GUEST LECTURE

ON

SUSTAINABLE WATER TREATMENT METHODS IN KHAPARKHEDA THERMAL POWER PLANT.

Notice

22/03/2024

The **Chemical Society of Department of Chemistry** in association with **Navriti, Innovation and Incubation Cell**, Dada Ramchand Bakhru Sindhu Mahavidyalaya is organizing a poster competition on the eve of **World Water Day** on 22nd March, 2024. The topic for the poster competition is “**Environmentally Sustainable Methods of Water Conservation.**” The Poster Presentation is followed by the Guest Lecture on **Sustainable Water Treatment Methods in Khaparkheda Thermal Power Plant.** All the esteemed faculty members are requested to motivate their students for the same.

Report

The "Navriti"- Innovation and Incubation Cell of Dada Ramchand Bakhru Sindhu Mahavidyalaya worked tirelessly throughout the year to nurture students' ideas, incubating and refining them. The Innovation & Incubation Cell, in collaboration with the Chemical Society and the Department of Chemistry, held the Poster Competition on 'Water Conservation Day' on March 22, 2024. The sole goal of the science poster competition held on 'Water Conservation Day' is to raise awareness about the importance of water and instill a scientific mindset in the next generation, allowing them to recognize the interconnection of science, technology, and society. The Poster Competition provides a platform for students and teachers to learn from one another's experiences and be inspired to build and produce something new and original. The primary goal of the Poster Competition is to inspire students to take an active role in science education by conducting and presenting their own scientific investigations and breakthroughs in public. Dr. M.M. Shinkhede, Vice-Principal, and Chief Guest Dr. Ritesh Singh, Senior Chemist, Thermal Power Plant, Khaperkheda, inaugurated the event at 3.00 pm in college auditorium. The event began with a guest presentation by the lecture on 'Water Conservation' and was followed by a poster competition. The B.Sc students who participated in the competition exhibited and described in detail the exhibits and posters they had prepared to other students, faculty, and guests who came to view the poster competition. Approximately 200 college students attended the exhibition and learned about the usage and applications of numerous projects.
