection with this agreement or its interpretation or breach of any stipulations, except as hereinbefore provided, then the parties hereto shall endeavour to settle it through mutual discussions. If the disputes is not settled with mutual discussions, then any of the party or both parties, shall refer the matter to the Board of Directors, INCUBEIN FOUNDATION who shall decide the matter, at the earliest, and in any case within 45 (forty five) days from the date of any party approaching, with his written grievances to the Director, Incubein for referring the matter to the BOD, and whose decision shall be binding on the parties. If any of the party is not satisfied with the decision of the BOD or such named officer, or officer is unable to take up the matter or decide the matter, within said time or say within extended reasonable time, (if both parties agree for such extended time) then any of the aggrieved party, may resort to the arbitration, as hereinafter provided.
20. Any of the parties, being aggrieved by the final decision (or inaction to decide the matter in stipulated time or extended time) of Board of Directors of the INCUBEIN, for appointment an Arbitrator. The Board shall, having due regard to the nature of the dispute, amount involved, expertise required for resolving the dispute and other incidental issue, shall appoint a suitable person as an arbitrator. Such arbitrator can be in-house person or an outsider or can be an advocate or retired judicial officer or bureaucrat or Banker or IT expert, Financial expert or Company Law Expert or relevant expert in the field of the subject of dispute or any other person in the opinion of the Board who is a fit person to act as an arbitrator and expeditiously resolve the matter.  
Arbitration Proceedings shall be governed by the provisions of the Arbitration and Conciliation Act, 1996. The arbitrator shall be required to pass reasoned and speaking award. The Proceedings shall be in English and it shall be held at Nagpur. The cost of arbitration shall be shared equally by the parties.
21. The SUB-CENTERS shall not carry out any activity which is of unbecoming of the interest of the INCUBEIN or RTMNU or which is prejudicial to the interest of the INCUBEIN in the opinion of INCUBEIN/RTMNU. The decision made by the INCUBEIN will final if any dispute arises.
22. The legal expenses for drawing up of agreements shall be borne by the SUB-CENTERS.

#### TERM AND TERMINATION

- a) This Agreement shall be effective from the date of signing and shall remain in force for One Year, ("Full Term").
- b) Sub-Centers will pay the processing fee of Rs. 1000/- (One thousand) by DD or Cheque payable to INCUBEIN FOUNDATION for establishment of Sub-Center.
- c) This agreement may be further extended by mutual consent in writing (Depending on the growth of Center reviewed by team of Incubein)

**Innovation And Incubation Cell**  
**“Navriti”**  
**Session 2022-2023**  
**Report**

---

The "Navriti"- Innovation and Incubation Cell at Dada Ramchand Bakhru Sindhu Mahavidyalaya dedicated its efforts throughout the year to nurture students' ideas, aiming to incubate and refine them. The focus was on fostering brainstorming sessions, offering essential support, resources, and guidance to help turn those initial sparks of creativity into significant ventures.

### **Objectives**

#### **Promoting Innovation:**

- The primary goal of an IIC is to encourage and facilitate innovation among students.
- This includes generating new ideas, processes, and products that can have a positive impact on society and the economy.

## Supporting Startups:

- Incubation cells often provide resources, mentorship, and funding opportunities to early-stage startups.
- The aim is to help these startups grow and succeed by providing a nurturing environment and necessary support services

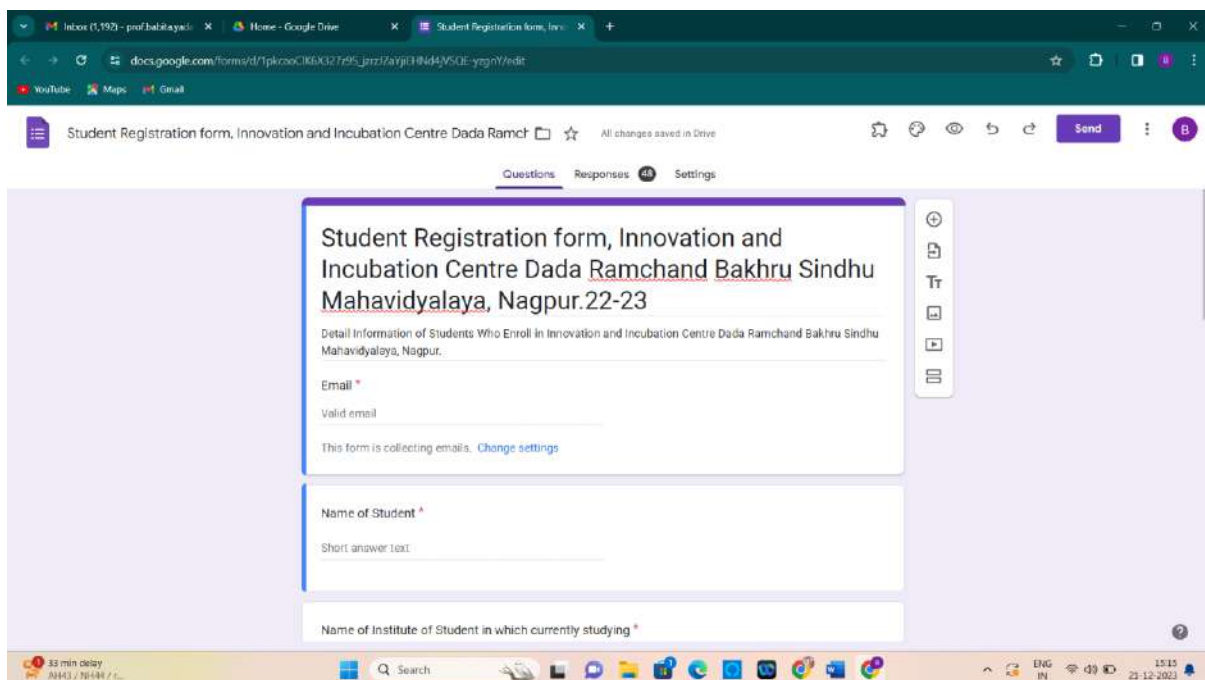

## Activities for the session:

The session started with meeting of committee members to plan for the activities.

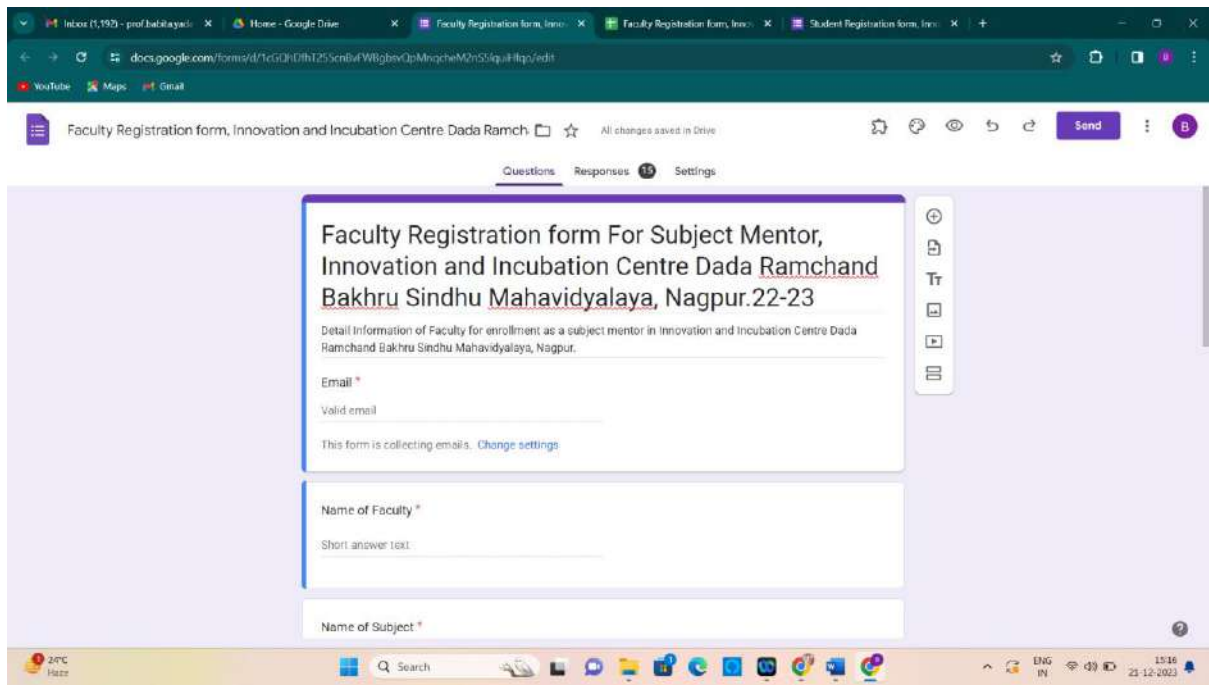

## Registration Process:-

The session started with the preparation of Brocher and Registration links for students who want to enroll themselves for the idea mentoring as well as Teacher-Mentor registration links.

Number of students approached and after screening their registration details, 4-5 are selected for final mentorship and discussions.

The image shows a screenshot of a Google Forms registration page. The browser address bar shows the URL: docs.google.com/forms/d/1pkzooCk6X3795\_jmz1ZaY83#44V5OE-yzgnY/edit. The form title is "Student Registration form, Innovation and Incubation Centre Dada Ramch Mahavidyalaya, Nagpur.22-23". Below the title, it says "Detail Information of Students Who Enroll in Innovation and Incubation Centre Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur." The form has three main sections: "Email \*", "Name of Student \*", and "Name of Institute of Student in which currently studying \*". The "Email" section has a "Valid email" label and a "This form is collecting emails. Change settings" link. The "Name of Student" section has a "Short answer text" label. The "Name of Institute" section has a "Short answer text" label. The form is displayed in a light purple theme. The Windows taskbar at the bottom shows the time as 12:15 on 23-12-2022.

## Discussions:

Discussion session was taken with selected students about their ideas and possible suggestions to groom their ideas

Date: 16/12/2023

## Visit to RTMNU Incubin stall as a brain storming for students:

A visit to Innovation and Incubation stall of RTMNU, Incubin Foundation at Indian Science Congress Conference at RTMNU Campus, was done by Ms. Babita G. Yadao (Co-In-charge) and Dr. Pooja Mohobe (mentor) in order to understand the activities till conducted by the IF, RTMNU. The teachers interacted with the members of IF,RTMNU and explored the opportunities of collaboration with them.

m.c. MBBS  
M.C.

Idea

### Summary of organic cosmetic

An organic cosmetic is a product in which at least 95% of the natural ingredients are organically grown. Organic cosmetics are formulated with vegetable raw materials from organic farming. These cosmetics must not contain: Paraffin, silicones, parabens, controversial chemicals.

Apart from providing natural protection & care to our skin, natural & organic cosmetics also help us keep our well being in check.

### Summary

Nono aspects of environmental science and sustainability. There are types of nanomaterials, organic & inorganic. We can use nanomaterial in cosmetic industries as, synthetic polymers, solid lipids, nanoclays & silica. Insoluble nanoparticles in cosmetic products are essentially used as UV-filters or preservatives. Nanoparticles alter properties of cosmetic products including color, transparency, solubility & chemical reactivity. Nanomaterials are also used in moisturisers, hair care, products, make-up & sunscreen. It's use to enhance the delivery of active ingredients, improve the appearance & it's provide sun protection. Example → nanoparticle used in create effective sunscreen by adding higher active ingredients, to deliver skin improvement with no harmfulness, it's also improve the texture & appearance of cosmetics.

## Feedback:-

At the end of session students were asked to provide a honest feedback of what they expect more as support from Navriti-Innovation and Incubation and the mentors in order to take their ideas to next level. They were conveyed that once they are clear with their ideas they will be assigned the mentor teachers belonging to their work of interest with whom they can work and go to the level of starup.

प्रती,

मा. प्राचार्य,

*Dr. R. M. ... ..*  
नागपुर,

विषय - आपल्या महाविद्यालयामध्ये ED CELL अंतर्गत, एक दिवशीय EAC (Entrepreneurship Awareness Camp) व दोन आठवड्यांचे EDP (Entrepreneurship Development Program) या कार्यक्रमाचे आयोजन करण्या बाबत -

महोदय,

उपरोक्त विषयाच्या अनुषंगाने आत्ताच्या काळाची गरज ओळखता, सुशिक्षित बेरोजगारीचा विचार केला असता आणि प्रत्येकाच्या हाताला स्वतःचा उद्योग मिळावा हा विचार केला असता, आपल्या महाविद्यालया सोबत, महाराष्ट्र उद्योजकता विकास केंद्र, (MCED) चा MOU झालेला असून, या माध्यमातून, आपल्या महाविद्यालयीन विद्यार्थ्यांसाठी व माजी विद्यार्थ्यांसाठी, आपल्या महाविद्यालयामध्ये ED CELL अंतर्गत, एक दिवशीय EAC (Entrepreneurship Awareness Camp) व दोन आठवड्यांचे EDP (Entrepreneurship Development Program) या कार्यक्रमाचे आयोजन करावयाचे आहे.

तरी आपण कृती आराखडा तयार करण्याकरिता व या प्रशिक्षणाचे कालावधी निश्चित करण्या करिता आपले मोलाचे सहकार्य असावे, हि विनंती.

*...*  
आपला

विभागीय प्रकल्प अधिकारी  
म.उ.वि.के. नागपुर.

Sub: Acceptance of proposal for conducting a MS-DEED Level 1 workshop on 'Introduction to Effective Pedagogies' at Dada Ramchand Bakhru Sindhu Mahavidyalaya (DRBSM), Nagpur from 17 to 19 November 2022.

Dear Dr. V. M. Pendsey,

Thank you for submitting the proposal dated 11/10/2022 to conduct a MS-DEED Level 1 workshop on 'Introduction to Effective Pedagogies' from 17 to 19 November 2022 at your college in association with Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. We are happy to accept the proposal. The workshop will provide UG/PG educators an opportunity to learn effective pedagogical methods aligned to NEP 2020 and participate in the Level 2 workshop at IISER Pune. The workshop will be jointly organised by Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur and IISER Pune (MS-DEED), and supported by the Maharashtra State Faculty Development Academy (MSFDA). Dr. V. M. Pendsey has kindly agreed to be the local organizer for the workshop.

Workshop will be conducted in accordance to the guidelines mentioned in the document enclosed herewith. Half the approved amount as per the budget submitted in your proposal will be paid before the start of the workshop, while the balance will be paid on submission of the audited UC/SE. Funds will only be disbursed to an audited bank account of your institute. Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur will also be responsible for disbursing the amount from the workshop.

We look forward to a successful partnership with you towards organizing this workshop.  
Thank you.

Regards,

*Harinath*

Subject: Final Report Submission and Auditory Statement & Utilization Certificate of MS-DEED Level 1 workshop organized on 17, 18 and 19<sup>th</sup> November 22 at Nagpur.

Dear Sir,

We Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur had successfully organized MS-DEED Level 1 workshop on 'Introduction to Effective Pedagogies' on 17, 18 and 19<sup>th</sup> November 2022 at Nagpur in association with Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur and IISER Pune (MS-DEED) supported by MSFDA.

We had submitted the detailed proposal on 11/10/2022 for the amount 2,85,000/-. As per the sanctioned letter of proposal dated 18/10/22, around half the approved amount 1,42,500/- had already received before the start of the workshop.

Here we are submitting the utilization certificate (UC), statement of Expenses(SE) & along with final report of the workshop for settlement of account and request for the balance amount.

Kindly do the needful.

With warm regards,

Dr. V. M Pendsey  
Officiating Principal,  
Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur

Enclosure:

1. Final Report
2. utilization certificate (UC)
3. Statement of Expenses(SE)

## UTILISATION CERTIFICATE

1. Title of the workshop : MS-DEED LEVEL 1 IN -PERSON WORKSHOP ON "INTRODUCTION TO INNOVATIVE PEDAGOGIES FOR TEACHERS OF UNDERGRADUATE SCIENCE & MATHEMATICS"

Session 2022-2023

**Annual Report**

Workshops On Effective Pedagogy

By- MS-DEED Master Trainers

---

The NEP-2020 is ready to be accepted and bring revolution in the whole education system. In order to implement it effectively, Maharashtra Government has launched a programme called as MS-DEED, Maharashtra State Development of Educators and Enhancement in Delivery which is a close collaboration between IISER Pune and the Maharashtra State Faculty Development Academy (MSFDA) - Centre for Multi-disciplinary Curriculum & Pedagogy under the Department of Higher and Technical Education, Government of Maharashtra.

The programme aims to engage in developing the professional capacity of teachers aligned with NEP 2020 through training faculty members of universities and colleges. The focus is on integrating classrooms and labs with scientific teaching, active-inquiry-based learning and 'low threshold high ceiling' approaches with emphasis on teaching strategies by and for teachers.

IISER Pune started the MS-DEED programme in December 2021 and has conducted several Online and In-person workshops. Since its inception, many science and mathematics teachers and institutions have been reached through these workshops across all districts of Maharashtra State.

Dada Ramchand Bakhru is proud to place on record that the five faculty members, Dr Arti Golhar (Physics) , Dr. Megha Bhambri (Botany) , Dr. Rupali Wanjari (Mathematics) , Dr. Ragini Maganwar (Zoology) and Ms. Babita Yadao ( Chemistry) have undergone the Level-I and Level-2 intensive training by MS-DEED at IISER, Pune and are now Master Trainers at district level. After their training they have been continuously engaged in organizing inter and intra level workshops on effective pedagogy for teachers in HEI's.

➤ **Pratyancha (For Higher Education Teachers)**

As an initiative, a two days inhouse workshop '**Pratyancha**' on effective pedagogy was conducted on 28th & 29<sup>th</sup> July 2022 at DRB Sindhu Mahavidyalaya, Nagpur. The trainers for the workshop were Dr. Arti Golhar, Dr. Megha Bhambri, Dr. Rupali Wanjari, Dr. Ragini Marganwar and Ms. Babita Yadao. They delivered their talk on various techniques and tools which can be implemented to make teaching learning more effective. Faculty members of all the streams of the institute i.e. Science, Commerce, Management & Humanities participated in the workshop with great enthusiasm. During the inauguration Ragini Marganwar introduced the workshop and explained the motto of MS-DEED. Dr. Zeenat Kashmiri, In-charge of Teaching learning committee explained the importance of the workshop. She encouraged the participants for active participation.

➤ **MS-DEED Level-I Workshop by DRBSMV, Nagpur at RTM, Nagpur University**

A three-day MS-DEED Level 1 Workshop on “Introduction to Innovative Pedagogies for Teachers of Undergraduate Science and Mathematics” was organized by Dada Ramchand Bakhru Sindhu Mahavidyalaya and Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur in collaboration with IISER Pune on 17 th , 18 th and 19 th November 2022.

The workshop was inaugurated at the hands of Dr. S. R. Chaudhari, Vice Chancellor, R.T.M.N.U., Nagpur. The trainers were Prof. Mallika Pathak (Miranda House, University of Delhi, Delhi), Dr Aaloka Kanhere (Homi Bhabha Centre for Science Education, Mumbai), Dr Asim Auti, Dr Manawa Diwekar, Ms Sugandha Negi, Ms Jasmine Duggal (IISER, Pune), Dr Arti Golhar, Dr Megha Bhambri, Dr Rupali Wanjari, Dr Ragini Marganwar, Ms Babita Yadao (MS-DEED trainers of DRB Sindhu Mahavidyalaya, Nagpur). The workshop was organized to provide new dimensions of active learning, output-oriented teaching, Inquiry based pedagogy, assessment strategies, e-content, subject specific breakout sessions and digital pedagogies to the participant teachers. Few participants from the workshop will be selected for Level-II extensive training at IISER, Pune to be entitled as Master Trainers. The workshop ended with the feedback sharing by the participants. The closing remarks were given by Dr. V. M. Pendsey, Officiating Principal, DRBSMV, Nagpur. The workshop was a huge success.

### ➤ Workshop at Amravati

A three days MS-DEED Level -1 Workshop on “Introduction to Innovative Pedagogies for Teachers of Undergraduate Science and Mathematics” were organized by Shri Shivaji Science College, Amravati and UGC-HRDC, Sant Gadge Baba Amravati University, in collaboration with IISER Pune on 19<sup>th</sup>, 20<sup>th</sup> and 21<sup>st</sup> January 2023. The trainers were Dr. Aaloka Kanhere (Homi Bhabha Centre for Science Education, Mumbai), Dr. Gajendra singh Pachlore (Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar). Dr. Asim Auti, Dr. Manawa Diwekar, Dr. Sourab Dube, Ms. Jasmine Duggal and Ms Sugandha Negi (IISER, Pune).

Master Trainers Dr Arti Golhar, Dr Megha Bhambri, Dr Rupali Wanjari and Ms Babita Yadao of DRB Sindhu Mahavidyalaya, Nagpur were invited and conducted a session during the subject specific Hands-on sessions on 20<sup>th</sup> January 2023. During the session, focus was on Inquiry – based Classroom and Laboratory Practices, Blended teaching and taking participants inputs. At the end of the day, subject specific teams of participants were given the task to make their Inquiry-based Classroom and Laboratory lessons & activities which are aligned to their curriculum. The day was concluded with participants discussions and feedback.

➤ **Workshop at Akola**

➤ **Pratyancha (For Junior College Teachers)**

Dada Ramchand Bakhru Sindhu Mahavidyalaya Organised a four day workshop on National education Policy entitled 'PRATYANCHA' from 24th April 2023 to 27th April 2023 in Computer laboratory of the college. The main objective of this Workshop was to create awareness about the newly launched NEP amongst Junior College Teachers and to familiarize them with the skills , to help them understand it's nuances , curriculum changes, shift in the pedagogical skills and its implementation for the 360 degree holistic development of its stake holders, the students. The workshop began with the welcome note and introduction of the eminent guest speaker Mrs. Samrudhi Shirgaonkar, (Academic Consultant) Director Anantpradnya Consultants LLP. She delievered a speech on NEP and talked about SWOT and

skill development programs for preparing future ready students. Dr. V.M. Pendsey, Officiating Principal in his introductory speech shared the concept and need of NEP .

On day two, three the trainers, Dr. Arti Golhar, Dr. Megha Bhambri, Dr. Rupali Wanjari and Ms. Babita Yadao discussed over the topics science of teaching, Psychology of learner, inquiry based ,Creative and reflective, Developing Effective Learning objectives. Our learning should consist of context, Activities, Effective Learning Outcomes and Assessments. , Evaluation and setting smart targets, various tool and engaged in various tools used in learning process. Simulation, Virtual lab, Padlet, Clickers, Chat GPT, Mentimeter, quizziz ,Kahoot.

On the concluding day, participants of different subject teams of Languages, Commerce, Physics, Chemistry Mathematics and Biology presented very well their lesson plans. Dr. Mrs Hiwarkar, Vice Principal. Mr Verma, Supervisor for Junior college. Dr.Mrs.Rughwani were prominently present. The Co Ordinator of the workshop was Dr. Mrs Seema Nagpal. At the end of the day Valedictory function was arranged, wherein teachers thanked the principal for his guidance and support.

## Samvedna

### Blanket Donation Drive 150 blankets distributed

Rotaract Club of Dada Ramchand Bakhru Sindhu Mahavidyalaya performed an activity called Samvedna blanket donation to the needy ones on 25th and 26th December 2021 under the guidance of Teacher Coordinator Dr. Suman Keswani and Co-coordinators Dr Reema Kamlani and Dr Damini Motwani. President of RCNN Rt Hashu Ambani and Director Youth Services Rt Swapnil Band were also present during the blanket distribution drive.

A significant amount was raised by which 150 blankets were bought. 15 Rotractors were involved in the fund-raising activity. 30 rottractors volunteered for the blanket donation drive. Around 100 blankets were distributed on 25th evening and 50 blankets on the next day i. e. 26th morning.

The blankets were donated in the areas like Lohapul, Sadar, Sitabuldi, Shani Mandir, Yashwant Stadium, Kamal square, Indora square, Panchpaoli area, Gandhi Bagh, Itwari post office, Meetha Neem Dargah and Koradi colony.

The team members displayed great teamwork and dedication throughout the drive and worked unitedly to make the drive a huge success.

## BLANKET DISTRIBUTION DRIVE

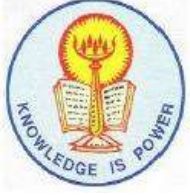

Extension Activity Cell, Dada Ramchand Bakhru Sindhu Mahavidyalaya organized Blanket Distribution Drive to needy people. The objective of the initiative was to provide shield to the less privileged from the chilly winters. The drive was carried in different parts of the regions of Nagpur such as Gaddi Godam, Sadar, Indora, Ram Zula. About 20 students volunteered enthusiastically for this drive. About 30 under privileged people benefited from this drive. The aim of the drive was to inculcate the values of sympathy, selfless service and benevolence as well as to sensitize students towards the society and to provide service to society. Our Principal Dr. S. V. Kasbekar, Dr. Milind Shinkhede, Dr. P. C. Sonarghare, Dr. S. G. Hate, Dr. S. K. Kharkate, Dr. Rama Rao, Mr. Rakesh Naktode, Dr. Suman Keshwani, Dr. Prachi Lambat, Dr. Babita Yadav, Dr. Damini Motwani, Dr. A. Qureshi and Dr. Leena Chandnani willingly supported this drive.

## Donation for Beltarodi Disaster

Last week our city witnessed a distressed fire in the Beltarodi area where 93 houses were gutted after 40 LPG cylinders exploded. Hundreds of people lost their shelter and belongings in it. NSS unit of Dada Ramchand Bakhru Sindhu Mahavidyalaya is planning to help these people by providing some food and household items. All the teaching, non-teaching staff and students are requested to donate some useful household items like clothes, utensils, dry food items etc to help these families. You can donate these items at college campus tomorrow on **14th May, Saturday** between **10:00 am to 12:00 N** in the **Smart classroom**. Our efforts may help these people recover a little from the loss.

## INSTALLATION OF COMPUTER AT THE ORPHANAGE

Rotaract club of Dada Ramchand Bakhru Sindhu Mahavidyalaya conducted computer installation project on 29th November 2020 in two orphanages in the north Nagpur locality from the fund raised from our projects like mat making and housie.

President, secretary and to fellow members went to the Jeevan ashray hope and care centre and anath seva orphanage and successful install one set of PC in each orphanage from the fund raised by the projects which is about to 13,000 rupees .

The children's are aged between 10 to 15 years will be benefited by our small help. From now onwards, 2 members of our club will visit the orphanage every Sunday and teach the children basics of computer.

This is a small contribution by our club achieved with immense hard work of our member.

## DISTRIBUTION OF PACKETS OF DIYAS AND CANDLES TO THE NEIGHBOURHOOD SLUM AREAS

**Rotaract Club of Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur**  
Under the banner TOFA members of Rotaract club of Sindhu Mahavidyalaya visited the neighbourhood slum areas near the college and gifted packets of diyas and candles to the poor children and old women. Students made paper bags from old and unused newspapers to pack diyas and candles. With a great sense of pride and satisfaction students performed their social responsibility trying to bring smiles among the downtrodden masses. Members also visited a school in that area and distributed sweets and chips to the little kids and also spent quality time with them playing, singing and sharing jokes with them. This was a kind gesture on the part of our 35 Rotarians. They were accompanied by Dr.Ali Akbar Maimoon ,Director Youth Services, Project Incharge Dr.Leena Chandnani ,Vice Principal Dr Tewani and Dr.Keswani. The event was a grand success.

Memorandum of Understanding

On Exchange of Students & Faculty members

Between

Sindhi Hindi Vidhya Samiti's  
Dada Ramchand Bakhru Sindhu Mahavidyalaya,  
Panchpaoli, Nagpur

And

Shri Nagpur Gujarati Mandal's  
Smt. Ushaben Chandrakant Thakar Women's College,  
Queta Colony, Nagpur

This Memorandum of Understanding (MoU) shall become effective from 10th March 2023 to 9th March 2026 to establish an affiliation by and between Dada Ramchand Bakhru Sindhu Mahavidyalaya, Panchapaoli Nagpur, established by Sindhi Hindi Vidhya Samiti, affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur and approved by Govt. of Maharashtra, of the FIRST PART

And

Smt. Ushaben Chandrakant Thakar Women's College, Queta Colony, Nagpur, established by Shri Nagpur Gujarati Mandal, affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur and approved by Govt. of Maharashtra, of the SECOND PART for the purpose of exchange of faculty members & students.

#### **PREAMBLE**

WHEREAS, Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur and Smt. Ushaben Chandrakant Thakar Women's College, Nagpur have many areas of common interest in Commerce, considerable advantage may be gained from their pursuit on a collaborative basis in the fields of core academics, holistic education and research.

NOW THEREFORE, Dada Ramchand Bakhru Sindhu Mahavidyalaya and Smt. Ushaben Chandrakant Thakar Women's College have decided to enter into this Memorandum of Understanding (hereinafter referred to as MoU), which defines the framework for the cooperation of the two institutions set out in the following sections.

#### **ARTICLE 1: OBJECTIVE**

Both Institutes agree to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality.

The two institutions shall seek to promote:

a. Faculty/Staff Exchanges

1. The exchange of faculty to the mutual benefit of both institutions,
2. Collaboration in teaching, research and development, and consultancy studies in the field of mutual interest,
3. The exchange of academic materials and publications,
4. Conducting lectures,
5. Attachment of staff for purposes of curriculum development upgrading of teaching and research skills,
6. Participating in seminars, symposiums, and other types of academic discussions,
7. Co-supervising post-graduate students,
8. Conducting study tours and joint consultancy work.

A specific plan will be worked out for each activity; setting for the detailed arrangements for collaboration will be agreed. There will no extra remuneration for faculties for each visit or an assignment or such exchange.

b. Student Exchange

Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur and Smt. Ushaben Chandrakant Thakar Women's College agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a pre-determined programme of study or research.

1. Exchange students will be selected by mutual agreement between the home institution and the host institution.

2. An exchange student will continue to be treated as full-time student at his/her home institution.

3. His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.

4. The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.

5. To avail travel facility, students can apply travelling assistance at their respective home institution.

6. The exchange students will not pay any kind of fees to their home institution.

c. Other Areas:

1. To conceptualization of NEP2020's holistic approach apart from core academic, sports activities focusing development sports attitude as well as proficiency would be initiated & promoted

2. To exchange information on research and educational programs,

3. To exchange information on teaching, learning material and other literature relevant to their educational and research programs,

4. To jointly organize short-term continuing education programs on topics of mutual interest and to invite each other's faculty to participate therein,

5. To organize jointly seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein,

6. To propose and engage jointly in research or training programs sponsored by funding agencies, and to invite each other's faculty to participate therein,
7. To undertake joint students placement drives & skill training program.

**ARTICLE 2: COORDINATION**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee consisting of a programme coordinator from both institutions will periodically review and identify ways to strengthen cooperation between the two institutions.

**ARTICLE 3: VALIDITY**

The Memorandum shall remain in force for a period of THREE years commencing from effective date. Institutions may extend the term by written agreement signed by both after review.

**ARTICLE 4: TERMINATION**

Either institution may terminate the MoU by giving written notice of one month in advance to the other institution.

**AND**

**Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur** is a 50 years old premier institution of Nagpur imparting quality education to students. The HEI made its existence in July 1971 with the vision & dedication of Sindhi Hindi Vidya Samiti. Rooted & grown in the Panchpaoli area of North Nagpur, HEI has a dominant role in the uplifting socioeconomically backward community. It had given a commendable realization of first- generation graduates & it still functions as a source of hope for many. Dada Ramchand Bakhru Sindhu Mahavidyalaya in support of implementing the National Education Policy (NEP2020) has initiated project and research work in association with industries and enterprises. Hereinafter referred to as the **"Party 2"**

**Witnesseth:**

WHEREAS, Party 1 and Party 2 desire to collaborate on an industrial support work, on-job-training, field work and entrepreneurship development and

WHEREAS, the Parties desire to establish a framework for their rights and responsibilities with respect to the Project.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants contained herein, the Parties agree as follows:

### **1. Project Description**

"Study of local Agarbatti Demand & Production"

### **2. Roles and Responsibilities**

Party 1 agrees to:

- 1 Provide mutually aggregated survey work
- 2 Access to member industries for OJP,FP
- 3 Support in entrepreneurship development at institute by providing experts
- 4 Access to data base generated by collective work

Party 2 agrees to:

- 1 Conduct survey work with the help of the students
- 2 Provide students of high moral & character for OJT & FP at recommended industries
- 3 Counselling the interested students under ED cell
- 4 Support in data base generation

### **3. Term and Termination**

This Agreement shall commence on the Effective Date and shall continue for a period of 3 years, unless earlier terminated as provided herein.

#### 4. Confidentiality

The Parties agree to hold in confidence all Confidential Information disclosed by the other Party in connection with the Project. "Confidential Information" includes any information designated as confidential by the disclosing Party or that, by its nature, ought to be treated as confidential.

#### 5. Dispute Resolution

Any dispute arising out of or relating to this Agreement shall be settled by negotiation between signing authorities.

#### 6. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Maharashtra.

#### 7. Entire Agreement

This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior or contemporaneous communications, representations, or agreements, whether oral or written.

#### 8. Amendment

This Agreement may be amended only by a written instrument signed by both Parties.

#### 9. Notices

All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered in person, sent by registered e-mail addressed as follows:

If to Party 1: Society for Village & Rural Industries 301,VED Campus,  
J P Nagar Nagpur 440012

If to Party 2: Dada Ramchand Bakhru Sindhu Mahavidyalaya,  
Panchpaoli Nagpur 440017

#### 10. Severability

If any provision of this Agreement is held to be invalid or unenforceable, such provision shall be struck and the remaining provisions shall remain in full force and effect.

**IN WITNESS WHEREOF**, the Parties have executed this Agreement as of the date first written above.

## A survey report

### “Study of Local Agarbatti Demand and Production”

The collaborative effort between Dada Ramchand Bakhru Sindhu Mahavidyalaya and the Society for Village and Rural Industries in Nagpur conducted a comprehensive study of the local agarbatti demand and production in the North Nagpur area. The survey focused on understanding the preferences of the respondents regarding agarbatti. The findings revealed that fifty percent of the respondents purchased agarbattis from retail stores for personal use at home. Their purchasing decisions were influenced by factors such as fragrance, brand, and price. The primary purpose of purchasing agarbattis was for use in rituals. The survey also identified the most preferred fragrances as Rose and Mogra. The study involved 5 volunteers who conducted the survey in various areas including Indora, Kamal chowk, Jaripatka, Vashali nagar, and Nari in North Nagpur. The insights gathered from this survey provide valuable information about consumer behavior and preferences in the agarbatti market, which can be beneficial for local producers and retailers in meeting the demand effectively.

### Collaboration for Technical Workshop and Internship

We Dada Ramchand Bakhru Sindhu Mahavidyalaya, (AISHE-ID: C-18959) Nagpur and Suntronic Renewables Pvt Ltd., Bhausaheb Surve Nagar, Nagpur do hereby accomplish a formal collaboration/understanding from academic year from 2022-23 for technical workshop and Internship for students of B.Sc. (Physics) course.

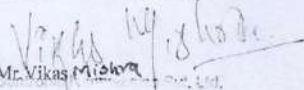

This collaboration is intended for developing the skill manpower to meet the challenges in the solar energy sector. Our institute and Suntronic Renewables Pvt Ltd. Nagpur both will be beneficial and fruitful for energy conservation aspect. The main purpose of this collaboration is given below:

- To demonstrate knowledge and apply E-solar electrical system terms and concepts, size and design of photovoltaic system.
- To organize technical workshop on solar panel installation.
- To establish collaboration for training in order to place the students.

This is the formal documentation between Principal Dr. V. M. Pendsey on behalf of Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur and Mr. Vikas Mishra Director, Suntronic Renewables Pvt Ltd., Bhausaheb Surve Nagar, Nagpur.

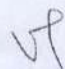

Place: Nagpur

## DRB Sindhu Mahavidyalaya, Nagpur Department of Physics

### Report of Certificate course on 'Solar Power & Appliances'

Department of Physics of Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur organized one week certificate course on 'Solar Power & appliances during 22-27 April 2024. This course was conducted for the undergraduate students of Physics for the session 2023-24. Total 25 students were registered for this certificate course.

On 26<sup>th</sup> & 27<sup>th</sup> April 2024 Mr. Vikas Mishra, Managing Director, Suntronic Renewable Pvt Ltd, Nagpur conducted Practical session on application of solar energy. He explained the students about solar system which is installed in the college campus. On 29<sup>th</sup> April 2024 exam was conducted for the students and after evaluation certificate was distributed to them.

Certificate course was conducted under the guidance of Dr. S. P. Dange, Head of Physics Department. Dr. A.R. Golhar and Dr. A. K. Patil were the in charges of the certificate course. Dr.B.S.Anerao and Dr.V.P.Gondane worked hard for the success of the certificate course.

Mr. Vikas Mishra explained about Installation of Solar Panel

## **DRB Sindhu Mahavidyalaya, Nagpur Department of Physics**

### **Report of Certificate course on 'Solar Power & Appliances' during 02-08 February 2023 for the session 2021-22 & 2022-23.**

Department of Physics of Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur organized one week certificate course on 'Solar Power & appliances during 02-08 February 2023. This course was conducted for the undergraduate students of Physics for the session 2021-22 & 2022-23. Total 60 students ( 34 from session 2021-22 and 26 from session 2022-23) were registered for this certificate course.

On 2<sup>nd</sup> February 2023, Dr. Ritesh Kohale, Assistant Professor in Physics, Shri Sant Gadge Maharaj Mahavidyalaya Hingna, Nagpur Conducted the session on the topic 'Introduction to Solar Power'. He explained the students about various types of energy sources with their socio-economic aspects and limitations.

On 3<sup>rd</sup> February 2023, Session was conducted by Dr. Rajdeep Utane, Assistant Professor in Chemistry, Shri Sant Gadge Maharaj Mahavidyalaya Hingna, Nagpur on the topic 'Solar Radiation'. He explained various approaches of utilization of solar energy and also told the students about solar cells and its applications.

On 4<sup>th</sup> February 2023 Dr. Vijay Raghorte, Assistant Professor in Physics, Narayanrao Kale Smruti Model Arts commerce & Science College Karanja Ghadge was conducted the session on the topic ' Solar Power & Appliances'. He explained Solar Cell arrays, PV Modules and residential Solar cell arrays and residential System.

15 Saur Vaisākha 1945 (5<sup>th</sup> May 2023)

Subject: Successful hosting of Vigyan Sanskar Shibir

Dear Sir,

This year's Vigyan Sanskar Shibir from 3<sup>rd</sup> to 10<sup>th</sup> Saur Vaisākha 1945 (23<sup>rd</sup> April to 30<sup>th</sup> April 2023) was very well received and enjoyed by all the participants, volunteers and coordinators. The shibir was organized at 6 locations in Nagpur to which more than 1200 students of about 100 schools registered. Support of 250 volunteers from 14 different schools, colleges and institutes, 5 Sky watching sessions, 36 lectures on 20 different topics by 25 professionals were some other highlights of the shibir.

Dada Ramchand Bakhru Sindhu Mahavidyalaya was one of the locations where the shibir was organized. The wholehearted support from your management is highly appreciated. Excellent coordination amongst your faculty and with VIBHA coordinators, tireless efforts of all involved teachers and staff made this event a great learning experience for the participants. The disciplined and enthusiastic volunteers team of your college guided the participants really nicely. The sumptuous and healthy breakfast provided by school was thoroughly enjoyed by the student participants.

We specially thank Dada Ramchand Bakhru Sindhu Mahavidyalaya for arranging training for all the volunteers and faculty at your premises. Also the technical help, onsite support by your faculty and the equipment that was provided to other locations by your institute is highly appreciated.

Looking forward to our continued partnership in future.

Thanking you  
Sincerely

Naresh Chafekar

**VIGYAN SANSKAR SHIBIR**

**50**  
DADA RAMCHAND BAKHRU  
SINDHU MAHAVIDYALAYA

Dada Ramchand Bakhru Sindhu Mahavidyalaya in collaboration with Vigyan Bharti Vidharbha Pradesh Mandal organized Vigyan Sanskar Shibir from 23<sup>rd</sup> April to 30<sup>th</sup> April. In this eight-day shibir, about 198 students from std. 7 to 10 participated from 10 different schools.

Objectives:

- To activate the Science Movement
- To develop skills of scientific inquiry to design and carry out scientific investigations and evaluate scientific evidence to draw conclusions
- To communicate scientific ideas, arguments, and practical experiences accurately in a variety of ways
- To let the students think analytically, critically and creatively to solve problems, judge arguments and make decisions in scientific and other contexts

The Vigyan Shibir was inaugurated by Dr. Pushpahas Ballal Assistant Commissioner, FDA -Nagpur on 23<sup>rd</sup> April 2023. Students performed various hands-on science experiments related to Chemistry, Zoology, Botany, Mathematics, and Electronics and activities also included daily science lectures by renowned persons. The shibir was conducted by Co-ordinator Dr. Pinky Sonarghare. Dr. Sandeep Hate, Dr. Kavita Apkaje, Ms. Babita Yadav, and Dr. Mangesh Thakre took efforts for the success of the shibir. Mr. Rahul Patil, Ms. Himani Kadbe, Ms. Vidhi Loya, Mr. Paresh Ninave, Mr. Vicky Nimje, Ms. Nikita Gupta, and Ms. Fouziya A. Ahemad worked hard during this event.

Students volunteer actively participated in this event. Vigyan Bharti and the organizing team are deeply thankful to Sindhi Hindi Vidya Samiti, Principal Dr. V. M. Pendsey, and Dr. Mrs. Dakhne Madam for their continuous support and help.

To conclude, the shibir aims to open opportunities for the students to come closer to the science activities analyze the things in a very easy way using technology, indulge awareness among the students and explore different challenges other than their school activities.

Training to the student volenters by Dr. Pinky Sonarghare, Dr. Kavita Apkaje, Ms. Babita Yadav prior to vighyan sanskar shibir on 16th April 2023.

Day 1 - Inauguration of Vigyan Sanskar Shibir by the hands of Dr. Pushpahas Ballal Assistant Commissioner, FDA -Nagpur on 23rd April 2023.

Day 2– Scientific talk by the Principal Dr.V. M. Pendsey Sir for the students of Sanskar Shibir on 24<sup>th</sup>April 2023.

Students Volunteer explaining Zoology Experiment

Students Volunteer explaining Chemistry Experiment

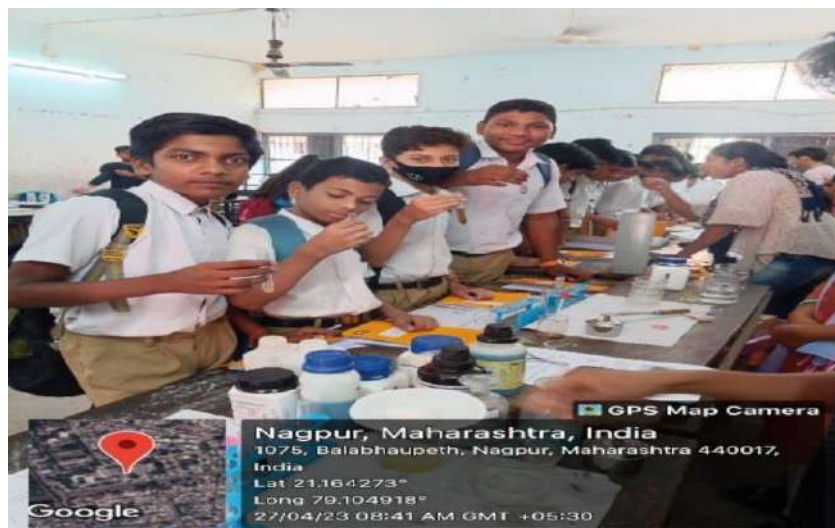

Day 3- Students Volunteer explaining Botany Experiment on 25<sup>th</sup> April 2023.

DAY 4- Teacher incharges and Students Volunteers Interact with the Students of Vigyan Sanskar  
Shibir on 26<sup>th</sup> April 2023.

DAY 5- Students of Vigyan Sanskar Shibir performing experiments under the guidance of students volunteers on 27<sup>th</sup> April 2023.

DAY 6- Students of Vigyan Sanskar Shibir performing experiments under the guidance of students volunteers on 28<sup>th</sup> April 2023.

Science Lectures delivering by the resource person, Panini Telang, Ritesh Keshri and Anand Harkare in vigyan sanskar shibir.

My Dear Dr. Pendsey,

I hope this letter finds you in the highest of spirit and in the best of health. I am writing this letter in support of your proposal of dated 06 December 2021 having reference no. 367/2021-22 for the collaboration as well as partial financial assistance to organize **National Conference on "Basics and Advances in Biological Sciences" on 8-9 April 2022.**

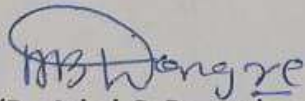

On behalf of Global Biotech Forum, I will be very glad to collaborate with you to organize this conference. Also, I **sanction you a financial assistance of Rs. 25000/- (Rupees Twenty Five Thousand only). A cheque of Rs. 25000/- having No. 750376 drawn on State Bank of India of dated 12 March 2022 enclosed herewith.**

You are kindly requested to publish our 'Global Biotech Forum' name with 'logo' on all your conference stationery like brochure, banner, backdrop, application form, certificates, etc. Also, invite our esteem members for some guest lecture, inauguration and valedictory function.

I would like to wish you Dr. Pendsey, Convener Dr. Zeenat Kashmiri, Dr. Sujata Mankar and all the organizing staff all best wishes for a successful conference.

Kindly acknowledge the receipt.

With regards,

  
(Dr. Ashok B. Dongre)

**8<sup>th</sup> and 9<sup>th</sup>, April 2022**

**Report of Conference**

Department of Zoology, Botany, Microbiology, Biochemistry and Biotechnology, Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur in collaboration with Technology and Energy park RTM Nagpur University Nagpur and Global Biotech Forum Nagpur successfully hosted two days National Conference on “Basics and Advances in Biological Sciences” on 8<sup>th</sup> and 9<sup>th</sup> April 2022 at Dr. A. K. Dorle Auditorium, Department of Pharmaceutical Sciences, R. T. M. Nagpur University, Mahatma Jyotiba Phule Campus, Amravati Road, Nagpur.

The two days conference was commended for a keynote session, four concurrent technical sessions, poster and oral research paper sessions, besides the Inaugural and Valedictory sessions. This conference has without a shade of doubt, made the academic fraternity richer, with the additional literature in form of intellectual works. The event offered opportunities to the participating audiences to interact with academicians, scholars and experts from all over the country who deliberated upon and covered topics around the basics and advances in biological sciences. The two days comprised of incisive and insightful discussions on various facets of biological sciences. All the resource persons conducted very engaging and fruitful sessions.

The Conference owes its success to the able guidance of Officiating Principal Dr. V.M. Pendsey, and the hard work put in by the entire life science team led by Dr. Z. N. Kashmiri and Dr. S. G. Hate and organizing committee along with student volunteers. Overwhelming responses were received from different states of India for this conference. Total 197 Registrations from various states, and 131 papers were selected for Oral and Poster Presentation. Dr. Pinky Sonarghare and Dr. Kavita Apkaje worked hard for registration of the participants.

Conference was inaugurated by the hands of Dr. Subhash R. Chaudhari Hon. Vice Chancellor, RTM Nagpur University, Nagpur. In his speech he emphasized on implementation of 17 sustainable goals while teaching. He also elaborated that all domains should come together which will break the compartment and is the need of the hour. Mr. H.R. Bakhru Hon. President, Sindhi

प्रती,

मा. प्राचार्य,

*Dr. R. M. ... ..*  
नागपुर,

विषय - आपल्या महाविद्यालयामध्ये ED CELL अंतर्गत, एक दिवशीय EAC (Entrepreneurship Awareness Camp) व दोन आठवड्यांचे EDP (Entrepreneurship Development Program) या कार्यक्रमाचे आयोजन करण्या बाबत -

महोदय,

उपरोक्त विषयाच्या अनुषंगाने आत्ताच्या काळाची गरज ओळखता, सुशिक्षित बेरोजगारीचा विचार केला असता आणि प्रत्येकाच्या हाताला स्वतःचा उद्योग मिळावा हा विचार केला असता, आपल्या महाविद्यालया सोबत, महाराष्ट्र उद्योजकता विकास केंद्र, (MCED) चा MOU झालेला असून, या माध्यमातून, आपल्या महाविद्यालयीन विद्यार्थ्यांसाठी व माजी विद्यार्थ्यांसाठी, आपल्या महाविद्यालयामध्ये ED CELL अंतर्गत, एक दिवशीय EAC (Entrepreneurship Awareness Camp) व दोन आठवड्यांचे EDP (Entrepreneurship Development Program) या कार्यक्रमाचे आयोजन करावयाचे आहे.

तरी आपण कृती आराखडा तयार करण्याकरिता व या प्रशिक्षणाचे कालावधी निश्चित करण्या करिता आपले मोलाचे सहकार्य असावे, हि विनंती.

*[Signature]*  
आपला

विभागीय प्रकल्प अधिकारी  
म.उ.वि.के. नागपुर.

COLLABORATION  
FOR ON-JOB-TRAINING  
COMMERCIAL BEEKEEPING  
POST-GRADUATE PROGRAM IN ZOOLOGY

We, Dada Ramchand Bakhru Sindhu Mahavidyalaya, (AISHE-ID: C-18959) Nagpur and Hislop College, Nagpur (AISHE-ID: C-18511-2021) do at this moment accomplish a formal collaboration/ understanding from the academic year 2023-24 (AY23) for precisely for On-Job training, internship and research.

This collaboration is intended for OJT, internship and research to inculcate beekeeping skills among interns. Activities like training and workshops will be regulated for students as part of research and internship. Our institute and Hislop College, Nagpur both will be beneficial and fruitful for research temperament and conservational aspect.

This is a formal documentation between Principal, Dr. V.M. Pendsey on behalf of Dada Ramchand Bakhru Sindhu Mahavidyalaya, Nagpur and Principal, Dr. Prashant S. Shelke, Hislop College, Nagpur.
