## Report on Group Discussion

**Date: 06<sup>th</sup> Dec 2019**

Department of Commerce and Management (BBA) have carried out the Group Discussion Activity for the students of BBA. The aim of the activity is to enhance the soft skills among the students. The topics of Group Discussion were given to them prior the activity so that they can acquire better understanding over the topic. This was done with a purpose that the students will be able to collect valid information on the topics and contribute their views on the day of GD. The notes were distributed on basic rules of GD and the students were asked to seat for GD in the corridor. All have to participate in Group Discussion and put their valuable thoughts on the Topic “Is Capital Punishment a Right Decision or Not”. Students have contributed their views to the fullest. The result of GD has selected only 11 students to go up for the second round. On day 5 the selected students were asked to have a GD in open ground so as to give make them feel free and enhance the flow of thoughts on the reasonable topic “Bank Mergers and its Effect on Indian Economy”. The result of the same has forwarded the students for the next round. Later the students were trained on the mistakes they were doing during GD session. On day 6<sup>th</sup> the students were asked to seat in closed classroom for GD on the intense topic “Privatization of PSU”.

The program was conceptualized by Mr Pranay Wankhede and the resource person was Dr Trupti Sakhare. The program was made successful by the able guidance by Dr Suman Keswani and Mr Deepak Gehani and Ms Poorvi Tiwari worked hard to make this activity successful.

## LIFE SKILLS

### FIELD VISIT TO AMBAZARI BIODIVERSITY PARK

Department of zoology has organized a visit to Ambazari Biodiversity Park for M.Sc. students. This biodiversity park is a reserve forest and also has richness in birds and insects. Natural and pleasant surrounding and beautifully designed tracks and points were quite attractive for visitors. On 9<sup>th</sup> June 2022, 20 students and teachers were visited to this park. Mr. Ajinkya Bhatkar, Senior Project Officer at WWF India was with us. He delivered a information about birds nesting and some identifying keys for birds and their voice. Mr. Shubham Chhapekar, Naturalist, Biodiversity Park was accompanying students for the entire visit. He has demonstrated butterfly gardens, their host plants and mud paddling nature to our students. Students had completed about 5 KM tract of this parks. They observed about 12 families of butterflies and about 21 species of birds. Students had enjoyed a lot.

## ICT Report Session 2022-23

With the aim to provide quality education amongst students to endow enriched academic experience and to facilitate sophisticated teaching learning process, the college teachers always strive to make effective use of ICT enabled tools in combination with traditional tools. We have an efficient Learning Management System (LMS) module used by students to facilitate an online platform for effective education. Numerous diversified ICT tools enables the college to conduct seminars, guest lectures, workshops, competitions, technical and management events efficiently. The college has vast and enriched ICT enabled resource which comprises Wi-Fi having 100Mbps speed, ICT enabled classrooms, well-equipped Computer Lab, E-Library resource and digitally equipped Smart Classroom and Auditorium. Total 23 LCD's and projectors are installed in Classrooms and Laboratories. Digital language lab, Digital Library, e-books, e-journals, Shodhganga, etc. are available to access freely for the students. Faculties are accustomed to use power-point presentations and video clippings in their teaching. Teachers also have recorded lectures and uploaded in YouTube to provide an online learning environment. College website along with Google classrooms optimistically able to communicate students regarding admission, class schedule and examination. Feedback of students is also collected through Google forms.

## **Information and Communication Technology (ICT)**

### **Report 2020-21**

Thrust to provide quality education to endow enriched academic experience and to facilitate sophisticated teaching learning process, the college teachers always strive to make effective use of ICT enabled tools in combination with traditional tools for academic growth of students. The Learning Management System (LMS) module facilitates an online platform for teachers and students during Covid-19 pandemic year. Diverse set of ICT tools enables the college to conduct seminars, guest lectures, workshops, competitions, technical and management events efficiently. The college has vast and enriched ICT enabled resource which comprises Wi-Fi having 100Mbps speed, ICT enabled classrooms, well-equipped Computer Lab, E-Library resource and digitally equipped Smart Classroom and Auditorium. Total 22 LCD's and projectors are installed in Classrooms and Laboratories. Digital language lab, Digital Library, e-books, e-journals, Shodhganga, etc. are available. Faculties are accustomed to use power-point presentations and video clippings in their teaching. Teachers have recorded lectures and uploaded in YouTube to provide an online learning environment. It is especially during the pandemic period, the college teachers optimistically able to communicate students through social media Whatsapp groups and emails and to impart online education through Zoom, Google Meet, Google Classrooms, Google forms, etc. Online examinations are being conducted through Google forms.

## **ICT Report**

**Session 2019-20**

With the aim to provide quality education amongst students to endow enriched academic experience and to facilitate sophisticated teaching learning process, the college teachers always strive to make effective use of ICT enabled tools in combination with traditional tools. We have initiated an efficient Learning Management System (LMS) module for students to facilitate an online platform for effective education. Numerous diversified ICT tools enables the college to conduct seminars, guest lectures, workshops, competitions, technical and management events efficiently. The college has vast and enriched ICT enabled resource which comprises Wi-Fi having 100Mbps speed, ICT enabled classrooms, well-equipped Computer Lab, E-Library resource and digitally equipped Smart Classroom and Auditorium. Total 19 LCD's and projectors are installed in Classrooms and Laboratories. Digital language lab, Digital Library, e-books, e-journals, Shodhganga, etc. are available to access freely for the students. Faculties are accustomed to use power-point presentations and video clippings in their teaching. The main aim was to enhance learning experience of the students.
